Money Into Light John Boorman,1986 **The Whole Equation** David Thomson,2006-02-14 With the same style and insight he brought to his previous studies of American cinema acclaimed critic David Thomson masterfully evokes the history of America s love affair with the movies and the tangled history of Hollywood in The Whole Equation Thomson takes us from D W Griffith Charlie Chaplin and the first movies of mass appeal to Louis B Mayer who understood what movies meant to America and reaped the profits From Capra to Kidman and Hitchcock to Nicholson Thomson examines the passion vanity calculation and gossip of Hollywood and the films it has given us This one volume history is a brilliant and illuminating overview of the wonder in the dark and the staggering impact Hollywood and its films has had on American culture **The Cinema of John Boorman** Brian Hoyle,2012-09-14 This book offers a critical study of the writer and director s feature films as well as lesser known works for television Get Started in Film Making Tom Holden,2018-08-02 Get Started in Film Making is the essential guide for all budding film makers empowering and inspiring anyone to unleash their creative side Completely revised and updated it is the perfect manual for smartphone Spielbergs Go Pro adrenaline junkies drone warriors and wannabe vloggers It covers every aspect of making films showing you what s involved from start to finish You won t get bogged down with technical jargon or confusing proprietary expressions Instead it breaks things down into easy step by step stages emphasising that creativity enthusiasm and drive are just as important as cool kit and funky editing apps From scriptwriting casting and cameras to lighting financing filming and editing this is the most comprehensive user friendly guide on the market So whether you re using a smart phone a drone or a state of the art camera get ready to step up from shooting clips to making films ABOUT THE SERIES People have been learning with Teach Yourself since 1938 With a vast range of practical how to guides covering language learning lifestyle hobbies business psychology and self help there s a Teach Yourself book for everything you want to do Join more than 60 million people who have reached their goals with Teach Yourself and never stop learning **Peter Jackson** Ian Pryor,2014-06-03 This fascinating look at the now celebrated director tells of the inspiration that led to the making of the three world famous Lord of the Rings films and the six other films that preceded them This unauthorized biography Peter Jackson From Prince of Splatter to Lord of the Rings traces the journey of a young movie fanatic from Sunday afternoons spent fooling around with a camera through low budget cult movies to control of the most ambitious film project ever on what is probably the best loved fantasy novel ever written This in depth biography explores the many talents of the young Peter Jackson the making of Bad Taste Meet the Feebles Braindead Heavenly Creatures Forgotten Silver The Frighteners and the Lord of the Rings trilogy The story behind the Rings which tells how Jackson got the rights to make the film and the permission and funding to make three films rather than collapsing the story into just one or two films interviews and other behind the scenes material from the making of the landmark films Past and future in which author Ian Pryor considers Jackson s achievements and possible future including his remake of King

Kong From casts of zombies traumatized puppets and murderous teenagers to deal making in Hollywood this book is about following one s visions wherever they might lead

Conclusions John Boorman,2020-02-20 What a life What a career Harold Pinter Boorman is one of the world s great directors a master storyteller Paul Auster John Boorman is one of cinema s authentic visionaries whose travels have taken him from London in the Blitz to the pinnacle of Hollywood success the man behind filmes such as Point Blank Deliverance Excalibur Hope and Glory and The General Conclusions continues the story of his life that Boorman began with Adventures of a Suburban Boy and shares what has happened since its publication films made such as the award winning The General and unmade new knowledge about the craft of film making and ultimately the story of of his kith and kin including the death of his cherished elder daughter Wielding a metaphorical Excalibur Boorman s career has been a continual search for the truth that only art can convey and this memoir shows him at his finest

Scoping the Amazon Stephen Nugent,2016-07 Savage cannibal or utopian proto environmentalist Nugent examines both popular images of Amazon peoples in film and general books as well as changing anthropological views of the rainforest and its people

Through a Catholic Lens Peter Malone,2007-04-16 Movies are often examined for subtext and dramatizations of social and psychological issues as well as current movements Studies of well known Catholic directors such as Alfred Hitchcock and John Ford have made the search for Catholic themes a reputable field of examination Through a Catholic Lens continues the search for these themes and examines the Catholic undercurrents by studying nineteen film directors from around the world Although these directors may or may not be practicing Catholics their Catholic background can be found in their writing and directing Each chapter written by a different contributor analyzes one film of each director for its Catholic motifs With the recent increase of cinema studies this collection will be of interest to students and academics as well as cinema buffs

A Light in the Dark David Thomson,2021-03-23 From the celebrated film critic and author of The Biographical Dictionary of Film an essential work on the preeminent indispensable movie directors and the ways in which their work has forged and continues to forge the landscape of modern film Directors operate behind the scenes managing actors establishing a cohesive creative vision at times literally guiding our eyes with the eye of the camera But we are often so dazzled by the visions on screen that it is easy to forget the individual who is off screen orchestrating the entire production to say nothing of their having marshaled a script a studio and other people s money David Thomson in his usual brilliantly insightful way shines a light on the visionary directors who have shaped modern cinema and through their work studies the very nature of film direction With his customary candor about his own delights and disappointments Thomson analyzes both landmark works and forgotten films from classic directors such as Orson Welles Alfred Hitchcock Jean Renoir and Jean Luc Godard as well as contemporary powerhouses such as Jane Campion Spike Lee and Quentin Tarantino He shrewdly interrogates their professional legacies and influence in the industry while simultaneously assessing the critical impact of an artist s personal life on his or her work He explores the male directors dominance of the past and describes how

diversity can change the landscape Judicious vivid and witty *A Light in the Dark* is yet another required Thomson text for every movie lover's shelf

Unproduction Studies and the American Film Industry James Fenwick, 2021-08-09 This book makes the case for unproduction studies the study of films left unmade unseen or unreleased as a radical discipline with the potential to uncover a shadow history of the American film industry Exploring the archival methods that can be utilised in

this endeavour James Fenwick argues that a revisionist history is needed to understand the logic of the film industry finding that it has long been predicated on a system of unmade creativity in which finances resources and labour is invested into projects that production companies know will never be produced or have no intention of ever producing Using the Production Code Administration PCA records housed at the Margaret Herrick Library as a case study the book explores the material existence of the unmade and considers how archives and archival methods can be used to construct a shadow history that recovers the forgotten marginalised and overlooked figures in film history providing explanations for structural forces that contributed to the unmade Given its unique use of the unmade as an analytic for film history this book will be an essential read for scholars interested in film and media history performance studies film production and creative practice as well as to archivists and archival researchers *Middle-earth Envisioned* Brian J. Robb, Paul Simpson, 2013-10-23 Examines artistic interpretations of Tolkien's fantasy world including movie stills theatrical performances games and comic books and features the lost art of Mary Fairburn whose paintings were favored by Tolkien himself
