Jonathan Gross

Lord Byron Accounts Rendered:

Lord Byron Doris Langley Moore, 1974 The Late Lord Byron Doris Langley Moore, 2011-07-19 The best biography of Lord Byron ever written according to Poet Laureate W S Merwin is now back in print after decades Of the hundreds of books on Byron and his work not one has been devoted to the immediate aftermath of his life and yet it is these first twenty posthumous years that yield the most unexpected and exciting discoveries about the character of the poet and the behavior of those who once surrounded him wife sister friends enemies With the burning of his memoirs almost as soon as news of his death reach England in May 1924 there began the sequence of impassioned controversies that have followed one another like the links in a chain ever since What sort of man was the begetter of these dramas Unflagging in energy and acumen Doris Langley Moore sifts the various witnesses their motives and credentials and not only reveals how much questionable evidence has been accepted but develops a corrected picture that appeals and persuades Drawing upon a very large amount of unpublished material from the Lovelace Papers Murray manuscripts and Hobhouse archives she reaches the conclusion that as to his chroniclers a great man has too often fallen among thieves The story she tells needs no special knowledge of Byron It is written for everyone who enjoys literary detective work and human drama **Lord Byron's Life in Italy** Teresa Guiccioli (contessa di), 2005 Lord Byron's Life in Italy is an English translation of *Vie de Lord Byron en Italie* by Byron's Italian friend Teresa Guiccioli the manuscript of which has lain in Ravenna since the early 1880s and which has never been published or even read except by a small number of scholars Teresa Guiccioli was the poet's last mistress his liaison with whom was of longer duration than any other They met in 1819 and their relationship lasted until he left Italy for Greece in 1823 Persecuted by the authorities because of the friendship with such a dangerous man Teresa's family had to move from Ravenna to Pisa and finally to Genoa Teresa knew Byron better probably than any other person and her fresh and original account of his life has been unknown for too long This superb translation with elaborate introduction and notes fills a long acknowledged gap in studies of Byron Michael Rees is a past joint chair of the Byron Society Peter Cochran is the editor of the Newstead Abbey Byron Society Review **The Oxford Handbook of Lord Byron**, 2024-10-04 The Oxford Handbook of Lord Byron offers the latest in critical thinking about the poet that defined the Romantic era across Europe and beyond The volume presents forty-four groundbreaking essays that enable readers to assess Lord Byron's central position in Romantic traditions and his profound and far-reaching influence on British European and world culture The chapters are organized into five sections Works Biographical Contexts Literary and Cultural Contexts Afterlives and Reading Byron Now that guide readers through the most important issues and frameworks for interpreting Byron Works presents original readings of Byron's key works and many of his lesser-known ones giving space to extensive studies of his great epic *Don Juan* and the poem that brought him fame *Childe Harold's Pilgrimage* Biographical Contexts invites readers to consider Byron's life through key themes and patterns Literary and Cultural Contexts sets out the most important intellectual traditions from which Byron's

work emerged and in which it developed Afterlives shows readers the extent of Byron's influence on literature art music and politics in Europe and beyond Reading Byron Now advances the critical agendas that are shaping Byron Studies today The Handbook tackles key themes associated with Byron including the Byronic Hero cosmopolitanism liberalism sexuality mobility scepticism the Gothic celebrity culture and much more For new readers of Byron the volume provides an excellent grounding in his life and work and for specialists it opens up exciting new approaches to an icon of Romantic literature

Queer Difficulty in Art and Poetry Jongwoo Jeremy Kim, Christopher Reed, 2017-01-20 Augmenting recent developments in theories of gender and sexuality this anthology marks a compelling new phase in queer scholarship Navigating notions of silence misunderstanding pleasure and even affects of phobia in artworks and texts the essays in this volume propose new and surprising ways of understanding the difficulty even failure of the epistemology of the closet By treating queer not as an identity but as an activity this book represents a divergence from previous approaches associated with Lesbian and Gay Studies The authors in this anthology refute the interpretive ease of binaries such as out versus closeted and gay versus straight and recognize a more opaque relationship of identity to pleasure The essays range in focus from photography painting and film to poetry Biblical texts lesbian humor and even botany Evaluating the most recent critical theories and introducing them in close examinations of objects and texts this book queers the study of verse and visual culture in new and exciting ways *The Passions of John Addington Symonds* Shane Butler, 2022 The first critical analysis to embrace a wide and representative selection of John Addington Symonds's work beyond his famous essays It explores Symonds as a complex thinker with an ambitious vision of the queerness of the world itself and follows his engagement with the art and literature of classical antiquity **The Making of Masculinities (Routledge Revivals)** Harry Brod, 2018-10-24 This book first published in 1987 is both simple in conception and ambitious in intention It aims at legitimating the new interdisciplinary field of men's studies as one of the most significant and challenging intellectual and curricular developments in academia The fourteen essays included here are drawn from such diverse disciplines as men's studies philosophy psychology sociology history anthropology Black studies biology English literature and gay studies *The European Byron* Jonathan Gross, 2025-09-16 Byron concealed himself in various literary disguises a process he called mobility In this study of influences on Byron's verse and Byron's European impact I explore these borrowings and transformations as they manifested themselves in his reading At issue is the very concept of romantic poetic voice Framing himself in the tradition of the Irish yet cosmopolitan Thomas Moore Byron adopted continental guises imitating both Italian writers and political heroes such as Dante Machiavelli and Tasso In establishing an Italian identity Byron relied upon the Italian writers he translated Pulci Dante Thomas Moore's Fudge Family in Paris and Shelley's Julian and Maddalo as well as Goethe's Faust This Europeanization of Byron should not conceal the fact that Byron adopted poses from his predecessors such as Walter Scott in order to fashion himself as a Scottish poet who also happened to be English Byron became the writers he read Moore Shelley Wordsworth

