Paul Sills' Story Theater Paul Sills,2000-02-01 The creator of Story Theater the original director of Second City and one of the greatest popularizers of improvisational theater Paul Sills has assembled some of his favorite adaptations from world literature Includes *The Blue Light* and *Other Stories* A Christmas Carol Dickens *Stories of God* Rumi Shades of the Lingerin Sonya Pritchard,2022-08-23 When she was a little girl Nadia King spent summers with her Gram Marie in a house filled with drafts and unexplained shadows It was her grandmother who gave Nadia her first journal at age seven as a safe place to write her ghost stories Although Gram Marie believed Nadia was destined to be a writer her life has taken a different path While ignoring her obvious connections with the supernatural Nadia pursues a career in science instead As she meets a cast of interesting characters her scientific mind begins to question the things she used to see in Gram Marie s house

as a child and what she continues to see as an adult Nadia soon realizes that these events may be more than just her imagination and that life has been leading her to the research institute Amulet all along But when she and her team identify a mysterious new brain cell they set into motion a chain of events with the potential to forever change the world s perspective on ghosts the afterlife and reality In this psychological thriller a scientist and her team make a shocking discovery that intertwines the supernatural with the logical and dreams with the truth Cease to Blush Billie Livingston,2010-01-11 Billie Livingston s second novel leads us to consider the nature of our hidden lives and desires and to question whether the sky would really fall if we admitted our true needs and ceased to blush As *Cease to Blush* opens Vivian is late to her own mother s funeral Wearing a tight red suit Vivian stands out like a pornographer s dream amongst the West Coast intellectuals mourning the death of prominent feminist Josie Callwood But for all of her bravado Vivian finds herself emotionally numb and spiraling downward Vivian and her mother were in constant conflict with Josie disapproving of her daughter s lifestyle her inclination to use her body instead of her brain and her so called acting career which has amounted to little more than playing prostitutes and the odd dead body For her part Vivian has been invested in antagonizing her mother s feminist ideology As the story opens Vivian s career as well as her relationship with boyfriend Frank is taking an unsavoury turn as she wades into the quick cash scheme of Internet porn with herself cast in the lead But Josie has left a big surprise for her troubled daughter a trunk full of mementoes from her own past all of which point to a secret life more exotic than anything Vivian has been able to pull off Puzzling together bits and pieces Vivian learns that her mother was at one time a burlesque performer named Celia Dare who rubbed shoulders with the flashiest celebrities of the sixties Vivian becomes determined to uncover the true story of her mother s life Chasing rumours Vivian sets off down the Pacific coast and soon finds out that truth is a slippery snake With only a few of her mother s letters some guarded anecdotes from Josie s former confidant and a slew of books about the sixties Vivian begins to re create her mother s life placing her at the heart of some of the biggest events and scenes of the era From the protests and beat coffeehouses of Haight Ashbury to the frenzied nightlife of Rat Pack Vegas from the political soir es of New York to mob meetings in glitzy Miami hotels Celia Dare saw and did it all Yet the glamour hid an ugly underbelly and as Vivian peels away the layers of the past she begins to uncover her own emotional truths as well *Cease to Blush* drives the bumpy road from the burlesque stages of Rat Pack Vegas to the bedroom Internet porn business exploring just how far women have really come In Vivian Livingston has created the perfect character through which to explore what it means to be an independent woman today with Celia Josie it s clear that things weren t so cut and dry in her day either Though Celia s story is told vividly here its accuracy is impossible to gauge and the ghosts are not talking But maybe this is Celia s gift to Vivian the ability of the past not only to illuminate the future but to re imagine it
