My Tour of the Galaxy

By Grace Lee Whitney
With Jim Denney

Foreword by Leonard Nimoy

Longest Trek My Tour Of The Galaxy

**Leimar Garcia-Siino, Sabrina
Mittermeier, Stefan Rabitsch**

Longest Trek My Tour Of The Galaxy:

The Longest Trek Grace Lee Whitney, Jim Denney, 1998 She opened for jazz great Billie Holiday shared the set with Marilyn Monroe and flirted on screen with Jack Lemmon In her dream role Gene Roddenberry beamed her aboard the Starship Enterprise as Yeoman Janice Rand in the original Star Trek series But a terrifying sexual assault on the studio lot and her lifelong feelings of emptiness and isolation would soon combine to turn her starry dream into a nightmare Disco Frank DeCaro, 2024-10-15 This dazzling volume shines new light on the songs styles and enduring pop culture impact of the 1970s musical genre that emerged from Black and Latin queer culture to take the world by storm Half a century after the drug fueled DJ driven glamour drenched musical phenomenon of disco was born at a New York City loft party disco s musical and fashion influences live on in popular culture This is a frolicking entertaining yet serious tribute to the overlooked art form of disco which has never been given its proper due nor taken its true place in the historic struggle for LGBTQ gender and racial equality Painting a vivid portrait of this provocative era DeCaro explores the cultural importance of disco and how the music and dance that originated in queer Black and Latin clubs of the day became a mainstream phenomenon changing our culture along the way With glamorous photos from disco s heyday up through today DeCaro examines disco s pervasive influence on pop culture over the last fifty years exploring disco in film and television as well as in fashion and interior design Through entertaining texts as well as interviews with artists and celebrities of the era such as Donna Summer and Grace Jones among others this book champions the diverse origins of disco while celebrating its influence on today s groundbreaking artists such as Lady Gaga Dua Lipa and Miley Cyrus A must for all lovers of music style and pop culture

Star Trek FAQ Mark Clark, 2012-04-01 FAQ Star Trek FAQ tells the complete story of Star Trek from the before the beginning the books films and TV shows that inspired producer Gene Roddenberry to create Star Trek until after the end when the show emerged as a cultural phenomenon in syndication and including dramatic behind the scenes stories e g Leonard Nimoy s struggle with alcoholism and actress Grace Lee Whitney s controversial firing often omitted from authorized histories of the program Along with in depth looks at the pre and post Trek careers of the show s iconic leads Star Trek FAQ includes profiles of guest stars and redshirt extras alike as well as the many writers technicians and artisans whose efforts enabled Star Trek to take flight The book also explores the show s unprecedented resurgence in the 1970s with chapters devoted to early Star Trek fiction merchandising and the short lived animated series Combining a wealth of fascinating information about every facet of the show s production with original analysis of Star Trek s enduring appeal and cultural influence Star Trek FAQ goes where no Star Trek book has gone before **Star Trek: Open a Channel: A Woman's Trek** Nana Visitor, 2024-10-01 Nana Visitor Star Trek s Kira Nerys explores how the series has portrayed and influenced women Interviews with the stars writers producers and celebrity fans reveal the struggles and triumphs of women both behind and in front of the camera throughout the sixty year history of Star Trek and how they have mirrored the

experiences of women everywhere Nana Visitor Star Trek Deep Space Nine's Kira Nerys explores how the series has portrayed and influenced women Interviews with the stars writers producers and audience members from all walks of life including a politician and an astronaut highlight the struggles and triumphs of women both behind and in front of the camera throughout the sixty year history of Star Trek and how they have mirrored the experiences of women everywhere The groundbreaking casting of Nichelle Nichols as Lt Uhura in 1966 was a paradigm shift for women and people of color Pioneering is no picnic and she planned to leave the show until none other than the Reverend Martin Luther King Jr contextualized her appearance in people's living rooms across America as a way for people of color to know they were indeed an important part of the future Since then each Star Trek show has both reflected the values of its time and imagined a future of equality In her first book Open a Channel A Woman's Trek Nana Visitor sets out to discover both how Star Trek led the way for women and how each show was trapped in its own era For Visitor this is more than a book about Star Trek It's also about how society and the stories we tell have evolved in the last sixty years and how the role of women has changed in that time

