Looking Good Male Body Image In Modern America

Christopher A. Faircloth

Looking Good Male Body Image In Modern America:

Looking Good Lynne Luciano, 2002-01-09 Men once dreaded being accused of vanity but now they are spending millions on fitness training bodybuilding hair replacement and cosmetic surgery in the relentless pursuit of physical perfection In this lively examination Luciano explores what this new world reveals about American society today *Looking Good* Lynne Luciano, 2002-01 Men once dreaded being accused of vanity but now they are spending millions on fitness training bodybuilding hair replacement and cosmetic surgery in the relentless pursuit of physical perfection In this lively examination Luciano explores what this new world reveals about American society today *The Emergence of Man Into the 21st Century* Patricia L. Munhall, Ed Madden, Virginia Macken Fitzsimons, 2002 This work offers writings on men's experiences as boys fathers and sons and reflections on relationships gender sexuality race violence loss careers health and the search for meaning The authors who contributed to this work speak to us in a frank and poignant way about the male experience helping us embrace our differences question out presuppositions and understand the diverse meanings of our experiences

Encyclopedia of Body Image and Human Appearance, 2012-04-11 This scholarly work is the most comprehensive existing resource on human physical appearance how people's outer physical characteristics and their inner perceptions and attitudes about their own appearance body image affect their lives The encyclopedia's 117 full length chapters are composed and edited by the world's experts from a range of disciplines social behavioral and biomedical sciences The extensive topical coverage in this valuable reference work includes 1 Important theories perspectives and concepts for understanding body image and appearance 2 Scientific measurement of body image and physical attributes anthropometry 3 The development and determinants of human appearance and body image over the lifespan 4 How culture and society influences the meanings of human appearance 5 The psychosocial effects of appearance altering disease damage and visible differences 6 Appearance self change and self management 7 The prevention and treatment of body image problems including psychosocial and medical interventions Chapters are written in a manner that is accessible and informative to a wide audience including the educated public college and graduate students and scientists and clinical practitioners Each well organized chapter provides a glossary of definitions of any technical terms and a Further Reading section of recommended sources for continued learning about the topic Available online via ScienceDirect or in a limited release print version The Encyclopedia of Body Image and Human Appearance is a unique reference for a growing area of scientific inquiry It brings together in one source the research from experts in a variety of fields examining this psychological and sociological phenomenon The breadth of topics covered and the current fascination with this subject area ensure this reference will be of interest to researchers and a lay audience alike **The Media and the Models of Masculinity** Mark Moss, 2012-07-10 Mark Moss's *The Media and the Models of Masculinity* details the impact that the mass media has upon men's sense of identity style and deportment From advertising to television shows mass consumer culture defines and identifies how men select and sort what is fashionable and

acceptable Utilizing a large mine of mediated imagery men and boys construct and define how to dress act and comport themselves By engaging critical discussions on everything from fashion to domestic space to sports and beyond readers are privy to a modern and fascinating account of the diverse and dominant perceptions of and on Western masculine culture Historical tropes and models are especially important in this construction and influence and impact contemporary variations

Fit for Consumption Jennifer Smith Maguire,2007-09-06 This is the first text to offer a comprehensive socio cultural and historical analysis of the current fitness culture Fitness today is not simply about health clubs and exercise classes or measures of body mass index and cardiovascular endurance Fit for Consumption conceptualizes fitness as a field within which individuals and institutions may negotiate if not altogether reconcile the competing and often conflicting social demands made on the individual body that characterize our current era Intended for researchers and senior undergraduate and postgraduate students of sport leisure cultural studies and the body this book utilizes the US fitness field as a case study through which to explore the place of the body in contemporary consumer culture Combining observations in health clubs interviews with fitness producers and consumers and a discourse analysis of a wide variety of fitness texts this book provides an empirically grounded examination of one of the pressing theoretical questions of our time how individuals learn to fit into consumer culture and the service economy and how our bodies and selves become fit for consumption **Live and Die Like**

