**Love Letters from Golok** Holly Gayley, 2016-12-06  
*Love Letters from Golok* chronicles the courtship between two Buddhist tantric masters Tare Lhamo 1938-2002 and Namtrul Rinpoche 1944-2011 and their passion for reinvigorating Buddhism in eastern Tibet during the post Mao era In fifty six letters exchanged from 1978 to 1980 Tare Lhamo and Namtrul Rinpoche envisioned a shared destiny to heal the damage done to Buddhism during the years leading up to and including the Cultural Revolution Holly Gayley retrieves the personal and prophetic dimensions of their courtship and its consummation in a twenty year religious career that informs issues of gender and agency in Buddhism cultural preservation among Tibetan communities and alternative histories for minorities in China The correspondence between Tare Lhamo and Namtrul Rinpoche is the first collection of love letters to come to light in Tibetan literature Blending tantric imagery with poetic and folk song styles their letters have a fresh vernacular tone comparable to the love songs of the Sixth Dalai Lama but with an eastern Tibetan flavor Gayley reads these letters against hagiographic writings about the couple supplemented by field research to illuminate representational strategies that serve to

narrate cultural trauma in a redemptive key quite unlike Chinese scar literature or the testimonials of exile Tibetans With special attention to Tare Lhamo's role as a tantric heroine and her hagiographic fusion with Namtrul Rinpoche Gayley vividly shows how Buddhist masters have adapted Tibetan literary genres to share private intimacies and address contemporary social concerns

**Sex and Power** Rita Banerji, 2008-11-14 Sex underlies human existence and if human life is sacred how can sex not be As squeamish as India is today about sex this is also the land where queens once copulated with head horses at religious ceremonies where the art of love making was declared the revelation of the gods and recorded in elaborate detail in the kama sutras and prostitution was a form of sacred offering at temples adorned with erotic sculptures Using India as a paradigm Rita Banerji illustrates that sexual morality is not an absolute but a facet of living that undergoes periodic upheavals She delineates four major periods in Indian history when there were significant shifts in the collective social perception of sex and sexuality and the associated customs and beliefs What causes this revision in sexual ethos To explain this Sex and Power proposes a modified version of Nietzsche's slave versus master morality theory The theory which is tested against the dynamics of each of the four defined periods establishes that the moral overview of any given period is determined not by a set of pre-existing ethics but by the existent power structure of the period in question The accepted moral code actually serves the party in power How would this theory play out in the context of India today Banerji examines this question at length as one of extreme urgency and concludes that the three most burning issues facing the country today population explosion AIDS and female genocide are the

manifestations of a collective sexual malfunctioning of society and need to be redressed in the context of an existent social and economic power hierarchy