STAR AUTHOR Written by Star Trek Deep Space Nine actor Nana Visitor famous for playing Major Kira Nerys This is both her story and her journey through the stories of other women involved with Star Trek from the 1960s to the 21st century

EXCLUSIVE INTERVIEWS Features interviews with more than a dozen women who starred in Star Trek including Kate Mulgrew Sonequa Martin Green Terry Farrell Gates McFadden Denise Crosby Tawny Newsome and Jess Bush

INSPIRING STORIES Explore how Star Trek has influenced women in the real world including soldiers scientists and even astronauts For the book author Nana Visitor visited ESA HQ and interviewed astronaut Samantha Cristoforetti while she was in orbit around Earth on the International Space Station

PIONEERING SERIES Following the humanistic tenets of creator Gene Roddenberry Star Trek throughout the decades led the way in promoting diversity Youths who grew up with Captain Janeway on Star Trek Voyager for example not only learned to accept a woman as a leader but were also able to expand what they could imagine for themselves The book makes clear how important storytelling is and how the storytelling of Star Trek has had a profound effect on its audience

Star Trek Duncan Barrett, Michèle Barrett, 2016-08-05 In a world shrunk by modern transport and communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human This book charts the developing Star Trek story from the 1960s through to the present day Although the core values and progressive politics of the series earliest episodes have remained at the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition

of Star Trek The Human Frontier published to coincide with Star Trek's golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don't know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable cultural phenomenon **The Routledge Handbook of Star Trek** Leimar Garcia-Siino, Sabrina

Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies

Fighting for the Future Sabrina Mittermeier, Mareike Spsychala, 2020 This volume on Star Trek Discovery brings together eighteen essays and one interview from a variety of disciplines including cultural and media studies literary studies history and political science The essays examine the narratives and production history of the new series while situating it within the larger Star Trek franchise **15 Secrets to a Wonderful Life** Michael Youssef, 2008-03-14 Dr Youssef shares the plan and process for living a positive life He takes points from each of the fifteen chapters and casts them into easily understood modern contexts to show how it's not what we think or say to ourselves that makes us positive it's what we allow to become part of us **Across the Great Divide** Wayne Karol, 2004 Praise for Wayne Karol's The Sixties as Science Fiction

An Appreciation of Paul Kantner Easily the best thing I've ever seen written on him and his music and what it all means Jeff Tamarkin author of Got A Revolution The Turbulent Flight of Jefferson Airplane One of the finest pieces of writing about music and society that it's been my pleasure to read Bill Parry co editor Holding Together The Sixties were such a long time ago why can't America seem to stop re-fighting the battles we fought then Why are we still so bitterly divided Why does so much of what's happening now seem like weird repetitions of the past from the Monica Lewinsky scandal and Watergate to Iraq and Vietnam In Across the Great Divide Wayne Karol offers an original and insightful perspective on how we ended up in this mess and what we might be able to do about it It's his duty as a baby boomer to hope that it will change the world *To Boldly Go* Nadine Farghaly, Simon Bacon, 2017-06-22 In 2016 Star Trek arguably the most popular science fiction franchise of all time turned 50 During that time the original series and its various offshoots have created some of the genre's most iconic characters and reiterated a vision of an egalitarian future where humans no longer discriminate against race gender or sexuality This collection of new essays provides a timely study of how well Star Trek has lived up to its own ideals of inclusivity and equality and how well prepared it is to boldly go with everyone into the next half century **From Sawdust**

