## **Monastery Everymans 136:**

**A Printing History of Everyman's Library 1906-1982** Terry Seymour, 2011 The total number of Everyman's Library volumes that still survive somewhere in the world exceeds 70 million Since the inception of the Library in 1906 nearly 1200 unique volumes have been published constantly placing the world's greatest books before a large public A few of these titles proved unpopular and were never reprinted But most were reprinted dozens of times packaged in numerous ways and benefited from updated editorial work and book design over the last century Terry Seymour has studied and researched every aspect of this great mass of books He now captures and distills this knowledge in *A Printing History of Everyman's Library 1906-1982* A critical feature of course is to update the various collecting factoids that have emerged since 2005 when his *Guide to Collecting Everyman's Library* was published The meat of the new book however is the Bibliographical Entries section Each volume that has ever been printed receives its own entry detailing every printing each dust jacket variation any new introductions updated scarcity numbers and all relevant notes Typically an entry contains at least six lines of information but often much more In essence each entry is a story written exclusively about each volume Armed with this resource collectors and booksellers can know reliably everything about the Everyman's Library volume that sits on their shelf or is ready to be purchased or sold They will see how a book fits into the total printing history of that title and be able to describe and value the book with precision To further enhance the value of this book color images illustrate all of the key collecting points An extensive index of editors translators and artists is now included Not just a solo effort the *Printing History* has been vetted by other expert collectors ensuring greater accuracy and comprehensiveness **Pope: Everyman's Poetry**

Alexander Pope, 1719 Chief satirist of the Augustan age as seen in *The Rape of the Lock* Pope spoke out against society and his profession in poetry of bitter invective and biting humour *Ezekiel- Everyman's Bible Commentary* Ralph Alexander, 1976-06-01 The Old Testament book of Ezekiel is filled with visions and prophecies the Lord revealed to His prophet Although these revelations were given to the people of Israel during their Babylonian captivity many of them are yet to be fulfilled Ezekiel gives warnings of punishment for evil practices and waywardness but also glorious promises to encourage those who seek to honor the Lord even in the midst of trials Bible students are often puzzled by these difficult visions and fail to perceive God's central message that He alone is Lord Dr Ralph Alexander discusses each section of the prophecy in summary and then treats the major themes dealing with various questions and problems that arise **Ezra & Nehemiah- Everyman's Bible Commentary**

Carl Laney, 1982-11-10 Ezra and Nehemiah record the exciting drama of the restoration of the Jews to their land following Babylonian captivity The restoration period offered the Israelites a unique opportunity to re-establish the Temple worship institutions and the city of Jerusalem on lasting spiritual foundations But that period also brought the recently returned exiles into great temptation and potential disaster The biblical record of the three returns of the Jews from Babylon provide not only a history of the restoration but also many spiritual lessons concerning God

s faithfulness Satan's strategy and the importance of separation from sin Dr Laney presents a synthesis of the restoration period and discusses the interpretive historical geographical and theological issues involved in these often neglected but spiritually rich books     **A Classified Catalogue of Books in European Languages** Tōkyō Bunrika Daigaku. As James Finley writes in his preface to this volume Merton is teaching us in these notes how to be grateful and amazed that the ancient wisdom that shimmers and shines in the eloquent and beautiful things that mystics say is now flowing in our sincere desire to learn from God how to find our way to God     Everyman's Library: Fiction Ernest Rhys,1937     A
