Monsarrat At Sea:

Monsarrat at Sea Nicholas Monsarrat, 1977 **The Cruel Sea** Nicholas Monsarrat, 2011-12-30 The highly acclaimed *Cruel Sea* is one of the all time great naval and war thrillers It covers the battle of the Atlantic and the people who fought it their domestic triumphs tragedies worries and ambitions The film was a smash hit when released and enjoys undiminished popularity along with the book Three Corvettes Nicholas Monsarrat, 2000 The Sinking of HMAS Sydney Doctor Tom Lewis, 2024-01-03 HMAS Sydney was the pride of the fleet during the Second World War A light cruiser and one of Australia's main combat vessels On the 19th November 1941 off the coast of Western Australia The Sydney engaged in a fierce and bloody battle with the German raider Kormoran Following this action The Sydney failed to return to port An extensive search and rescue carried out but the warship had disappeared with all 645 men on board Whilst the battle lasted little more than an hour this single ship engagement remains Australia's greatest naval disaster More Australian servicemen died in the battle between the German raider Kormoran and the light cruiser HMAS Sydney than perished in the Vietnam War It was not until 2008 that the wreck was discovered The passage of time between the sinking and the discovery led to numerous mystery and conspiracy theories all of which started replacing the truth Now with an explanation of how those on board lived fought and died this book tells the full story *The Veterans' Tale* Frances Houghton, 2019-01-10 This is a unique account of the ways in which British veterans of the Second World War remembered understood and recounted their experiences of battle throughout the post war period Focusing on themes of landscape weaponry the enemy and comradeship Frances Houghton examines the imagery and language used by war memoirists to reconstruct and review both their experiences of battle and their sense of wartime self Houghton also identifies how veterans' memoirs became significant sites of contest as former servicemen sought to challenge what they saw as unsatisfactory official scholarly and cultural representations of the Second World War in Britain Her findings show that these memoirs are equally important both for the new light they shed on the memory and meanings of wartime military experience among British veterans and for what they tell us about the cultural identity of military life writing in post war British society **Lives of the Novelists** John Sutherland, 2012-03-27 No previous author has attempted a book such as this a complete history of novels written in the English language from the genre's seventeenth century origins to the present day In the spirit of Dr Johnson's *Lives of the Poets* acclaimed critic and scholar John Sutherland selects 294 writers whose works illustrate the best of every kind of fiction from gothic penny dreadful and pornography to fantasy romance and high literature Each author was chosen Professor Sutherland explains because his or her books are well worth reading and are likely to remain so for at least another century Sutherland presents these authors in chronological order in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer's work Taken together these novelists provide both a history of the novel and a guide to its rich variety Always entertaining and sometimes shocking Sutherland considers writers as diverse as Daniel Defoe Henry

James Joyce Edgar Allan Poe Virginia Woolf Michael Crichton Jeffrey Archer and Jacqueline Susann Written for all lovers of fiction *Lives of the Novelists* succeeds both as introduction and re introduction as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings
