Gallo, 2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child's They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That's fine but we forget about the growth of the child and their characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it's so we can see who God sees God doesn't see us as we see each other as adults in arrogance God doesn't care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let's look deeper into a child's life and how it relates to God's foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Matthew Jesus clearly states unless you're like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with God's standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom Still Searching for Oz John A. Murray, 2015-08-18 So what is this book about At its core

its a poetry and art book But in retrospect its so much more Growing up in the 80s I was influenced by two things art and music Combine those two things with a personal reflection on the times and what was going on in the world when I wrote each piece and you will get a hint of what you will find within the pages of this book The writing of this book brought me from a high school student to a college student to a Soldier in Desert Storm to 9/11 to deployments to Iraq and Afghanistan and everywhere in between I hope that you enjoy reading this as much as I enjoyed writing it I learned a lot about myself during

this entire process and happened to relive some good and bad times in my life If nothing else comes of this thats enough Intriguing huh
