Chansky, 2025-09-23 A follow up to Blue Blood that tells the recent history of the Duke Carolina college basketball rivalry. When Art Chansky's Blue Blood was published in 2005 ESPN's Dick Vitale said it was about the greatest rivalry not just in college basketball but in all of sports and the book was hailed by The East Carolinian as the holy text for both sides of the rivalry. Now 13 years later Chansky revisits the fiercest college basketball rivalry. Since 2005 Duke Carolina has been a study of rival recruiting philosophies disparate playing styles classic game encounters coaching milestones All American and NBA draft picks galore plus off the court drama and most recently the ultimate question of who will be the next caretakers to this national treasure. Winning more Atlantic Coast Conference and NCAA championships than the rest of the ACC combined.

made Duke and UNC the true blue bloods of basketball When the prequel to this book was published in 2005 few fans thought the passionate backyard battle could get any better but the last 13 years have added new colors and different fabrics to the mosaic that is the remaining virtue of the college game s regular season which for everyone else is now a qualifying run to the NCAA tournament and March Madness Chansky brings all of these details to light making Blue Blood II a must have follow up for Duke and UNC fans and college basketball fans in general *Monster Blood III* R. L. Stine,2007-02 Evan s plan to get back at his cousin Kermit for his practical jokes backfires and he finds himself turning into a giant
