We Have Plenty Lorena M. Parrish, 2025 In We Have Plenty Lorena Parrish traces the history of theologies of prosperity the ways such theologies appear in the Black church and the unique harms for Black women and communities Parrish then offers a womanist way forward a moral imagination for just social relations Jesus centered economic ethics and Black The Widow's "Might" Debora Roth Brewer, 2019-11-14 The idea for this book was birthed during a time when several dear souls in our local congregation lost their spouses Seeing a real need for a Bible based grief support group this author asked her pastors and church family to pray that GOD would inspire and help her write a curriculum which would marry what happens to the grieving soul physically emotionally and spiritually with the restorative power of the gospel of Jesus Christ Each of the seventeen lessons is designed to be shared within a support group setting where the bereaved will learn that what they are experiencing is not unusual it is universal to all mankind since the beginning of time Not only does the grieving reader find out they are not crazy or losing their mind but they are reminded that GOD cares about them as an individual and will speak into their pain His healing word And God Was with Him Terrance Trammell, 2015-10-20 Joseph lived an extraordinary life from birth to the grave it is evident that God was with him His dreams got him in trouble with his family and caused his brothers to hate him but dreams were also the very thing that saved his life and elevated him to the position of second in charge in Egypt Everything that happened to Joseph from being sold as a slave to being falsely accused and put in prison would be enough to make the average man throw in the towel and give up but not Joseph because he knew that in spite of everything that he went through God was with him Eventually Joseph forgave his brothers for what they did to him and showed favor to his baby brother Benjamin Joseph realized that the things that happened to him no matter how bad they appear were all a part of Gods plan for his life With everything that happened to Joseph one thing was sure God was with him **Reports of Committees** United States.