a Man Farha Ghannam,2023-05-25 An anthropologist deconstructs the notion of masculinity using twenty years of field research in the Cairo neighborhood of al Zawiya Watching the revolution of January 2011 the world saw Egyptians men and women come together to fight for freedom and social justice These events gave renewed urgency to the fraught topic of gender in the Middle East The role of women in public life the meaning of manhood and the future of gender inequalities are hotly debated by religious figures government officials activists scholars and ordinary citizens throughout Egypt Live and Die Like a Man presents a unique twist on traditional understandings of gender and gender roles shifting the attention to men and exploring how they are collectively produced as gendered subjects It traces how masculinity is continuously maintained and reaffirmed by both men and women under changing socio economic and political conditions Over a period of nearly twenty years Farha Ghannam lived and conducted research in al Zawiya a low income neighborhood not far from Tahrir Square in northern Cairo Detailing her daily encounters and ongoing interviews she develops life stories that reveal the everyday practices and struggles of the neighborhood over the years We meet Hiba and her husband as they celebrate the birth of their first son and begin to teach him how to become a man Samer a forty year old man trying to find a suitable wife Abu Hosni who struggled with different illnesses and other local men and women who share their reactions to the uprising and the changing situation in Egypt Against this backdrop of individual experiences Ghannam develops the concept of masculine trajectories to account for the various paths men can take to embody social norms In showing how men work to realize a male ideal she counters the prevalent dehumanizing stereotypes of Middle Eastern men all too frequently

reproduced in media reports and opens new spaces for rethinking patriarchal structures and their constraining effects on both men and women

Praise for Live and Die Like a Man In a book that lives up to its name anthropologist Ghannam explores what it means to be a man Her thick descriptions amassed over 20 years of research will make readers laugh cry and gasp at the lives of these individuals By examining the construct of manhood Ghannam is charting new territory in Middle Eastern studies

Summing Up Highly recommended **CHOICE** With its focus on masculinity Farha Ghannam's thoughtful ethnography Live and Die Like a Man makes important interventions into the anthropological scholarship on gender childhood and family in the Middle East Her ethnographic sensibility perfectly grasps the dynamic and complex intertwining of male and female ways of being and self presentation and how that interrelationship forms men's lives

International Journal of Middle East Studies

Fashionable Masculinities Vicki Karaminas, Adam Geczy, Pamela Church Gibson, 2022-07-15 Fashionable Masculinities explores the expression of masculinities through constructions of fashion identity style and appearance Essays include musical pop sensation Harry Styles rapper and producer Puff Daddy Sean Combs lumbersexuals spornosexuals sexy daddies and aging cool black daddies This book interrogates and challenges the meaning of masculinities and the ways that they are experienced and lived

Straights James Joseph Dean, 2014-08-01 Explores how straight Americans make sense of their sexual and gendered selves Since the Stonewall Riots in 1969 the politics of sexual identity in America have drastically transformed It's almost old news that recent generations of Americans have grown up in a culture more accepting of out lesbians and gay men seen the proliferation of LGBTQ media representation and witnessed the attainment of a range of legal rights for same sex couples But the changes wrought by a so called post closeted culture have not just affected the queer community heterosexuals are also in the midst of a sea change in how their sexuality plays out in everyday life In Straights James Joseph Dean argues that heterosexuals can neither assume the invisibility of gays and lesbians nor count on the assumption that their own heterosexuality will go unchallenged The presumption that we are all heterosexual or that there is such a thing as compulsory heterosexuality he claims has vanished Based on 60 in depth interviews with a diverse group of straight men and women Straights explores how straight Americans make sense of their sexual and gendered selves in this new landscape particularly with an understanding of how race does and does not play a role in these conceptions Dean provides a historical understanding of heterosexuality and how it was first established then moves on to examine the changing nature of masculinity and femininity and most importantly the emergence of a new kind of heterosexuality notably for men the metrosexual and for women the emergence of a more fluid sexuality The book also documents the way heterosexuals interact and form relationships with their LGBTQ family members friends acquaintances and coworkers Although homophobia persists among straight individuals Dean shows that being gay friendly or against homophobic expressions is also increasingly common among straight Americans A fascinating study Straights provides an in depth look at the changing nature of sexual expression in America

