The Children's Fact Finder McGraw-Hill,2000-02 Very brief well illustrated descriptions of animals geographic areas historical figures natural disasters etc Easier Fatherland Steve Crawshaw,2004-06-14 Germany is the most important and powerful country in Europe And yet it remains strangely little understood by itself as much as by the rest of the world It is in a state of remarkable flux confronting the demons of the past whilst also seeking to make the West and the East into one country a much greater challenge than it seemed The coming enlargement of the European Union which will bring much of formerly communist Eastern Europe into the EU will make Germany more pivotal than ever So what makes this country tick For decades after the Second World War the country remained strongly polluted by the Nazi legacy there was little attempt to confront the past For today s younger generation by contrast Nazism was a weird aberration that they themselves have difficulty in understanding The book will explore those changes and how German society itself is still in the midst of enormous change The story takes us through three periods

Before the Poison pre 1933 The Poison 1933 45 and the heart of the book the period of Coming to Terms and the changes that this period has brought to the shape of the country The coming to terms with the past overlaps from 1990 onwards with the East West story where mutual misunderstanding has been rife [The Publishers Weekly](#) ,2002 [Tell Everyone](#) Alfred Hermida,2016-08-30 Social media is fuelling our human urge to share affecting the information we depend on to make smart decisions from choosing politicians to doing business to raising money for charity Tell Everyone delves into contemporary culture to reveal how social media has become the planet s nervous system amplifying the power of individuals informing our choices and shaping how we learn about our world Writing with journalistic flair but with academic rigour online news pioneer and social media maven Alfred Hermida lays bare why we feel compelled to share news gossip and information and always have Every day more than 500 million messages are sent on Twitter 800 million people share four billion stories links photographs and videos on Facebook Every minute 100 hours of video is uploaded to YouTube And the flow is ever increasing In this new era of media saturation what do we mean by the news Is the most trusted name in news today a veteran anchor on television or an undergraduate tweeting from Tahrir Square in Cairo Tell Everyone spells out how our ability to create and share news is shaping the information we receive and depend on to make informed decisions from choosing politicians to doing business Drawing on historical examples real world experiences and leading research Tell Everyone explains how the power of sharing is transforming how we understand and give meaning to world events [The Logic of Alice](#) Bernard M. Patten,2010-09-09 Many commentaries have been devoted to Lewis Carroll s masterpiece Alice s Adventures in Wonderland The interpretations range from Freudian analysis to speculations about the real life people who may have inspired the animal characters In this unique approach to interpreting Alice the fruit of ten years of research Dr Bernard M Patten shows that Charles Lutwidge Dodgson aka Lewis Carroll fused his passion for logic mathematics and games with his love of words and nonsense stories to produce a multifaceted intricately structured work of literature Patten provides a chapter by chapter skeleton key to Alice which meticulously demonstrates how its various episodes reveal Dodgson s profound knowledge of the rules of clear thinking informal and formal logic symbolic logic and human nature As Patten makes clear Alice s Adventures in Wonderland far from being just an entertaining children s book is more complex and deeply reflective of Dodgson s character than it may seem By making an effort to understand its deeper layers both children and adults may profit from this masterful tale by learning to think better and along the way having fun
