**Specialised Dictionaries for Learners** Pedro A. Fuertes-Olivera, 2010-03-26 The need for constructing a lexicographical theory with a particular focus on specialised dictionaries for learners is well documented in recent publications This will imply paying attention to at least four basic lexicographic categories learners the learner's situation the learner's needs dictionary assistance In one or other way these categories are analysed in this book whose eleven chapters are grouped into three parts Part 1 reflects on some of the main ideas defended by the function theory of lexicography perhaps the theoretical framework that has paid more attention to specialised lexicography Part 2 presents some proposals that have already been explored in the field of general learner's dictionary and must be incorporated into specialised metalexicography cultural aspects figurative meaning the inclusion of grammatical information the use of corpora Part 3 introduces the state of play regarding specialised dictionaries in China and offers some ideas for coping with the proliferation of terminological glossaries in Internet The book also describes Enrique Alcaraz's academic achievements together with some personal anecdotes and a personal short tribute to his memory

Aspects of Meaning Construction Günter Radden, Klaus-Michael Köpcke, Thomas Berg, Peter Siemund, 2007-04-11 Meaning does not reside in linguistic units but is constructed in the minds of the language users Meaning construction is an on line mental activity whereby speech participants create meanings on the basis of underspecified linguistic units The construction of meaning is guided by cognitive principles The contributions collected in the volume focus on two types of

cognitive principles guiding meaning construction meaning construction by means of metonymy and metaphor and meaning construction by means of mental spaces and conceptual blending The papers in the former group survey experiential evidence of figurative meaning construction and discuss high level metaphor and metonymy the role of metonymy in discourse the chaining of metonymies metonymy as an alternative to coercion and metaphonymic meanings of proper names The papers in the latter group address the issues of meaning construction prompted by personal pronouns relative clauses inferential constructions sort of expressions questions and the into causative construction **Longman Dictionary of American English** Longman Staff,2002-07-01
