Print of a Hare's Foot Rhys Davies,1969 **Print of a Hare's Foot** Rhys Davies,1969 *Print of a Hare's Foot* Rhys Davies,1969 *Living at the Edge : a Biography of D.H. Lawrence and Frieda Von Richthofen* Michael Squires,Lynn K. Talbot,Lynn Kiefer Talbot,2002 Dashingly told and meticulously researched this double biography of D H Lawrence and his wife Frieda von Richthofen is the first to draw fully on Frieda s unpublished letters and on interviews with people who knew her well It explores their collision with an industrial world they hated and chronicles the stormy relationship between husband and wife The strong sexual vitality that inspired Lawrence s art brought both joy and anguish to his marriage Here the Lawrences emerge as proud but not conceited in their unconventional lives staunch in the face of fierce opposition from a conformist society *Living at the Edge* follows the separate lives of Lawrence and Frieda up to their first meeting in 1912 Tracing their new life together it depicts their grateful escape from the English Midlands their discovery of exotic places where they made temporary homes Italy Cornwall Australia New Mexico and Mexico Lawrence s courageous battle against illness and after his death in 1930 Frieda s success in recreating the simple life on ranches near Taos New Mexico where she died in 1956 At the center of their story is Lawrence s literary career Biographers Squires and Talbot see Lawrence s major novels *The Rainbow* *Women in Love* *Lady Chatterley s Lover* as a fresh way to understand his turbulent and conflicted life They reveal the extreme care with which he rewrote his personal experience to satisfy his deepest needs and they introduce the many influential people who entered the Lawrences lives and work The rich materials from Frieda s letters reveal a different Lawrence more difficult as a man but more interesting as an artist they also reveal a different Frieda more vibrant as a woman more substantial as a companion This superb biography gives both Lawrence and Frieda striking new dimensions [Letters from Wales](#) Sam Adams,2023-04-07 *Letters from Wales* stands alone as an invaluable guide to Welsh writing Sam Young Wales Arts Review In these columns as impressive for their depth as they are for their intellectual breadth Adams analyses the work of acclaimed Welsh writers with scholarly panache Joshua Rees Buzz Magazine illuminating and entertaining Jon Gower Nation Cymru Since 1996 Sam Adams s Letter from Wales column has been appearing in PN Review one of the most highly regarded UK poetry magazines offering insight and appreciation of Welsh writing culture and history This landmark volume collects these letters a quarter century of work and offers one of the most unique independent and passionate critical voices on the writing and cultural output of Wales during this period Here you will find erudite appreciations of the work of a wide range of recent and contemporary Welsh writers from Gillian Clarke to Roland Mathias RS Thomas to Rhian Edwards Alongside this Adams offers us lyric essays to Welsh history and clear eyed examinations of the institutions of Welsh culture Collected for the first time in this volume the letters are among the most significant and sustained attempts during this period to present Welsh writing to an audience throughout the UK and beyond *Writing the 1926 General Strike* Charles Ferrall,Dougal McNeill,2015-02-19 Charles Ferrall and Dougal McNeill s book

analyses the vast literary response to the 1926 General Strike The Strike not only drew writers into political action but inspired literature that served to shape twentieth century British views of class culture and politics While major figures active at the time wrote on or responded to this crucial moment this is the first volume to address their respective works Ferrall and McNeill show how novels then in progress such as Virginia Woolf's *To the Lighthouse* and D H Lawrence's *Lady Chatterley's Lover* were affected by the Strike as well as the ways in which it has been remembered from the 1930s to the present Their study sheds new light on the relationship between politics and literature of the modernist era

New Territories in Modernism Laura Wainwright, 2018-03-15 Until very recently Welsh literary Modernism has been critically neglected both within and outside Wales This is the first book devoted solely to the study of Welsh literary Modernism revealing and examining eight key Anglophone Welsh writers Laura Wainwright demonstrates how their linguistic experimentation constituted an engagement with the unprecedented linguistic social and cultural changes that were the making of modern Wales and formed the crucible for the emergence of a distinct Welsh Modernism This study of Welsh Modernism challenges conventional literary histories and in more than one sense takes Modernism and Modernist studies into new territories

D. H. Lawrence: Dying Game 1922-1930 David Ellis, 1998 This final volume chronicles Lawrence's progress from leaving Europe in 1922 to his death in Venice in 1930 Ellis reveals Lawrence as a complex humorous man exemplary in his resolute grappling with the central problems of life and death

Harold Monro D. Hibberd, 2001-02-13 Troubled by his complex sexuality Monro was a tormented soul whose aim was to serve the cause of poetry Hibberd's revealing and beautifully written biography will help rescue Monro from the graveyard of literary history and claim for him the recognition he deserves Poet and businessman ascetic and alcoholic socialist and reluctant soldier twice married yet homosexual Harold Monro probably did more than anyone for poetry and poets in the period before and after the Great War and yet his reward has been near oblivion Aiming to encourage the poets of the future he befriended among many others T S Eliot Ezra Pound and the Imagists Rupert Brooke and the Georgians Marinetti the Futurist Wilfred Owen and other war poets and the noted women poets Charlotte Mew and Amma Wickham

