Shakespeare's Pub Pete Brown, 2025-09-23 A history of Britain told through the story of one very special pub from The Beer Drinker s Bill Bryson Times Literary Supplement Welcome to the George Inn near London Bridge a cosy wood paneled galleried coaching house a few minutes walk from the Thames Grab yourself a pint listen to the chatter of the locals and lean back resting your head against the wall And then consider this who else has rested their head against that wall over the last six hundred years Chaucer and his fellow pilgrims almost certainly drank in the George on their way out of London to Canterbury It s fair to say that Shakespeare popped in from the nearby Globe for a pint and we know that Dickens certainly did Mail carriers changed their horses here before heading to all four corners of Britain while sailors drank here before visiting all four corners of the world The pub as Pete Brown points out is the primordial cell of British life and in the George he has found the perfect example All life is here from murderers highwaymen and ladies of the night to gossiping peddlers and hard working clerks So sit back with Shakespeare s Pub and watch as buildings rise and fall over the centuries and the beer drinker s Bill Bryson UK s Times Literary Supplement takes us on an entertaining tour through six centuries of history through the stories of everyone that ever drank in one pub
