M. Hirschfeld

Sexual History Of The World War:

The Sexual History of the World War Magnus Hirschfeld,1934 **The Sexual History of the World War** Magnus Hirschfeld,Andreas Gaspar,1937 **The Sexual History of the World War** Magnus Hirschfeld,1941 The Sexual History of the World War Crichton Alison,1944 *Gender and the Great War* Susan R. Grayzel,Tammy M. Proctor,2017

The centenary of the First World War in 2014 18 offers an opportunity to reflect upon the role of gender history in shaping our understanding of this pivotal international event From the moment of its outbreak the gendered experiences of the war have been seen by contemporary observers and postwar commentators and scholars as being especially significant for shaping how the war can and must be understood The negotiating of ideas about gender by women and men across vast reaches of the globe characterizes this modern instrumental conflict Over the past twenty five years as the scholarship on gender and this war has grown there has never been a forum such as the one presented here that placed so many of the varying threads of this complex historiography into conversation with one another in a manner that is at once accessible and provocative Given the vast literature on the war itself scholarship on gender and various themes and topics provides students as well as scholars with a chance to think not only about the subject of the war but also the methodological implications of how historians have approached it While many studies have addressed the national or transnational narrative of women in the war none address both femininity and masculinity and the experiences of both women and men across the same geographic scope as the studies presented in this volume

Sexual Treason in Germany during the First World War Lisa M. Todd,2017-04-29

This book is the first comprehensive study of sexual lives in Germany and occupied Europe during the First World War Reconsidering sex in war brings to life a whole cast of characters too often left out of the historical narrative widowed women who worked as prostitutes fresh faced recruits who experienced the war in a VD hospital eugenicists who conflated sex and national decline soldiers wives ostracized by neighbourhood rumour mills By considering the confluence of public discourse state policy and everyday life Lisa M Todd adds to the growing body of knowledge on war and society in the twentieth century By incorporating the 1914 1918 experience into the longer frame of the pre war sex reform movement and the post war Allied occupation of the Rhineland this book is able to more fully evaluate the impact of the war years on the history of intimate relations in early twentieth century Germany

Touch and Intimacy in First World War Literature Santanu Das,2006-04-06

The First World War ravaged the male body on an unprecedented scale yet fostered moments of physical intimacy and tenderness among the soldiers in the trenches Touch the most elusive and private of the senses became central to war experience War writing is haunted by experiences of physical contact from the muddy realities of the front to the emotional intensity of trench life to the traumatic obsession with the wounded body in nurses memoirs Through extensive archival and historical research analysing previously unknown letters and diaries alongside literary writings by figures such as Owen and Brittain Santanu Das recovers the sensuous world of the First World War trenches and hospitals

This original and evocative study alters our understanding of the period as well as of the body at war and illuminates the perilous intimacy between sense experience emotion and language as we try to make meaning in times of crisis **Gender and History** Susan Kingsley Kent,2011-10-18 What is gender and who has it History theory and gender are inextricably linked but how exactly do they fit together How do historians use theories about gender to write history In this jargon free introduction Susan Kingsley Kent presents a student friendly guide to the origins conceptual framework subjectmatter and methods of gender history Assuming no prior knowledge Gender and History Sets out clear definitions of theory history and gender Explains that gender is not solely applicable to women but to men as well Tackles the hotly debated topic of power and gender relations Explores gender history from a variety of angles including anthropology psychology and philosophy Spans a broad chronological period from the times of Aristotle to the present day Includes a helpful glossary that explains key terms and concepts at a glance Lively and approachable this is an essential text for anyone who wishes to learn how to use theories of gender in their historical studies **The sexual history of the world war** Magnus Hirschfeld,1937

