Conversations with American Biographical Novelists Michael Lackey, 2014-02-27 In this new collection of interviews some of America's most prominent novelists identify the key intellectual developments that led to the rise of the contemporary biographical novel, discuss the kind of historical truth this novel communicates, indicate why this narrative form is superior to the traditional historical novel, and reflect on the ideas and characters central to their individual works. These interviews do more than just define an innovative genre of contemporary fiction; they provide a precise way of understanding the complicated relationship and pregnant tensions between contextualized thinking and historical representation, interdisciplinary studies and truth production, and fictional reality and factual constructions. By focusing on classical and contemporary debates regarding the nature of the historical novel, this volume charts the forces that gave birth to a new incarnation of this genre.

Sad Love MJ Fields, 2024-04-24 The Blue Valley series is not your typical love story. It is a journey through one's past, maybe even a story resembling someone close to you. It's our story. Welcome to the college years. Love has not been easy for Tessa Ross and Lucas Links, but they have managed to overcome situations that so many others in their lives haven't. And through all of their difficulties, neither have ever denied the love they have for one another. But sometimes love isn't enough. What new joys, pains, and decisions will they make as they take their first steps into adulthood? This is love, not a fairy tale. Warning: Highly Emotional. This book contains volatile characters in real-life situations that may be triggering to some readers.

Through the Night Michael Cronin, 2003 It's over two years since the Nazi invasion of Britain, and the people of Shevington have been cowed into a sullen acceptance of their new rulers. Their one attempt at defiance was followed by horrific reprisals, and there seems no way to retrieve their freedom. But Frank has never given up hope, and when a travelling salesman arrives in the village, he brings with him a new chance of fighting back. Exciting World War II thriller showing how life could have been if the Nazis had invaded Britain. Michael Cronin is a successful actor and is probably best known for his part in *Grange Hill*, where he played Mr Baxter, the gym teacher.

Seahorses Ian Wood, 2019-05-29 In the female-empowering world of *Terrene*, a world very much like our own but where young girls can have real power, a new story has arisen. Set on the beautiful Queensland coast in northeast Australia, four thirteen-year-old girls and a boy this time are all riders of the waves; they each have the power to call up a seahorse drawn from the crystal blue waters of the Coral Sea. But a life on the ocean waves leaves them all at sea when Petra Kerr, the Oil Baroness, starts pumping illegal oil in the area, threatening the precious ecosystem. It's up to twins Melbourne and Sydney Fisher, Indonesian cousin Memberi Bambang, and friends Adelaide Brewer and native Australian Darwin Tonkin to find a way to stop her. Their safe plan seems to be working until Petra Kerr learns who they are and decides to stop them before they can stop her. Like its predecessor *Cloud Fighters*, this is a top-of-the-line story aimed at middle graders and young teens.