Medicalized Masculinities Christopher A. Faircloth, 2009-09-04 The

first book to examine the male body in relation to the sociology of health and gender *Gym Bodies* James Brighton, Ian Wellard, Amy Clark, 2020-10-15 Drawing on empirical research this fascinating new book explores the embodied experiences of gym goers and the fitness cultures that are constructed within gyms and fitness spaces *Gym Bodies* offers a personal interactive ethnographic account of the multiplicity of contemporary gym practices spaces and cultures including bodybuilding CrossFit and Spinning It argues that gym bodies are historically constructed social sensual emotional and political that experience intersects with multiple embodied identities and that fitness cultures are profoundly important in shaping the body in wider contemporary culture This is important reading for students tutors and researchers working in sport and exercise studies sociology of the body health studies leisure cultural studies gender and education It is also a valuable resource for policy makers and practitioners within the fields of sport leisure health and education **Gender and the Social Construction of Illness** Judith Lorber, Lisa Jean Moore, 2002-08-15 In this text the authors consider the interface between gender as a social institution on one hand and Western medicine as a social institution on the other and analyses issues of power and politics which pervade the study of both topics Body Image and Appearance Kathlyn Gay, 2009-09-01 Body image is a pervasive preoccupation for almost all teens Nearly every teen has dealt with issues of height weight skin and other features And many teens have undertaken diets engaged in body building programs or resorted to surgery to alter their appearances In *Body Image and Appearance The Ultimate Teen Guide* author Kathlyn Gay addresses all of these concerns to provide teens with a healthy way to think about themselves This book tackles such topics as the cultural standards of what a perfect body should look like methods for changing appearances and matters related to height such as dwarfism and height discrimination Throughout the book Gay offers advice on how teens can learn to be comfortable with their bodies and move beyond unhealthy preoccupations with size and appearance Reducing Bodies Elizabeth M. Matelski, 2017-05-25 *Reducing Bodies Mass Culture and the Female Figure in Postwar America* explores the ways in which women in the years following World War II refashioned their bodies through reducing diets exercise and plastic surgery and asks what insights these changing beauty standards can offer into gender dynamics in postwar America Drawing on novel and untapped sources including insurance industry records this engaging study considers questions of gender health and race and provides historical context for the emergence of fat studies and contemporary conversations of the obesity epidemic *Cultural Encyclopedia of the Body* Victoria Pitts-Taylor, 2008-09-30 Pop culture and the media today are saturated with the focus on the aesthetics of the human body Magazines and infotainment shows speculate whether this or that actress had breast implants or a nose job Americans are not just focusing on celebrities but on themselves too and today have unprecedented opportunities to rework what nature gave them One can now drop in to have cosmetic surgery at the local mall Contemplating the superficial nature of it all grows tiresome and pop culture vultures and students can get a better fix for their fascination with the body beautiful through the cultural insight provided in this amazing set *Cultural Encyclopedia*

of the Body is a treasure trove of essays that explore the human body alphabetically by part detailing practices and beliefs from the past and present and from around the world that are sometimes mind blowing and eye popping Body parts are examined through a multifaceted cultural lens Readers will explore how the parts are understood what they mean to disparate societies how they are managed treated and transformed and how they are depicted and represented The entries draw from many disciplines that are concerned to some degree or another with human bodies including anthropology archeology sociology religion political history philosophy art history literary studies and medicine The encyclopedia proffers information on a number of cultures tribes and customs from East and West Ancient practices to the latest fad which in fact might continue ancient practices are illuminated Other considerations that arise in the essays include comparisons among cultures the changing perceptions of the body and issues of race gender religion community and belonging ethnicity power structures human rights

Extreme Sports, Extreme Bodies Jesper Andreasson, Thomas Johansson, 2018-08-25 This book investigates extreme sports defined as sports in which athletes challenge and transgress societal perceptions of what is humanly possible to achieve in terms of physical training and bodily development performance Situated within a growing body of literature analysing the impact of new training trends on an individual's body identity lifestyle and perception of his/her social surroundings Extreme Sports, Extreme Bodies focuses on the gendered and embodied experiences of bodybuilding Ironman triathlon and mixed martial arts Through their ethnographic analysis Andreasson and Johansson present a unique and updated account of the increasing phenomenon of extreme sports and extreme bodies in contemporary Western society grounded in the sociology of sport body studies and embodiment literature

