Revolution Big Bill Otter apprentice journeyman master plasterer was a thug Otter's autobiography first published in 1835 provides a rare and fascinating counterpoint to romantic notions of virtuous respectable craftsmen in the early republic His Life and Adventures offer an inside account of the brawling racism common in the early nineteenth century and sharply detail the rowdy male subculture of the times Born in England and conscripted into the British Navy during the Napoleonic wars Otter jumped ship and came to New York City in 1801 He apprenticed as a plasterer and joined an urban gang later he was a master plasterer tavernkeeper slavecatcher Jackson man bigot town bully notorious practical joker borderline psychopath mayoral candidate and all round jolly fellow History of My Own Times is one of the few first person accounts of a rural artisan in pre genteel America The book depicts the ambiguities of race relations in the early nineteenth century sheds light on its definition of manhood and conveys a sense of humor very different from today's Richard B Stott's introduction and commentary place Otter in the context of his times and explore the significance of his autobiography in understanding the social and cultural history of the early American republic MEMORIES: A Collection of Stories of Family Life in the 30_s 40_s and 50_s Robert E. Pavese, 2022-12-08 This is an attempt to bring to life some of the memories of joys hardships and lessons learned from life in the 1930s and 1940s in the great nation the United States of America With the Depression and World Wars I and II came a need for people to care for each other in order to survive and to save and rebuild families and communities Our family had extremely limited resources but extremely unlimited desires for a dignified lifestyle in the midst of those hardships Family and friends were one and the same when it came to caring for each other How blessed we would all be if the lessons learned back then were applied to our day by day lives today Today many neighbors are strangers to each other and there seems to be a general disregard for the needs of others Consequently the government has been able to move in quickly to fill the gap at the expense of the dignity of the people of our great nation Freedom is not without struggle and strife for life liberty and dignity Thank you **Cotton Mules**, 1927 **Cotton Spinning** Thomas Thornley, 1927
