Look And Explore Ready Set Go:

Ready, Set, Go! Pamela Greenbaum, Dr. Robert Wolf, 2021-09-24 Ready Set Go is the first book to expand on Abraham Maslow's Primary Needs. This book presents the seventeen Primary Needs each person has six to nine of them from the earliest stages of life and tackles how to get them filled. These needs include being valued, being visible, being secure, being independent, plus thirteen more. This book also describes how most people spend their lives being filled with Pseudo Fillers such as vacations, dining, social media, shopping, and so on. Only by discovering our Primary Needs can we live peaceful, rewarding, and satisfying lives and create New Beginnings resulting in a happy, healthy, and fulfilled life. *Ready, Set, Go!*

Sandra Rasmussen, 2015-02-10 This book is for people in recovery. We ask and answer basic questions about addiction, relapse, and recovery. We believe addiction is a primary chronic disease of brain reward, motivation, memory, and related circuitry, characterized by craving, loss of control, physical dependence, and tolerance. Genetics, together with bio, psycho, social, spiritual factors, account for the likelihood a person will develop an addiction or related disorder. Relapse happens: a return to drinking, using other addictive behavior, or an increase in harm from addiction. Yet recovery is an idea whose time has come. Recovery is a different, better way of life with purpose and meaning. We suggest addiction management as a way recovering people can maintain change, abstinence, or harm reduction, reduce risks for relapse, prevent relapse, develop a recovery lifestyle, confront relapse when necessary, and achieve well-being. Current research, recognized theories, and the lived experiences of hundreds of people in recovery ground and guide book content. The book has three parts and fifteen chapters. A person in recovery introduces each chapter. We show how to develop, implement, and evaluate addiction management plans. Each chapter ends with summary statements and addiction management applications. References and a list of websites complete the book. Family and friends of recovering people will find the material useful. Addiction professionals can use the book to help clients realize recovery and prevent relapse. Are you ready? Get set Go! Start with Amen Beth Guckenberger, 2017-05-09 One power packed word amen Millions of Christians all over the world say this word every day Yet few realize what richness depth truth and connection are packed into this sacred phrase Throughout the centuries Christian tradition has taught us to end prayers with amen But the Bible is full of stories and passages where God's people started their prayers with amen Why As Beth Guckenberger shows amen is more than just a way to punctuate a conversation with the God of the Universe Amen is a declaration of who God is and who we are in relation to him It is a moment of submission and worship saying So be it to a Sovereignty that holds all things and acknowledging It is as you say to him who holds our lives In *Amen* Beth unpacks all the Bible has to teach us about the moment we say amen to God Using key scripture passages mixed with fresh teaching and personal stories she invites readers to experience the richness they've been missing Amen is more than just a word Amen is a full invitation from God packed with all that he requires from us and all he longs to bestow upon us as his beloved children As Beth writes He is beckoning us all Come to me Learn my ways You are my child whom I dearly love and bought with a price The God of Amen rescued you so you can echo amen back to him God intended this word to be a moment of intimacy drenched in reverence replete with peace the moment when you rest in him and are rejuvenated by him There is so much more he wants to give Amen If Christians long to be truly connected to their Creator they must begin with amen For as Isaiah 65:16 says Because he who is blessed in the earth will be blessed by the God of Amen
