Bibliography of the History of Medicine, 1993 **Ladies and Gentlemen on Display** Charlene M. Boyer Lewis, 2001 Written as a dissertation in history at the U of Virginia this study recreates the societal mores displayed at summer resorts at Virginia Springs from 1790-1860 as this was recorded in the letters and other archives of families who sojourned there Lewis history Widener U suggests that her history provides a new insight into plantation society by recording responses to unusual events and lack of routine She supplements the account with some analysis of the sources for the romantic and idealistic views of this culture Annotation copyrighted by Book News Inc Portland OR *Patrick N. mission to Rome on behalf of Jefferson Davis's government Upon Lynch's return which was accomplished only after a pardon from U S President Andrew Johnson he dedicated himself to rebuilding his battered diocese and retiring an enormous debt that had resulted from the conflagration of 1861 which destroyed the Cathedral of St John and St Finbar and wartime destruction in Charleston Columbia and throughout the state Lynch executed plans to assimilate newly freed slaves into the Catholic Church and to welcome Catholic immigrants from Europe and the northern states Traveling throughout the eastern United States he gave lectures to religious and secular organizations presided over dedications of new churches and gave sermons at consecrations of bishops and installations of cardinals all the while begging for contributions to rebuild his diocese Upon his death Lynch was celebrated throughout his city state and nation for his generosity of spirit intellectual attainments and dedication to his holy church