Scott Foscolo Lady Morgan and Madame de Staël Those who imitated Byron particularly Alexander Pushkin and Adam Mickiewicz became the best interpreters of his literary example while transforming it and explained what it meant to be a Harold in Muscovite Cloak or a Polish Byron to be both delimited and emancipated by Byron's example *Byron's War* Roderick Beaton, 2013-04-25 Roderick Beaton re-examines Lord Byron's life and writing through the long trajectory of his relationship with Greece Beginning with the poet's youthful travels in 1809-1811 Beaton traces his years of fame in London and self-imposed exile in Italy that culminated in the decision to devote himself to the cause of Greek independence Then comes Byron's dramatic self-transformation while in Cephalonia from Romantic rebel to new statesman subordinating himself for the first time to a defined political cause in order to begin laying the foundations during his hundred days at Missolonghi for a new kind of polity in Europe that of the nation-state as we know it today Byron's War draws extensively on Greek historical sources and other unpublished documents to tell an individual story that also offers a new understanding of the significance that Greece had for Byron and of Byron's contribution to the origin of the present-day Greek state Byron and Newstead J. V. Beckett, Sheila Aley, 2001 This book offers a reappraisal of Byron's tenure of landed estates an entirely new explanation of events surrounding the sale of his ancestral home at Newstead Abbey and new thoughts on his financial circumstances during his years in Italy and Greece Byron is examined as a landed aristocrat and his financial and business affairs are unravelled in this context BOOK JACKET *Byron's Letters and Journals* Richard Lansdown, 2015-04-23 Alongside Jane Austen the Brontë sisters and Oscar Wilde Lord Byron possesses a star quality unlike other classic British authors His life as poet philanderer homosexual and freedom fighter is legendary and this new selection from his powerful letters and journals tells the story from the inside in Byron's own racy and passionate style Though Byron is chiefly known as a poet his letters and journals are one of the glories of English prose literature and one of the greatest British acts of autobiography alongside Pepys Diary and Boswell's Journal This new selection taken from the authoritative and unbowdlerized edition prepared by Leslie Marchand in the 1970s not only provides the cream of his informal prose it amounts to a biography in Byron's own words No other English writer lived so remarkable an existence from rented rooms in Aberdeen to a Nottinghamshire peerage from European fame to English infamy and notorious Italian exile to a glorious death in the Greek War of Independence The letters and journals are selected introduced and annotated to provide a running narrative of the life and career of his remarkable man in his own unmistakable words **Byron** Fiona MacCarthy, 2014-10-23 Fiona MacCarthy makes a breakthrough in interpreting Byron's life and poetry drawing on John Murray's world famous archive She brings a fresh eye to his early years his childhood in Scotland embattled relations with his mother the effect of his deformed foot on his development She traces his early travels in the Mediterranean and the East throwing light on his relationships with adolescent boys a hidden subject in earlier biographies While paying due attention to the compelling tragicomedy of Byron's marriage his incestuous love for his half-sister Augusta and the clamorous attention of

his female fans she gives a new importance to his close male friendships in particular that with his publisher John Murray She tells the full story of their famous disagreement ending as a rift between them as Byron's poetry became more recklessly controversial Byron was a celebrity in his own lifetime becoming a superstar in 1812 after the publication of *Childe Harold* The Byron legend grew to unprecedented proportions after his death in the Greek War of Independence at the age of thirty six The problem for a biographer is sifting the truth from the sentimental the self-serving and the spurious Fiona MacCarthy has overcome this to produce an immaculately researched biography which is also her refreshing personal view

Byron, Hunt, and the Politics of Literary Engagement Michael Steier, 2019-07-03 In the second decade of the nineteenth century the British press began a campaign of critical abuse against Leigh Hunt caricaturing the radical journalist as an upstart Cockney author whose literary talents were as disreputable as his politics Lord Byron on the other hand was revered as a peer and a poetical genius who the conservative press argued would never befriend and collaborate with a writer like Hunt Yet Byron did just that Byron Hunt and the Politics of Literary Engagement is the first full length study of the friendship and literary relationship of two of the most important second generation Romantic authors Challenging long held critical attitudes this study shows that Byron and Hunt engaged in a creative and meaningful dialogue at each major stage in their careers from their earliest published volumes of juvenile poetry and verse satire to their most celebrated contributions to Romantic literature The Story of Rimini and Don Juan Drawing upon newly recovered letters and unpublished manuscript material this book illuminates the surprisingly durable and artistically significant friendship of Lord Byron and Leigh Hunt

