New York City Court Records 17601797:

New York City Court Records, 1760-1797, 1983 This book is National Genealogical Society Special Publication 52 S0052HB 22 00 **The Sewing Girl's Tale** John Wood Sweet, 2022-07-19 New York Times Editors Choice Winner of the Bancroft Prize Winner of the Francis Parkman Prize Winner of the Gotham Book Prize Winner of the New York Society Library's New York City Book Award Journal of the American Revolution Book of the Year Winner of the David J Langum Sr Prize in American Legal History Winner of the James Bradford Best Biography Prize A riveting Revolutionary Era drama of the first published rape trial in American history and its long shattering aftermath revealing how much has changed over two centuries and how much has not On a moonless night in the summer of 1793 a crime was committed in the back room of a New York brothel the kind of crime that even victims usually kept secret Instead seventeen year old seamstress Lanah Sawyer did what virtually no one in US history had done before she charged a gentleman with rape Her accusation sparked a raw courtroom drama and a relentless struggle for vindication that threatened both Lanah's and her assailant's lives The trial exposed a predatory sexual underworld sparked riots in the streets and ignited a vigorous debate about class privilege and sexual double standards The ongoing conflict attracted the nation's top lawyers including Alexander Hamilton and shaped the development of American law The crime and its consequences became a kind of parable about the power of seduction and the limits of justice Eventually Lanah Sawyer did succeed in holding her assailant accountable but at a terrible cost to herself Based on rigorous historical detective work this book takes us from a chance encounter in the street into the sanctuaries of the city's elite the shadows of its brothels and the despair of its debtors prison The Sewing Girl's Tale shows that if our laws and our culture were changed by a persistent young woman and the power of words two hundred years ago they can be changed again Includes photographs **Prestatehood Legal Materials** Michael Chiorazzi, 2013-05-13 Explore the controversial legal history of the formation of the United States Prestatehood Legal Materials is your one stop guide to the history and development of law in the U S and the change from territory to statehood Unprecedented in its coverage of territorial government this book identifies a wide range of available resources from each state to reveal the underlying legal principles that helped form the United States In this unique publication a state expert compiles each chapter using his or her own style culminating in a diverse sourcebook that is interesting as well as informative In Prestatehood Legal Materials you will find bibliographies references and discussion on a varied list of source materials including state codes drafted by Congress county state and national archives journals and digests state and federal reports citations surveys and studies books manuscripts papers speeches and theses town and city records and documents Web sites to help your search for more information and more Prestatehood Legal Materials provides you with brief overviews of state histories from colonization to acceptance into the United States In this book you will see how foreign countries controlled the laws of these territories and how these states eventually broke away to govern themselves The text also covers the legal issues with Native Americans

inter state and the Mexico and Canadian borders and the development of the executive legislative and judicial branches of state government This guide focuses on materials that are readily available to historians political scientists legal scholars and researchers Resources that assist in locating not so easily accessible materials are also covered Special sections focus on the legal resources of colonial New York City and Washington DC which is still technically in its prestatehood stage Due to the enormity of this project the editor of Prestatehood Legal Materials created a Web page where updates corrections additions and more will be posted
