another possibly deranged near relative cast in the only nonspeaking part in this human drama Everyone else talks and talks And it s the dialogue in these novels that makes them three of Gifford best reminders of the author s seemingly unlimited range and versatility a comic tragic genius for our time Night People Arise for the copious raw violence for the invented religions and gods that make people do things and for all the other horrors that somehow cohabit affably with the genuine pathos and loveliness of the many unforgettable characters and the things these characters say so winningly that we ve never heard anyone say before **Hot Southern Nights** Gen Griffin, Trish Shallowman feels like her life has been put on pause She has an ex husband who doesn t understand the meaning of the word ex a career that tanked before she ever worked her first day and a car that breaks down on alternating Wednesdays When Trish s mother asks her to temporarily move to Possum Creek so she can take care of her ailing grandfather Trish figures that a change of scenery can t make her situation

in life any worse She wasn't expecting to spend most of her days trying to prevent her grandfather from shooting at the mailman or that her impossibly gorgeous neighbor would decide he wanted to be her first ever one night stand She definitely wasn't expecting that two months in Possum Creek would make her question whether the future she's spent so much time waiting for is really the future she wants