to Stardust Terry Lee Rioux, 2005-02-28 In the forty year history of Star Trek none of the television show s actors are more beloved than DeForest Kelley His portrayal of Leonard Bones McCoy the southern physician aboard the Starship Enterprise brought an unaffected humanity to the groundbreaking space frontier series Jackson DeForest Kelley came of age in Depression era Georgia He was raised on the sawdust trail a preacher s kid steeped in his father s literal faith and judgment But De s natural artistic gifts called him to a different way and a visit to California at seventeen showed a bright new world Theater and radio defined his early career but it was a World War II training film he made while serving in the Army Air Corps that led to his first Paramount Studios contract After years of struggle his lean weathered look became well known in notable westerns and television programs such as You Are There and Bonanza But his work on several pilots for writer producer Gene Roddenberry changed his destiny and the course of cultural history This thoroughly researched actor s life is about hard work and luck loyalty and love It is a journey that takes us all from sawdust to stardust **Led by the**

Carpenter D. James Kennedy, 2008-11-13 Christians know that we are to walk the walk that Christ walked making everyday decisions as God would have us do The recent popularity of the WWJD Movement highlights this desire Yet few Christians take the time to explore God s Will in every aspect of their lives and set goals that reflect a biblical approach to everyday life D James Kennedy uses biblical principles forged in his own life and in the life of the church to highlight practical ways for believers to go deeper in their spiritual walk and set long term goals according to God s Will Readers will learn to partner with Christ and set goals that will affect the way they interact with family friends church community colleagues and their environment The Impossible Has Happened

Lance Parkin, 2016-07-19 A biographer goes in search of Gene Roddenberry creator of the world s most successful science fiction franchise This book reveals how an undistinguished writer of cop shows set out to produce Hornblower in space and ended up with Star Trek an optimistic almost utopian view of humanity s future that has been watched and loved by hundreds of millions of people around the world Along the way Lance Parkin examines some of the great myths and turning points in the franchise s history and Roddenberry s particular contribution to them He looks at the view that the early Star Trek advanced a liberal egalitarian and multi racial agenda charts the various attempts to resuscitate the show during its wilderness years in the 1970s explores Roddenberry s initial early involvement in the movies and spin off Star Trek The Next Generation as well as his later estrangement from both and sheds light on the colorful personal life self mythologizing and strange beliefs of a man who nonetheless gifted popular culture one if its most enduring narratives **Joan Davis**

David C. Tucker, 2014-04-07 The Emmy nominated star of the classic 1950s sitcom I Married Joan Joan Davis 1912 1961 was also radio s highest paid comedienne in the 1940s and she displayed her unique brand of knockabout comedy in more than forty films This book provides a complete account of her career including a filmography with critical commentary and the most detailed episode logs ever compiled for her radio and television programs A biographical chapter offers never before published information about her family background marriage to vaudeville

comedian Si Wills and relationships with other men and her tragic early death

The Alcoholism Handbook Greg Robinson, 2017-10-13 If alcohol is causing you problems then alcohol is the problem This book is a comprehensive volume on alcoholism and its causes prevention treatment recovery and long term maintenance of the disease for the alcoholic who still suffers and his or her family The Alcoholism Handbook provides you with the tools needed a step by step process for treatment recovery and a positive living lifestyle change that will heal alcoholics and their families There are only two requirements to stop drinking willingness to learn something new and a desire to stop drinking If an alcoholic possesses willingness and desire then by the grace of God a miracle can be achieved Most every alcoholic can become one of those miracles if he or she wants to This book is written for the alcoholic who still suffers The Alcoholism Handbook gives you an overview of alcohol addiction and covers alcoholism in the family and at the workplace It provides testimonials and case histories of the incomprehensible demoralization of the disease The charts provided for nutrition and vitamin supplements can be referenced in the path back to health from the disease Lastly The Alcoholism Handbook provides a step by step process to achieve a positive living lifestyle change for the alcoholic and his or her family The Alcoholism Handbook is also written for all professionals the legal profession medical personnel law enforcement judges social workers psychologists treatment centers counselors clergy physicians and anyone indirectly affected by the consequences of alcohol It is also written for family members who are directly affected by alcohols consequences

