Investigation of Political Fundraising Improprieties and Possible Violations of Law United States. Congress. House. Committee on Government Reform and Oversight,1998 *Political Corruption and the Abuse of Power* Sarah Machajewski,2018-07-15 Throughout history gaining political power has frequently led to unethical behavior It is difficult for people to resist the temptation to abuse their power In the worst cases this has led to political unrest economic instability and genocide Readers learn what political corruption is how it affects citizens lives and what can be done about it Historical and modern examples are provided to give readers a comprehensive view of this important and timely topic Informative charts and full color photographs enhance the engaging text to show young adults the importance of civic engagement and political scrutiny to combat corruption

Investigation of Political Fundraising Improprieties and Possible Violations of Law, Interim Report United States. Congress. House. Committee on Government Reform and Oversight,1998

Pay-to-Play Politics Heath Brown,2016-04-11 Pay to Play Politics examines money and politics from different angles to understand a central paradox of American democracy why when the public and politicians decry money as the worst aspect of American politics are there so few signs of change Everyone from Hillary Clinton to Bernie Sanders to Ted Cruz complains about the corrupting role of money and politics but money is the lifeblood of their political survival The public too deplors big money politics despite regularly reelecting the richest candidates for office The purpose of this book is to reconcile how against many people s wishes the connection between money and politics has come to define American democracy Examining the issue from the perspective of the public the courts big business Congress and the presidency Heath Brown argues that money can often be harmful to the political process but not always in ways we expect or in ways we can directly observe More money does not necessarily guarantee electoral legislative or executive victories but money does greatly change political access opportunity and trust Without a nuanced understanding of the nature of the problem future reforms will be misguided and fruitless Pay to Play Politics concludes by making concrete recommendations for reform including feasible ways to reach bipartisan consensus
