end you'll not only have a thorough understanding of responsive web design and what's possible with the latest HTML5 and CSS but also know how to best implement each technique. What you will learn: Leverage color functions to mix colors and convert between color spaces. Use media and container queries to detect touch, mouse, and color preference. Leverage HTML semantics to author accessible markup. Use SVGs to provide resolution-independent images and learn to efficiently display them. Create animations as items enter and leave the viewport using just CSS. Discover CSS custom properties and make use of new CSS functions. Add validation and interface elements to HTML forms. Check whether the frontend code produced by AI tools is effective for your goals. Who this book is for: Are you a full stack or backend developer who needs to improve their front-end skills? Perhaps you work on the frontend and need a definitive overview of all that modern HTML and CSS has to offer. Maybe you have done a little website building but you need a deep understanding of responsive web designs and how to achieve them. Perhaps you are using AI tools to produce code and want to check the output. If any of those scenarios sound familiar, this is the book for you. All you need to take advantage of this book is a working understanding of HTML and CSS. No JavaScript knowledge is needed.

Genesis Search Barry E Woodham, 2012-08-25 In the fourth book in the epic science fiction saga The Genesis Project, the time-travelling world-crossing journey of human civilisation continues following the end of their brutal war against a host of alien foes. With the contact of new species, the alliance formed originally by humans and the highly evolved Gnathe is strengthening and expanding. The Council of Worlds ensures the protection of all sentient beings and the great wars fought between species become a distant memory. Peace reigns. But it cannot last. A new threat appears when the Andromeda galaxy appears to be rapidly speeding towards them, and a destructive collision of worlds seems imminent. It soon becomes clear that an unknown force, known as the Harvester, has something to do with it. It becomes the duty of Kamiel 637 to find the cause of this strange phenomenon and stop it fast. Using incredible technology and armed with great knowledge, Kamiel 637 is forced to go back through time and space to alter the very course of the universe.

Demon Bloodline April Beaver, 2010-06-15 As a normal life goes, everyone wants more, more attention, more power, more parties, and even more action. But as for Saya, she just wants less. Saya finds herself getting more of everything but not in any of the good ways. Her friends stand beside her, but that makes her enemies even greater. The truth of Saya's identity is revealed, and her past has come to haunt her. Her only way out is to accept herself and fight the unimaginable demons and their slaves. Saya's life is turned inside out as she tries to save her friends and loved ones. But sometimes you don't get what you have been wanting.
