Long Range Desert Group:

The Long-Range Desert Group Karl-Gunnar Norén,Lars Gyllenhaal,2019-04-18 This is the story both of the special forces pioneers of the Long Range Desert Group LRDG and what it is like to search for their tracks driving a 1943 jeep Find out how time has almost stood still in the desert and how the LRDG spirit is still alive today among special forces and enthusiasts This is the perfect book for WWII buffs to read b Long Range Desert Group in the Mediterranean R. L.

Kay,1998-09 **Providence Their Guide** David L. Lloyd Owen,1980 Here at last is the full story of perhaps the most renowned and effective of those sometimes odd but always inspired formations born out of the desert during the Second World War The author was in the Long Range Desert Group for most of its existence and commanded the unit from 1943 till its disbandment in 1945 He covers not only the justly famed activities of the group in the deserts of North Africa but also for the first time its later operations in the Aegean Italy and different parts of the Balkans Yugoslavia and Albania particularly where its adventures were appropriately colourful and often bizarre Throughout his account he describes and illustrates with hitherto unpublished photographs many of the personalities British New Zealanders and Rhodesians who contributed so much to the LRDG s character and success Inside front cover **R Patrol Long Range Desert Group** Brendan

O'Carroll,2024-11-30 This is the story of the New Zealand R Patrol Long Range Desert Group who within their ranks had some very distinguished icons such as Jake Easonsmith Don Steele Dick Croucher Tony Browne Bluey Grimsey and Buster Gibb Their stories are told including that of many others mostly in the words of the participants themselves by way of wartime operational reports diaries personal letters and post war interviews This provides a human touch to the narrative examining the thoughts and observations of those who served The work also explains the formation of the unit including its early missions and of the vehicles supplies weapons and equipment used In addition serving as a Taxi Service for behind the line missions carrying agents commandos military observers rescuing downed airmen and escaped PoWs Chapters are also devoted to working with the SAS and Free French supporting the Eighth Army and undertaking the Road Watch This includes dramatic accounts of air attacks and ground actions against enemy convoys and engagements with Axis forces This is all supported by 288 images including maps and art Ghost Patrol John Sadler,2015-11-19 From the author of D Day an amazing tale of how the world s very first special force was created specifically for North Africa during WWII Books Monthly The origins of most of the West s Special Forces can be traced back to the Long Range Desert Group which operated across the limitless expanses of the Libyan Desert an area the size of India during the whole of the Desert War from 1940 to 1943 After the defeat of the Axis in North Africa they adapted to serve in the Mediterranean the Greek islands Albania Yugoslavia and Greece In the process they became the stuff of legend The brainchild of Ralph Bagnold a prewar desert explorer featured in fictional terms in The English Patient the LRDG used specially adapted vehicles and recruited only men of the right temperament and high levels of fitness and endurance Their work was often dangerous always taxing exhausting and

uncomfortable They were a new breed of soldier and the Axis never managed to field a similar unit Once the desert war was won they transferred their skills to the Mediterranean sector retraining as mountain guerrillas serving in the ill fated Dodecanese campaign then in strife torn Albania Yugoslavia and Greece fighting alongside the mercurial partisans In addition the LRDG worked alongside the fledgling SAS and established beyond all doubt the value of highly trained Special Forces a legacy which resonates today Genuinely gripping a tale of eccentrics and their high adventures during very dangerous times
