, Cruising Modernism Michael Trask, 2018-05-31 Modern society Michael Trask argues in this incisive and original book chose to couch class difference in terms of illicit sexuality Trask demonstrates how sexual science's concept of erotic perversion mediated the writing of both literary figures and social theorists when it came to the innovative and unsettling social arrangements of the early twentieth century Trask focuses on the James brothers in a critique of pragmatism and anti-immigrant sentiment shows the influence of behavioral psychology on Gertrude Stein's work uncovers a sustained reflection on casual labor in Hart Crane's lyric poetry and traces the identification of working class Catholics with deviant passions in Willa Cather's fiction Finally Trask examines how literary leftists borrowed the antiprostitution rhetoric of Progressive era reformers to protest the ascendancy of consumerism in the 1920s Viewing class as a restless and unstable category Trask contends American modernist writers appropriated sexology's concept of evasive unmoored desire to account for the seismic shift in social relations during the Progressive era and beyond Looking closely at the fraught ideological space between real and perceived class differences Cruising Modernism discloses there a pervasive representation of sexuality as well An Oral System of Teaching Living Languages Jean Manesca, 2025-09-18 Reprint of the original first published in 1839 Volume 1 The Antigonus publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Histoire Physiologique Et Anecdotique Des Chiens de Toutes Les Races** Bénédicte-Henry Révoil, 1857 *Second French Reader* Eugene Gotye, 2019-06-24 A private detective is following the girl he is in love with A former air force pilot he is discovering some sides in the human nature he can't deal with The book makes use of the ALARM Method to efficiently teach its reader French words sentences and dialogues Through this method a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time The book is equipped with the audio tracks The address of the home page of the book on the Internet where audio files are available for listening and downloading is listed at the beginning of the book on the copyright page **A New Dictionary French and English, with another English and French, etc** Guy Miège, 1679 Haunted Childhoods Pauline Michel, 2006-01-01 Children travel across generations and across time yesterday to the present Childhoods determine the fantasies of existence Wounds slow to heal abandonment adoption feelings of rejection and uselessness of blame of uncontrolled initiation to sexuality extreme loneliness when one retreats from society obsessive searching for the absolute desire to rebuild the world again by giving birth confrontation of death All these themes appear in the violent yet tender stories in this collection rather like tunnelling through to a rebirth *Journal of American Folklore*, 1926 **French (inc.
