legislation Although a painful history to confront this book inspires as it probes the enduring story of racial inequality and the ongoing fight for freedom in black America If It Ain't Woke, Don't Fix It Ben Shapiro, 2022-11 We all know 2021 and 2022 have been hard on Americans and the radical Left hasn't missed a single opportunity to scold everyday Americans who don't subscribe to an ideology that inaccurately brands itself as the vanguard of social justice In this collection of syndicated columns Ben Shapiro expertly refutes the fictions the Left depends on to survive From demonizing dissent to outright lying this collection compiles the greatest sins of the pious Left and gives conservatives the tools to fight back **No Free Ride** Kweisi Mfume, Ronald Stodghill, II, 1997-05-06 Courageous Uplifting Triumphant The story of Kweisi Mfume is a classic American saga Uprooted from the rural tranquillity of Turners Station and thrust upon the gritty streets of west Baltimore the child born Frizzell Gray seemed fated to become another statistic of Black urban pathology In a household shattered by domestic violence and emotional strife Frizzell had only the strong arms of his loving mother to protect him and his three younger sisters But when he was sixteen years old his cancer stricken mother died in his arms and his world was shattered To survive he turned to the streets He dropped out of school worked odd jobs and hustled for money Torn apart by the rough code of street gangs and the Vietnam war that sent his best friends home in body bags Frizzell had fathered five children out of wedlock by the time he was twenty two But fate stepped in In a life altering moment of revelation Frizzell saw where he was headed and realized that everything about the old Frizzell Gray would have to die As he embarked on the journey to transform himself he affirmed his spiritual rebirth and took the name Kweisi Mfume Ghanian for Conquering Son of Kings Today a quarter century later Kweisi Mfume is among the most respected and influential leaders in the United States Mfume's journey into the nation's power elite was as rocky as it was colorful from night GED courses to college student activism to militant radio disc jockey where his first philosophical battles were fought against James Brown the Godfather of Soul Mfume's emergence as a political figure broke every rule he parlayed his burgeoning fame as a talk radio provocateur to win a seat as a maverick member of the Baltimore City Council He then took on the local political machine to represent a Congressional district that encompasses both the poorest of the poor and the richest of the rich Once he arrived in Washington Mfume proved to be a bold political strategist facing off against Presidents Reagan Bush and Clinton on such issues as aid to the Nicaraguan contras the Civil Rights Bill Lani Guinier's embattled nomination for Attorney General and sending U S armed forces into Haiti As Chairman of the Congressional Black Caucus he led the CBC through a period of unprecedented dynamism And in international affairs Mfume's relentless campaign to end apartheid has earned him the respect and friendship of Nelson Mandela Far from a kiss and tell political memoir *No Free Ride* illuminates the forces that helped shape a new wave of Black leaders left to carry the torch for Martin Luther King Jr and Malcolm X Mfume moves beyond the divisive rhetoric of white fear and Black anger generated by the assault on affirmative action the O J verdict and the Million Man March He exposes the myth of arrogant self righteous values and affirms the real value of values And while Mfume

asserts that the government can't and won't solve every one of our problems he doesn't hesitate to indict those who collude in the soul murder of America's poor and forgotten In this candid and insightful memoir Mfume reminds us that everything has a price and that as citizens of a democracy none of us can expect a free ride His visionary blueprint for all Americans white and Black can guide us as we face the challenge of fashioning a society in which our two nations can at last become one     Black Heroes Errol Hill, 1989 Includes plays by Langston Hughes Randolph Edmonds May Miller William Branch Edgar White Phillip Hayes Dean and Ron Milner     Free Trade Broadside , 1905     **After the Glory** Helen Topping Miller, 2023-05-30 A Tennessee family following the American Civil War experiences many setbacks but in the end resolves to overcome their difficulties
