Montauk Fault:

The Montauk Fault Herbert Mitgang, 1981-01-01 **U.S. Geological Survey Professional Paper**, 1914 **Reports Containing the Cases Determined in All the Circuits from the Organization of the Courts**, 1916 United States Circuit Courts of Appeals Reports, 1910 The Geology of Long Island, New York Myron L. Fuller, 1914 *Digest of American Maritime Cases*, 1928 Abraham Lincoln: A Press Portrait Herbert Mitgang, 2015-11-24 To say he is ugly is nothing To add that his figure is grotesque is to convey no adequate impression He is destined to occupy in history a quaintness originality courage honesty magnanimity and popular force of character such as have never heretofore These starkly different 19th century newspaper depictions describe one and the same man Abraham Lincoln Nearly 150 years after his death Lincoln is universally considered our most beloved U S president Yet in his own time the reception he received at the hands of journalists was far more mixed In this essential volume noted Lincoln scholar Herbert Mitgang has painstakingly gathered the most thorough wide ranging collection of actual newspaper accounts that show how Lincoln was portrayed by northern southern and foreign newspapers It reveals a far more beleaguered less godlike and finally a richer Lincoln than has come through many other biographies While often revered in print for example he was just as often crucified even by some newspapers in his home state of Illinois that portrayed him throughout his career as a joker instead of a thinker Most shockingly perhaps one Houston paper wrote after his assassination From now until God s judgment day the minds of men will not cease to thrill at the killing of Abraham Lincoln For those only familiar with the retouched versions of Lincoln s life Abraham Lincoln A Press Portrait offers an often surprising and wholly unsanitized account of how his contemporaries actually saw him before during and after the Civil War It is must read for the serious scholar and Lincoln buff alike

Newsmen in Khaki Herbert Mitgang, 2004-08-19 Newsmen in Khaki is a personal memoir about The Stars and Stripes the heroic armed forces newspaper told through the eyes of the author who was an Army correspondent and managing editor for editions in North Africa and Sicily during World War II It is told in the form of human tales including encounters with the men women and children in Casablanca Algiers Palermo Rome Pisa Florence Corsica and Greece In addition to his own pieces Mitgang includes articles by other famous authors in uniform Irwin Shaw Klaus Mann Bill Brinkley etc as well as the voices of many American GIs The epilogue covers the author s post war career most notably his long running stint at the New York Times where he served as an editor columnist book critic editorial writer and founder of the Op Ed page **Casanova Was A Book Lover** John Maxwell Hamilton, 2000-04-01 Everyone knows which books people buy they can just look at the best seller lists But who knows which books people steal Who for that matter knows that authors ruin the book market by writing too much Or why book critics are not critical Or why librarians need to throw out more books Who indeed knows the answer to that all important question in our democracy should presidents and presidential candidates write books The answer is no In this irreverent analysis of the book industry John Maxwell Hamilton a longtime journalist and public radio

commentator answers these questions and many more proving that the best way to study books is not to take them too seriously He provides a rich history of the book from the days when monks laboriously hand copied texts to the tidal wave of Titanic tie ins and gives a succinct overview of the state of the industry today including writing marketing promoting reviewing ghostwriting and collecting Throughout Hamilton peppers his prose with spicy tidbits of information that will fascinate bibliophiles everywhere For instance did you know that Walt Whitman was fired from a government job because his boss found Leaves of Grass and its author immoral Or that the most stolen book in the United States is the Bible followed by The Joy of Sex How about that Dan Quayle s 1989 Christmas card read May our nation continue to be a beakon of hope to the world Or that Casanova was an ardent lover of books as well as women Hamilton offers an inside look at the history and business of book reviewing explaining why more often than not reviewers resemble counselors at a self esteem camp and examining the enormous impact of the Oprah effect on the market As the self appointed Emily Post of the book world he advises publishers authors and readers on proper etiquette for everything from book parties Feel free to build a party around a theme in a book no matter how tacky and jacket photos You should not show off your new baby unless your book is about raising kids to book signings Just because an author has given you an autograph does not mean they want to become your pen pal and promotion by friends and relatives They should carry the book at all times on public transportation with the cover showing Both edifying and enjoyable Casanova Was a Book Lover fills a Grand Canyon sized void in the literature on literature It is indispensable for book enthusiasts who want to know the naked truth about reading writing and publishing
