Norman Wright, Sheryl Macauley, 2010-08-01 Trusted counselor H Norman Wright and his daughter Sheryl reveal why the mother daughter relationship doesn't have to control your life or your future With godly wisdom and practical insights this book shows readers how to start building a new relationship with their mothers today Behind Every Smile Monique

La'Lerae Davis, 2016-04-14 When it comes to an individual some can be define as a statistics while others are made to stand out backing up the definition of unique statistics says I should have died statistics says i was supposed to suffer from down syndrome Statistics says i wouldnt be able to walk or talk statistics told my mom to prepare to bury a child but our GOD said otherwise Every statistics that was thrown at me never prospered instead the exact opposite happened and what the doctors didnt expect to happen had fortunately actually happened However i struggled with a disability but not how others assumed Id struggle for it was more of a mental struggle then a physical struggle although Im labeled as a disabled person my appearance may will shall fool you and throughout this book and more to come it will tell you why you should never judge a book by its cover regardless of who or what a person may appear to be for looks can will be deceiving My Two Moms

Zach Wahls, 2012-04-26 A resounding testament to individuality and the power of family in all forms from the young man who lit up the Internet Ellen DeGeneres On January 31 2011 Zach Wahls addressed the Iowa House Judiciary Committee in a public forum regarding full marriage equality The nineteen year old son of a same sex couple Wahls proudly proclaimed The sexual orientation of my parents has had zero effect on the content of my character Hours later his speech was posted on YouTube where it went viral quickly receiving more than two million views By the end of the week everyone knew his name and wanted to hear more from the boy with two moms Same sex marriage will be a major possibly the defining issue in this year's election cycle and Wahls speaks to that but also to a broader issue Sure he's handsome and athletic an environmental engineering student and an Eagle Scout Yet growing up with two moms he knows what it's like to feel different and to fear being made fun of or worse In the inspirational spirit of It Gets Better edited by Dan Savage and Terry Miller My Two Moms also delivers a reassuring message to same sex couples their kids and anyone who's ever felt like an outsider You are not alone When Parenting Isn't Perfect Jim Daly, 2017-06-27 Perfection is the enemy of parenting Jim Daly sees and hears from mothers and fathers trying hard to pursue perfection They listen to the best experts and read all the right books When

someone gives them a World's Best Mom or No. 1 Dad coffee mug they want it to be true. And they want their children to pursue perfection too. It's admirable for parents to be the very best moms and dads they can be for their children. But sometimes in so doing they leave grace behind both for themselves and their children. Jim believes that our quest for perfection, a quest that he believes is particularly strong among Christians, runs counter to God's own boundless gift of grace. We can become Pharisaical parents, quoting endless rules and holding everyone to impossible standards. But God doesn't want us, and our kids don't need us, to be perfect. As parents, we're called to simply do our best. And when we fail, which we will, we're called to try again tomorrow. Though he's the President of Focus on the Family, Jim does not promise that his book will be a catalyst for a perfect family. But it can help point the way toward a good family, one that feels safe and warm, one filled with love and laughter. This book will encourage mothers and fathers to embrace the messiness of parenthood and show grace to their own, less than ideal, children. Jim, through his own experiences, expertise, and array of stories, will lead both moms and dads to a better understanding of what being a good family is all about. *Raising Boys Without Men* Peggy Drexler, Linden Gross, 2005-08-20. A research psychologist offers an incisive study of boys raised in female-headed households without a male role model in the house, arguing that such young men grow up more empathetic and well-rounded than those in traditional mother-father families and offers a definitive blueprint for raising happier, healthier sons. 30,000 first printing.

Do You Know Your Mom's Story? Glenna Mageau, 2018-05-01. It reaches far beyond dates of birth, marriage, and death and into the heart and soul of a woman and her family. Multi-Award Winning Author P. M. Terrell. What do you really know about your Mom? Do you know what her hopes, dreams, and desires were? Did she live them? Your mom is so much more than the woman who raised you. She grew up in a time very different from yours; there were different beliefs, habits, and ways of doing things. Your mom has seen a lot in her life, and getting to hear her journey will help you to understand her in a whole new light. Now is the time to get to know her and to document her life. The only way to find out about your mom's story is to ask, because one day she won't be there anymore. When we reach old age, we should know our lives mattered, that we mattered, that we are loved, happy, and feel connected. This book offers a way to start conversations between you and your mom, in particular elderly mothers. It is a guide which provides questions to ask, as well as how and when to ask them. Use this as a way to grow, heal, and/or mend the relationship between mom and child; preserve this woman's journey through life and, in particular, her role as Mom. Her story is her legacy to you.