Byron and Scotland Angus Calder, 1989-01-01 Contents Preface Norman Buchan M P Introduction Angus Calder Byron the Radical David Craig Byron Radical Scottish Aristocrat Andrew Noble Byron and Catholicism William Donnelly Byron and Scott P H Scott The Provost and His Lord John Galt and Lord Byron Margery McCulloch Lord Byron and Lord Elgin Douglas Dunn Byron An Edinburgh Re Review John Curt Byron Scott and Scottish Nostalgia J Drummond Bone The Island Scotland Greece and Romantic Savagery Angus Calder Byron Landing From a Boat by George Sanders Michael Rees On Singing Dark Lochnager Sheena Blackhall Afterword J Drummond Bone R

[Byron's Romantic Politics](#) Peter Cochran, 2011-08-08 Byron exists in two incompatible dimensions as fully documented history and as romantic myth Often the myth predominates describing him as a passionate lover a staunch friend a great romantic poet a champion of the working man a loyal author to his publisher and a fighter for democracy who sacrificed his life for the Freedom of Greece This book attempts to prove that the verifiable truth often proves him to be the opposite Using letters from Byron's family friends and associates which have never been transcribed collected and sequenced before Peter Cochran argues that the poet was an unscrupulous sponger on his relatives and friends that he harboured a horror at the idea of empowering the working man had no time for democracy and despised his publisher His contempt for the Greeks is clear from everything he writes about them and his motives for going to Greece at the end of his life which Cochran analyses in more depth than they have ever been analysed before were a

disturbing mixture of self indulgent fantasy and death wish Using large amounts of manuscript evidence Cochran further argues that almost all editions of Byron s writing do his style very poor service constituting not contributions to knowledge of him but additions to the obfuscating myth **The Life of Percy Bysshe Shelley** John Worthen,2019-02-19 Drawing

especially on the many scholarly discoveries of recent years this biography examines the life and death of one of the greatest Romantic poets Based on sceptical historical investigation and featuring an in depth look at Shelley s personal financial and familial situation it builds a compelling narrative about a controversial writer and thinker whose personal and philosophical convictions caused much turmoil during his short yet extraordinarily influential life The Life of Percy Bysshe Shelley reveals sides of the author not often studied It looks at Shelley as an intensely loving thoughtful and responsible man and father who except in one case took exemplary care of the women he loved and who fell in love with him It shows how significant his status as a gentleman was it examines his poetry letters notebooks and discursive prose so that readers can comprehend the most important concerns of his life it explores the financial and medical grounds for his years of exile it is also the first biography to take account of his recently discovered early long poem the Poetical Essay on the Existing State of Things This biography offers readers a unique look at a famous poet scholar gentleman democrat atheist and tragic icon of English Romanticism

Literary Visions of Homosexuality Stuart Kellogg,2016-12-05 An important contribution to the rapidly growing field of gay literary criticism and scholarship this volume contains well written and intelligently argued essays on the the homosexual tradition in Western literature The first book of its kind Essays on Gay Literature investigates the ways in which homosexuality has been viewed by a variety of authors from the Middle Ages to the present including William Shakespeare Christopher Marlowe E M Forster James Merrill Henry James and William Faulkner Essays on Gay Literature

Stuart Kellogg,2013-01-11 An important contribution to the rapidly growing field of gay literary criticism and scholarship this volume contains well written and intelligently argued essays on the the homosexual tradition in Western literature The first book of its kind Essays on Gay Literature investigates the ways in which homosexuality has been viewed by a variety of authors from the Middle Ages to the present including William Shakespeare Christopher Marlowe E M Forster James Merrill Henry James and William Faulkner *Touched With Fire* Kay Redfield Jamison,1996-10-18 The definitive work on the profound and surprising links between manic depression and creativity from the bestselling psychologist of bipolar disorders who wrote *An Unquiet Mind* One of the foremost psychologists in America Kay Jamison is plainly among the few who have a profound understanding of the relationship that exists between art and madness William Styron The anguished and volatile intensity associated with the artistic temperament was once thought to be a symptom of genius or eccentricity peculiar to artists writers and musicians Her work based on her study as a clinical psychologist and researcher in mood disorders reveals that many artists subject to exalted highs and despairing lows were in fact engaged in a struggle with clinically identifiable manic depressive illness Jamison presents proof of the biological foundations of this disease and applies

what is known about the illness to the lives and works of some of the world's greatest artists including Lord Byron Vincent Van Gogh and Virginia Woolf **Byromania** Frances Wilson, 1999-03-15 This collection of essays by leading Byronists explores the development of the myth of Byron and the Byronic from the poet's self representations to his various appearances in nineteenth and twentieth century literature and in drama film and portraiture Byromania as Annabella Milbanke named the frenzied reaction to Byron's poetry and personality looks at the phenomena of Byronism through a variety of critical perspectives and it is designed to appeal to both an academic and a popular readership alike

Lord Byron Accounts Rendered Book Review: Unveiling the Magic of Language
