Headlam,1908 **The Tastemakers** Diana Davis,2020-07-07 An examination of the development role and influence of the British decorative art dealers who invented an Anglo Gallic style for elite interiors In this volume Diana Davis demonstrates how London dealers invented a new and visually splendid decorative style that combined the contrasting tastes of two nations Departing from the conventional narrative that depicts dealers as purveyors of antiquarianism Davis repositions them as innovators who were key to transforming old art objects from ancien régime France into cherished antiques and equally as creators of new and modified French inspired furniture bronze work and porcelain The resulting old new and reconfigured objects merged aristocratic French eighteenth century taste with nineteenth century British preference and they were prized by collectors who displayed them side by side in palatial interiors of the period *The Tastemakers* analyzes dealer made furnishings from the nineteenth century patron's perspective and in the context of the interiors for which they were created contending that early dealers deliberately formulated a new aesthetic with its own objects language and value Davis examines a wide variety of documents to piece together the shadowy world of these dealers who emerge center stage as traders makers and tastemakers City Documents Boston (Mass.). City Council,1919 *Memory and the Archival Turn in Caribbean Literature and Culture* Marta Fernández Campa,2023-04-15 This book discusses an archival turn in the work of contemporary Caribbean writers and visual artists across linguistic locations and whose work engages critically with various historical narratives and colonial and postcolonial records This refiguration opens a critical space and retells stories and histories previously occluded in by those records and in spaces of the public sphere Through poetics and aesthetics of fragmentation largely influenced by music and popular culture their

work encourages contrapuntal ways of re thinking histories ways that interrogate the influence of colonial narratives in processes of silencing but also centre the knowledge found in oral histories and other forms of artistic archives outside official repositories Discussing literature and selected artwork by artists from Britain Cuba the Dominican Republic Haiti Puerto Rico and Trinidad and Tobago Memory and the Archival Turn in Caribbean Literature and Culture demonstrates the historiographical significance of artistic and cultural production Scotland Yard's History of Crime in 100 Objects Alan Moss, Keith Skinner, 2015-10-05 Explore Britain s dark criminal history through the fascinating objects that have been hidden away in the Crime Museum at Scotland Yard a collection that although world famous is so sensitive it is not open to public view Each object tells its own story the briefcase with a concealed syringe owned by the notorious Kray twins the gun Ruth Ellis used to murder her lover David Blakely a burnt out computer from the Glasgow airport car bomb a picture from the property of Dennis Nilsen of the grisly drain that was blocked with human body parts and the gun that Edward Oxford fired at Queen Victoria that failed to assassinate her Updated to feature new objects that have entered the collection since 2015 Scotland Yard s History of Crime in 100 Objects is an absorbing sometimes shocking and often disturbing journey through criminal history Peer within to experience a unique insight into the crimes and criminals dealt with by Scotland Yard

Longman's Magazine Charles James Longman, 1895 **Collaborative Electronic Resource Management** Joan E. Conger, 2004-11-30 Electronic resource management is becoming a primary responsibility of library managers This book approaches electronic resource management as a system affecting all library work linking it to concepts of collaborative management and the assessment cycle The author demonstrates how collection development acquisitions licensing budgeting and cataloging techniques technological infrastructure and user services for electronic resources fit into the new collaborative management that relies on learning more than control to respond to change The techniques presented for managing electronic resources improves the library s service value through relationships between library professionals and with library customers Engaging the librarian in a cycle of constant learning and assessment the approach ultimately makes work lighter relationships with colleagues and customers more productive and library services more relevant to community needs **Notes and Queries** , 1894 **Notes and Queries: a Medium of Inter-communication for Literary Men, Artists, Antiquaries, Genealogists, Etc** , 1895 **National Union Catalog of Manuscript Collections** Library of Congress, Library of Congress. Descriptive Cataloging Division, Library of Congress. Manuscripts Section, 1993 Based on reports from American repositories of manuscripts **The Art of Betrayal** Gordon Corera, 2013-01-08 A wide ranging thought provoking and highly readable history of Britain s postwar Secret Intelligence Service popularly known as MI6 The Wall Street Journal From Berlin to the Congo from Moscow to the back streets of London these are the true stories of the agents on the front lines of British intelligence And the truth is sometimes more remarkable than the spy novels of Ian Fleming or John le Carr Gordon Corera provides a unique and unprecedented insight into this secret world and the reality

that lies behind the fiction He tells the story of how the secret service has changed since the end of the World War II and by focusing on the real people and the relationships that lie at the heart of espionage illustrates the danger the drama the intrigue and the moral ambiguities that come with working for British intelligence From the defining period of the early Cold War through modern day MI6 has undergone a dramatic transformation from a gung ho amateurish organization to its modern no less controversial incarnation And some of the individuals featured here in turn helped shape the course of those events Corera draws on the first hand accounts of those who have spied lied and in some cases nearly died in service of the state They range from the spymasters to the agents they controlled to their sworn enemies and the result is a fast paced examination that ranges from the covert diplomacy of the Cold War to recent security concerns in Afghanistan and the Middle East The Times London *The Making of a Spy* Raymond Edward Palmer, 1977 **The Routledge Guide to British Political Archives** Chris Cook, 2012-10-02 This major new reference work provides an authoritative and wide ranging guide to archive sources now becoming available for British political history since 1945 With a user friendly layout the book presents a comprehensive range of 1 500 personal papers from leading statesmen backbench politicians writers campaigners diplomats and generals which cover the key aspects of British history since the end of the Second World War Compiled by an experienced archivist this comprehensive easy to use and authoritative guide is an invaluable resource for researchers of modern British history