Rapunzel's Daughters Rose Weitz, 2005-01-12 The first book to explore the role of hair in women's lives and what it reveals about their identities intimate relationships and work lives Hair is one of the first things other people notice about us and is one of the primary ways we declare our identity to others Both in our personal relationships and in relationships with the larger world hair sends an immediate signal that conveys messages about our gender age social class and more In Rapunzel's Daughters Rose Weitz first surveys the history of women's hair from the covered hair of the Middle Ages to the two foot high wildly ornamented styles of pre Revolutionary France to the purple dyes worn by some modern teens In the remainder of the book Weitz a prominent sociologist explores through interviews with dozens of girls and women across the country what hair means today both to young girls and to women what part it plays in adolescent and adult struggles with identity how it can create conflicts in the workplace and how women face the changes in their hair that illness and aging can bring Rapunzel's Daughters is a work of deep scholarship as well as an eye opening and personal look at a surprisingly complex and fascinating subject

Getting It On Online John Edward Campbell, 2014-04-04 Learn how gay men use Internet technologies to connect with others sharing their erotic desires and to forge affirming communities online Getting It On Online Cyberspace Gay Male Sexuality and Embodied Identity examines the online embodied experiences of gay men At once scholarly and sensual this unique book is the result of

a three year ethnographic study chronicling the activities on three distinct social scenes in the world of Internet Relay Chat IRC virtual spaces constructed by gay men for the erotic exploration of the male body Examining the vital role the body plays in defining these online spaces offers insight into how gay men negotiate their identities through emerging communication technologies The author combines a critical look at the role of the body in cyberspace with candid accounts of his own online experiences to challenge conventional views on sex sexuality and embodied identity Getting It On Online provides an inside look at three specific online communities gaychub a community celebrating male obesity gaymuscle a community formulated around images of the muscular male body and gaymusclebears a space representing the erotic convergence of the obese and muscular male bodies emerging out of the gay male bear subculture in an effort to unsettle those models of beauty and the erotic depicted in more mainstream media The book demonstrates how the social position of these men in the physical world in regards to age race gender class and physical beauty influences their online experiences Far from a realm of bodiless exultation Getting It On Online illustrates how the flesh remains very much present in cyberspace Getting It On Online examines topics such as why people chat online the history of IRC Internet Relay Chat how people construct their identities in cyberspace how some online spaces function like virtual gay bars the concept of online disembodiment the role the body plays in online social relations the future of online communication ethnographic research in cyberspace mediated images of the male body and the gay male beauty myth and much more Getting It On Online Cyberspace Gay Male Sexuality and Embodied Identity is an essential resource for anthropologists sociologists and psychologists academics working in gender studies queer theory cultural studies and cyber culture studies and anyone interested in gay and lesbian issues and or cyberspace

Masculinities and Language Paul Baker, Gavin Brookes, 2025-03-31 Today the topic of gender identity is being discussed more widely than ever before With the rise of online misogyny and in the wake of metoo language around masculinity and toxic masculinity merits closer examination Accessibly written by two leading linguists this book provides a comprehensive treatment of the debates around language and masculinity asking how language is used to perform masculinity and how language is used to represent men Including examples of research from a range of international scholars along with original case studies and engaging examples from popular culture media literature advertising and politics the authors address a wide range of theoretical and methodological standpoints The book examines concepts of gender performativity hegemonic masculinity and queer theory drawing on disciplines and methods including conversation analysis phonetics ethnography interviews focus groups visual analysis discourse analysis critical discourse studies and corpus linguistics Situating male language use in terms of power dominance and subordination the book concludes with an examination of the more recent concepts of toxic masculinity and healthy masculinity exploring critical stances towards and around language used by men This book demonstrates the role that linguistic research can play in addressing real world problems associated with masculinity problems experienced by people of all genders and the natural world more broadly

Masculinities and Language is vital reading for scholars researchers and students of language and gender sexuality identity discourse analysis and sociolinguistics within linguistics English language and related areas The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Makeover TV Brenda R. Weber, 2009-11-20 Examines the phenomenon of makeover television in order to explore how these shows participate in cultural debates about body modification empowerment gender roles and personal responsibility
