Felix,1978      **How to Get Along with God** Richard G. Williamson,2006-07 How to Get Along with God is a spiritually practical approach to nurturing a relationship with God by using biblical examples related to modern issues The book explores the sovereignty of God and how the power of the Holy Spirit influences our decisions when we have a right relationship with Jesus It compares biblical accounts of challenging issues with those of contemporary living The book demonstrates that we still serve the same God that commanded our biblical progenitors The book provides the reader an opportunity to see how God responded to Old and New Testament characters and that His words are immutable and unchanging The same biblical truths that existed for many thousands of years still exist today The inescapable conclusion is that we are admonished to follow Gods Word today with the same zeal as our Bible examples It is the only true way in which we may get along with God      **The Works of Samuel Johnson, LLD, with Murphy's Essay** Samuel Johnson,1825      The Manuscripts and Correspondence of James, First Earl of Charlemont: Lord Charlemont's memoirs of his political life, 1755-1783.