What is Sexual History? Jeffrey Weeks,2016-06-07 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault s work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history What is Sexual History is an indispensable guide to these developments **Prisoners of War and Local Women in Europe and the United States, 1914-1956** Matthias Reiss,Brian K. Feltman,2022-04-19 This book brings together historians from Great Britain the United States Germany France Canada Austria and Latvia who have worked and published on fraternisation between Prisoners of War and local women during either the First or Second World War providing the first comparative study of this multi faceted phenomenon in different belligerent countries By focusing on prisoners as wartime migrants and studying the nature and impact of their interactions with the local female population this book expands the existing framework on prisoner of war studies Its substantial scope and comparative approach make it an important point of reference in the growing research field of POW studies **The Sexual History of the Global South** Saskia Wieringa,Horacio Sívori,2013-04-11 The Sexual History of the Global South explores the gap between sexuality studies and post colonial cultural critique Featuring twelve case studies based on original historical and ethnographic

research from countries in Africa Asia and Latin America the book examines the sexual investments underlying the colonial project and the construction of modern nation states Covering issues of heteronormativity post colonial amnesia regarding non normative sexualities women s sexual agency the policing of the boundaries between the public and the private realm sexual citizenship the connections between LGBTQ activism and processes of state formation and the emergence of sexuality studies in the global South this collection is of great geographical historical and topical significance

The City Aroused Damon Scott,2024-01-02 A history of San Francisco that studies change in the postwar urban landscape in relation to the city s queer culture The City Aroused is a lively history of urban development and its influence on queer political identity in postwar San Francisco By reconstructing the planning and queer history of waterfront drinking establishments Damon Scott shows that urban renewal was a catalyst for community organizing among racially diverse operators and patrons with far reaching implications for the national gay rights movement Following the exclusion of suspected homosexuals from the maritime trades in West Coast ports in the early 1950s seamen s hangouts in the city came to resemble gay bars Local officials responded by containing the influx of gay men to a strip of bars on the central waterfront while also making plans to raze and rebuild the area This practice ended when city redevelopment officials began acquiring land in the early 1960s Aided by law enforcement they put these queer social clubs out of business replacing them with heteronormative desexualized land uses that served larger postwar urban development goals Scott argues that this shift from queer containment to displacement aroused a collective response among gay and transgender drinking publics who united in solidarity to secure a place in the rapidly changing urban landscape

Palgrave Advances in the Modern History of Sexuality M. Houlbrook,H. Cocks,2005-10-26 Palgrave Advances in the Modern History of Sexuality offers a comprehensive and accessible overview of historical debate in the history of European and American sexuality since c 1750 Each chapter explores in detail one theme such as race pornography marriage science or religion which historians have seen as essential to writing the history of sexuality The book therefore not only offers a broad introduction to the state of the art but also suggests new directions for research and debate

Gay Men and the Sexual History of the Political Left Gert Hekma,Harry Oosterhuis,1995 Chapter authors are internationally recognized scholars who analyze key developments of the attitudes and policies of leftist thinkers parties and regimes toward homosexuality in Western Europe the Soviet Union and the United States

The Sexual Perspective Emmanuel Cooper,2005-08-11 This ground breaking work has been fully updated in detailing the painting sculpture and photography of gay or lesbian artists Set in the context of current issues Cooper makes a vital contribution to debates on art gender and sexuality

The Sexual History of the World War M. Hirschfeld,1946

Encyclopedia of Gay Histories and Cultures George Haggerty,2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that

now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

American Sexual Character Miriam G. Reumann, 2005-03-07 When Alfred Kinsey s massive studies Sexual Behavior in the Human Male and Sexual Behavior in the Human Female appeared in 1948 and 1953 their detailed data spurred an unprecedented public discussion of the nation s sexual practices and ideologies As they debated what behaviors were normal or average abnormal or deviant Cold War Americans also celebrated and scrutinized the state of their nation relating apparent changes in sexuality to shifts in its political structure economy and people American Sexual Character employs the studies and the myriad responses they evoked to examine national debates about sexuality gender and Americanness after World War II Focusing on the mutual construction of postwar ideas about national identity and sexual life this wide ranging shrewd and lively analysis explores the many uses to which these sex surveys were put at a time of extreme anxiety about sexual behavior and its effects on the nation Looking at real and perceived changes in masculinity female sexuality marriage and homosexuality Miriam G Reumann develops the notion of American sexual character sexual patterns and attitudes that were

understood to be uniquely American and to reflect contemporary transformations in politics social life gender roles and culture She considers how apparent shifts in sexual behavior shaped the nation s workplaces homes and families and how these might be linked to racial and class differences