The Rise of the Modernist Bookshop Huw Osborne, 2016-03-09 The trade in books has always been and remains an ambiguous commercial activity associated as it is with literature and the exchange of ideas This collection is concerned with the cultural and economic roles of independent bookstores and it considers how eight shops founded during the modernist era provided distinctive spaces of literary production that exceeded and yet never escaped their commercial functions As the contributors show these booksellers were essential institutional players in literary networks When the eight shops examined first opened their doors their relevance to literary and commercial life was taken for granted In our current context of box stores online shopping and ebooks we no longer encounter the book as we did as recently as twenty years ago By contributing to our understanding of bookshops as unique social spaces on the thresholds of commerce and culture this volume helps to lay the groundwork for comprehending

how our relationship to books and literature has been and will be affected by the physical changes to the reading experience taking place in the twenty first century *Twentieth-century Autobiography* Barbara Prys-Williams,2004 The writing of good autobiography requires an encounter with oneself that can involve the need to wrestle with potent elements from one's past This work on 20th century Welsh autobiography in English traces the psychological influences which have shaped the consciousness and world views of seven authors all by birth or by adoption Welsh **Encyclopedia of the British Short Story** Andrew Maunder,2015-04-22 Provides a comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth featuring some of the most popular writers and works **The Facts on File Companion to the British Short Story** Andrew Maunder,2007 A comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth With approximately 450 entries this A to Z guide explores the literary contributions of such writers as Joseph Conrad James Joyce D H Lawrence Rudyard Kipling Oscar Wilde Katherine Mansfield Martin Amis and others

Routledge Revivals: D.H. The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries Lady Chatterley's Villa Richard Owen,2015-02-15 November 1925 found David and Frieda Lawrence on the Italian Riviera looking for sun sea air and health The Lawrences were exhilarated by life in their rented villa set amid olive groves and vineyards with a view of the sparkling Mediterranean The drab English winter couldn't have been farther away But before long Frieda found herself irresistibly attracted to their landlord a dashing Italian army officer and the resulting affair served as the background for Lawrence's writing while in the villa he turned out two stories *Son and The Virgin* and *The Gypsy* both prefiguring *Lady Chatterley's Lover* in their depiction of women fatally drawn to earthy muscular men Built on the unpublished and previously unexplored letters and diaries of Rina Secker the Anglo Italian wife of Lawrence's publisher and featuring never before published letters from Lawrence *Lady*

Chatterley's Villa reconstructs the drama of the tempestuous marriage and the ways it fired Lawrence's creativity. Along the way Richard Owen offers a new accounting of Lawrence's passion for Italy, tracing his travels along the coasts and islands and his deep engagement with Italian culture. This exploration of a little studied but crucial period of the writer's life will be a must for Lawrence's many fans. **OK2BG** Jack Dunsmoor, 2015 OK2BG is narrative nonfiction, a Memoir about a guy who

wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential, find or reinforce their place in the world. Overall a chronicle about the author's attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person. Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying. After 5 years Jack has categorized 2 000 books in the form of Memoirs, Biographies, Autobiographies written by or about 1 000 allegedly gay men. The primary message in OK2BG is to read, reassess before you run asunder. *Men and Menswear* Laura Ugolini, 2017-03-02

Despite increasing academic interest in both the study of masculinity and the history of consumption, there are still few published studies that bring together both concerns. By investigating the changing nature of the retailing of menswear, this book illuminates wider aspects of masculine identity as well as patterns of male consumption between the years 1880 and 1939. While previous historical studies of masculinity have focused overwhelmingly on the moral, spiritual and physical characteristics associated with notions of manliness, this book considers the relationship between men and activities which were widely considered to be at least potentially unmanly, selling as well as buying clothes, thus shedding new light on men's lives and identities in this period. **Rhys Davies** Huw Edwin Osborne, 2009-07-01 Davies was the holder of a complex

identity: he was a gay man who grew up as a shopkeeper's son in the Rhondda, who left Wales to write about his homeland in England. This book unravels a national experience that is deeply bound up in complex negotiations of class, sexuality and gender, and follows a career that was predicted to be that of the representative Welshman. The book is divided into three sections: the first begins with Davies's childhood in Blaenclydach and the ways in which his memories of his childhood reinforce continuing themes in his stories and novels; the second will place Davies in literary London and address Davies's struggle to enter the privileged circles of literary production, circulation and reception; the final section considers the established Davies of the 1940s, 50s and 60s. *Churchill as Home Secretary* Charles Stephenson, 2023-02-22 There can be

few statesmen whose lives and careers have received as much investigation and literary attention as Winston Churchill. Relatively little, however, has appeared which deals specifically or holistically with his first senior ministerial role, that of Secretary of State for the Home Office. This may be due to the fact that of the three Great Offices of State which he was to occupy over the course of his long political life, his tenure as Home Secretary was the briefest. The Liberal Government of

which he was a senior figure had been elected in 1906 to put in place social and political reform Though Churchill was at the forefront of these matters his responsibility for domestic affairs led to him facing other major challenges departmentally this was a time of substantial commotion on the social front with widespread industrial and civil strife Even given that Home Secretaries never do have an easy time his period in office was thus marked by a huge degree of political and social turbulence The terms Tonyandy and Peter the Painter perhaps spring most readily to mind Rather less known is his involvement in one of the burning issues of the time female suffrage and his portrayal as the prisoners friend in terms of penal reform Aged 33 on appointment and the youngest Home Secretary since 1830 he became empowered to wield the considerable executive authority inherent in the role of one of His Majesty s Principal Secretaries of State and he certainly did not shrink from doing so There were of course commensurate responsibilities and how he shouldered them is worth examination
