The Swindoll Study Bible NLT Tyndale, 2018-09 Winner of the 2018 Christian Book Award for Bible of the Year The

Swindoll Study Bible offers the best of Chuck Swindoll's wit, charm, pastoral insight and wise biblical study directly to you as you study God's Word. Chuck's warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: This study Bible was designed with you in mind. As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why and how of the Bible. Who wrote it and when? What does it mean and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living, for genuine life change. After all, that's why God has communicated His Word to us so that we may become like His Son, Jesus Christ, the central figure of this Book.

[Worshipful](#) James C. Howell, 2017-02-08 What does it look and feel like to be worshipful? Can we find a way to worship in such a robust, thoughtful way that when we aren't in worship, the worship might linger and invigorate us? Is it possible to live in the world doing the dishes, listening to music, being stuck in traffic, enmeshed in a thicket of meetings at work, with a serene abiding sense of God's presence despite all the

racket that we might do whatever we do for God and sense God's presence And maybe more importantly could all we do between Sundays grocery shopping paying bills listening to music taking a walk visiting aging parents actually enrich and inform what we do on Sunday morning making worship itself more vigorous profound just plain real and memorable and thus heightening the likelihood that the worship will linger through the rest of the week This book is about living a worshipful life understanding why we do what we do in Sunday morning worship and then re-enacting those moods and actions all week long