The Real James Dean Peter L. Winkler, George Stevens, 2016-08-01 In the decades following his death many of those who knew James Dean best actors directors friends lovers both men and women photographers and Hollywood columnists shared stories of their first person experiences with him in interviews and in the articles and autobiographies they wrote Their recollections of Dean became lost in fragile back issues of movie magazines and newspapers and in out of print books that are extremely hard to find Until now *The Real James Dean* is the first book of its kind a rich collection spanning six decades of writing in which many of the people whose lives were touched by Dean recall their indelible experiences with him in their own words Here are the memorable personal accounts of Dean from his high school and college drama teachers the girl he almost married costars like Rock Hudson Natalie Wood Jim Backus and Raymond Massey directors Elia Kazan Nicholas Ray and George Stevens entertainer Eartha Kitt gossip queen Hedda Hopper the passenger who accompanied Dean on his final fatal road trip and a

host of his other friends and colleagues **Merpeople** Vaughn Scribner,2024-11-12 A wide ranging beautifully illustrated history of mermaids and mermen from the classics to cosplay People have been fascinated by merpeople and merfolk since ancient times From the sirens of Homer s Odyssey to Hans Christian Andersen s The Little Mermaid and the film Splash myths stories and legends of half human half fish creatures abound In modern times mermaiding has gained popularity among cosplayers throughout the world In Merpeople A Human History Vaughn Scribner traces the long history of mermaids and mermen taking in a wide variety of sources and using 117 striking images From film to philosophy church halls to coffee houses ancient myth to modern science Scribner shows that mermaids and tritons are and always have been everywhere

What Are You Living For? Pat Williams,Jim Denney,2009-03-02 After speaking on teaching and influencing young people at a student gathering in Texas Pat Williams received an email from a high school coach who had heard his talk Coach McCall s email stated that every kid who s growing up is dying to live his life But as people get older instead of dying to life they start living to die His closing thought is What are you dying for Unable to escape this question author and professional sports veteran Pat Williams invites readers to ask When my days on earth are over will I discover that I have wasted my life on meaningless things that have no lasting and eternal value Most people are living for four things fortune status power or pleasure Just as there are four false reasons for living our lives there are four true meaningful and satisfying reasons for living and for dying These give purpose and value to our lives so that we can know our lives have eternal significance If you died tomorrow what would people say Jesus statement in answer is Whoever wants to save his life will lose it but whoever loses his life for me and for the gospel will save it Starting here Pat gives a powerful practical and encouraging plan for how to live a life that truly matters and to leave a legacy that never dies The Fast-track Course on how to Write a Nonfiction Book Proposal Stephen Blake Mettee,2002 The hard cold fact about getting a book published is that without something close to divine intervention an author is going to have to write a sales piece called a book proposal that will attract the attention of an editor or an agent In fact at most publishers this sales piece is going to have to hold up under the scrutiny of a committee made up of a bevy of editors and a pod of sales and marketing people With The Fast Track Course on How to Write a Nonfiction Book Proposal Mettee a seasoned book editor and publisher cuts to the chase and provides simple detailed instruction that allows anyone to write a professional book proposal and hear an editor say Yes According to Mettee the first rule is Do no harm Too many authors don t pay enough attention to the small things like spelling and grammar and manuscript format that are needed to make their book proposals appear professional They may have a great idea for a book and be eminently qualified to write it but they schmuck it up with slovenly disregard for the easy stuff The last rule is Be persistent If you quit after your first rejection slip or after the thirteenth or the thirtieth you ll never get published Many books that are rejected scores of times go on to be best sellers You re not defeated until you give up

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **Longest Trek My Tour Of The Galaxy** .
