Animals That Make Me Say Look Out! (National Wildlife Federation) Dawn Cusick, 2016-08-23 Hey Look out Sharp eyed readers will need to keep their eyes peeled in this engaging look at how animals of all shapes and sizes blend in and survive in their native ecosystems How do animals deal with danger From crocodiles standing on their tails to great white sharks with their jaws wide open to well camouflaged venomous snakes prospective naturalists and conservationists will have a lot to look out for in this exploration of dynamic ecosystems and the animals that hide and hunt in them Back matter includes glossary curated reading list and a scavenger hunt Under the Tiger's Claws; Or, A Struggle for the Right Nicholas Carter, 2022-07-21 In Under the Tiger's Claws Nick Carter must help a prominent banker search for missing bank funds summing up to 90 000 Even worse a trusted bank clerk has gone missing You will be thrilled to find out what happens next **Fur Trade Review Weekly**, 1901 **Tiger-shooting in India** William Rice, 1857 *A Tiger's Skin* William Wyndham Jacobs, 2018-07-22 **Tigers In Red Weather** Ruth Padel, 2009-05-26 Poet writer and descendant of Charles Darwin Ruth Padel set out to visit a tropical jungle and wildlife sanctuary in India and her visit turned into a remarkable two year journey through eleven countries in search of that most elusive and most beautiful animal the tiger Armed with her grandmother's opera glasses and Tunisian running shoes she set off across Asia to ask the question can the tiger be saved from extinction in the wild Tigers are an umbrella species they need everything in the forest to work in tandem they eat deer the deer need vegetation the vegetation has to be pollinated by birds mammals rodents and butterflies If you save the tiger you save everything else Today the 5 000 tigers that still survive in the wild live only in Asia and are scattered throughout 14 countries Padel says that while tigers will never become extinct they are too popular for that they may disappear from the wild There are as many tigers in cages in the US as there are surviving tigers in the wild As she travels she meets the defenders of the wild the heroic scientists forest guards and conservationists at the frontline fighting to save tigers and their forests from destruction in the places where poverty threatens to wipe out all wildlife She also examines her fascination both as a poet and as the great great granddaughter of Charles Darwin with nature wildness and survival and in the end becomes a knowledgeable advocate for the tiger The result is a beautiful blend of natural history travel literature and memoir and a searing intimate portrait of an animal we have loved and feared almost to extinction Tease Immodesty Blaize, 2009-08-28 Tiger Starr has risen from nothing to become burlesque's most sensational showgirl She's bewitched an adoring public and media with her old school Hollywood glamour hourglass curves and wickedly sexy stage shows Tiger's life is a whirlwind of glamour diamonds celebrity parties and more than her fair share of suitors She seems to finally have it all But though she may have the talents to bring any man or woman to their knees Tiger never lets her friends or lovers get too close Only now she's finally ready to take a chance on love But beneath all the glitz and the feathers she's hiding more than her modesty As she prepares for the most important show of her life it seems somebody is intent on exposing the dark secrets of her carefully

guarded past Unfortunately there s more than one likely candidate Is it one of Tiger s discarded lovers A rival showgirl Or even her jealous sister As her world starts to unravel Tiger will have to fight for survival by delivering the performance of her life Irresistible The Times An Indian Englishman Jack Gibson,Brij Sharma,2008-08-15 John Travers Mends Jack Gibson was born on March 3 1908 and died on October 23 1994 at the age of 86 In some ways Jack was the last Indian Englishman He came ten years before independence and stayed on 47 years after it rendering dedicated service to the country of his adoption for 57 years Jack s journey started as a school teacher at The Doon School He was the last English Principal of Mayo College and the last English President of the Himalayan Club He was the last and for most of the time the only English resident of Ajmer He must have been just about the last Englishman to have been honored by both the British and Indian Governments Brij Sharma is a journalist based in Bahrain He spent much of his childhood and youth in Dehra Dun and while not a product of The Doon School he has known its campus the surroundings of the city and much of the mountainous terrain described in Gibson s letters [http www.jtmgibson.com](http://www.jtmgibson.com) **The Tiger's Den** T. Jack Lewis,2013-08-29 This story is not about Japan It is about all people It is about tragedy and fear It is about courage It is about love and it is about growth It is about doing the right thing It is written in English but the setting is Western Manchuria early in World War II The pilots of the Japanese forces are facing their first combat against top notch Russian pilots They apply their training but find that actual combat is not what the books described They find comfort in the arms of the women that provide relief for a price Manchuria Mongolia Russia Japan Buddhism Christianity Islam Occupation Oppression The Worlds Oldest Profession Sympathy and Humanity Add them all together and you get A compelling story of a young man thrown into a stark reality He must grow quickly and learn the hard way From the fear and danger to The Tigers Den Once a Week Eneas Sweetland Dallas,1869

The Boy with the Tiger's Heart Linda Coggin,2014-08-28 The call of the wild is powerfully realised in this thrillingly evocative modern day fable A girl raised in the wild a desperate race for freedom and a boy with a fiercely guarded secret When Nona s guardian kills himself she is immediately suspected of murdering him In a world where nature and darkness are feared where wild animals are held captive and cities are illuminated by permanent light who will believe her innocence Nona must flee with her only friend a bear who is strangely human In their desperate attempt to escape capture Nona and her bear encounter two strange boys Caius and Jay Together the four of them will hide and fight and make the deadliest of enemies in their desperate race to a forbidden place called The Edge where nature is unrestrained where there is light and shade forest and mountain and where there are no shackles or boundaries A poetic haunting and unforgettable modern fable about nature society and what it is that makes us human **The Freemason's Chronicle** ,1883 **Tiger's Realm** Kevin Grubbe,2008-09 *The Tiger's Revenge* Evan Morris,2025-08-28 Since the end of the Second World War the audacious Operation Jaywick has remained little known amongst the public or military in the United Kingdom It was an incredible endeavour executed by British and Australian service personnel The deepest surface waterborne penetration behind enemy

occupied lines undertaken by special forces of WW2 This hand picked band of men would achieve what some thought to be impossible a major strike at the very heart of the Japanese in their newly acquired Empire in South East Asia This story ranks and deserves the same acknowledgement as exploits such as the Dambusters or the Cockleshell Heroes In the words of British Generals and US Admirals and Commanders it achieved what everyone thought was impossible without loss and with the minimum expenditure of resources A terrible twist in the tale is that by not using the success of the mission as a propaganda victory as had been intended by Jaywick s commanders a terrible price was paid by local Singaporeans who were scapegoated by the Japanese Secret Police This is perhaps the reason that Operation Jaywick was never hailed with the success it truly deserved The highly effective delivery of Operation Jaywick gave a green light to an even more ambitious endeavour from which no British or Australian personnel would survive many being executed beheaded by their Japanese captors The Tiger s Revenge is the story told by the son of a special forces crew member who was the only post WW2 British survivor of Operation Jaywick
