The Vietnam Run Michael Gillen, 2023-03-17 On the same day the Japanese surrender ended World War II Vietnamese nationalists declared independence from France Within weeks France sought to reestablish colonial rule American merchant seamen arriving in French ports to ship GIs back to the U S were dismayed when French troops bound for Vietnam came aboard instead Many of these seamen objected because American veterans awaited transport home and because they flew in the face of Allied war aims of national self determination Later with the Vietnam War effort dependent on Merchant Marine logistical support seamen were among the first to protest U S involvement With firsthand recollections this book tells the story from deadly encounters with mines rockets and gunfire to evacuations of refugees and to rescues of boat people in the South China Sea

America's Longest Run Andrew Davis, 2010-01-01 America's Longest Run A History of the Walnut Street Theatre traces the history of America's oldest theater The Philadelphia landmark has been at or near the center of theatrical activity since it opened as a circus on February 2 1809 This book documents the players and productions that

appeared at this venerable house and the challenges the Walnut has faced from economic crises changing tastes technological advances and competition from new media The Walnut s history is a classic American success story Built in the early years of the nineteenth century the Walnut responded to the ever changing tastes and desires of the theatergoing public Originally operated as a stock company the Walnut has offered up every conceivable form of entertainment pageantry and spectacle opera melodrama musical theater and Shakespeare It escaped the wrecking ball during the Depression by operating as a burlesque house a combination film and vaudeville house and a Yiddish theater before becoming the Philadelphia headquarters for the Federal Theatre Project Because Philadelphia is located so close to New York City the Walnut has served as a tryout house for many Broadway bound shows including A Streetcar Named Desire The Diary of Anne Frank and A Raisin in the Sun Today the Walnut operates as a nonprofit performing arts center It is one of the most successful producing theaters in the country with more than 350 000 attending performances each year The War of the Rebellion United States. War Department,1895 Return to Bull Run John J. Hennessy,2012-09-06 This comprehensively researched well written book represents the definitive account of Robert E Lee s triumph over Union leader John Pope in the summer of 1862 Lee s strategic skills and the capabilities of his principal subordinates James Longstreet and Stonewall Jackson brought the Confederates onto the field of Second Manassas at the right places and times against a Union army that knew how to fight but not yet how to win Publishers Weekly Thirteen Months at Manassas/Bull Run Don Johnson,2013-09-19 This Civil War history focuses on Prince William County Virginia where two of the war s greatest engagements were fought thirteen months apart The First and Second Battles of Manassas are described in profound detail but so are the lives of resident families as a cloud of despair hangs over their lands The book captures the experiences of leaders and privates the good and the bad while revealing horrific accounts of civilian victims largely undisclosed until the writing of this book **Women Who Run with the Wolves** Clarissa Pinkola Estés Phd,1995-08-22 NEW YORK TIMES BESTSELLER More than 2 7 million copies sold A deeply spiritual book that honors what is tough smart and untamed in women The Washington Post Book World Book club pick for Emma Watson s Our Shared Shelf Within every woman there lives a powerful force filled with good instincts passionate creativity and ageless knowing She is the Wild Woman who represents the instinctual nature of women But she is an endangered species For though the gifts of wildish nature belong to us at birth society s attempt to civilize us into rigid roles has muffled the deep life giving messages of our own souls In Women Who Run with the Wolves Dr Clarissa Pinkola Est s unfolds rich intercultural myths fairy tales folk tales and stories many from her own traditions in order to help women reconnect with the fierce healthy visionary attributes of this instinctual nature Through the stories and commentaries in this remarkable book we retrieve examine love and understand the Wild Woman and hold her against our deep psyches as one who is both magic and medicine Dr Est s has created a new lexicon for describing the female psyche Fertile and life giving it is a psychology of women in the truest sense a knowing of the soul

Frank "Home Run" Baker Barry Sparks, 2005-11-14 In the decades before baseball fans became enamored of sluggers like Babe Ruth and Jimmie Foxx very few players were identified with the long ball Instead the game was dominated by men like Ty Cobb and Honus Wagner players who sprayed the ball around the park stole bases and mastered the hit and run In fact only one player entered the baseball mythology for his slugging Frank Home Run Baker Born in Trappe Maryland in 1886 Baker earned his moniker by hitting two game changing homers in the 1911 World Series That was the also the first year he led the American League in home runs with the grand total of 11 Altogether he led for four consecutive years 1911 1914 though he never hit more than 12 dingers in a single season Playing third base for the Philadelphia Athletics and the New York Yankees Baker led the way for the more Ruthian totals to come in the Roaring 20s His is the story of a young player who at the height of his career risked throwing it all away in a contract dispute with the legendary Connie Mack It is the story of the deadball era and the transition to the game we know today **Maps of First Bull Run** Bradley Gottfried, 2009-06-11 Bradley M Gottfried's *The Maps of First Bull Run* An Atlas of the First Bull Run Manassas Campaign including the Battle of Ball's Bluff June October 1861 is the eagerly awaited companion volume to his bestselling *The Maps of Gettysburg* 2007 two editions four printings part of the ongoing Savas Beatie Atlas Series *The Maps of First Bull Run* breaks down the entire operation and related actions into numerous map sets or action sections enriched with more than fifty full color original full page maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefield and virtually every significant event in between At least two and as many as seventeen maps accompany each action section Keyed to each piece of cartography is a full facing page of detailed text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the story of First Bull Run come alive This original presentation makes it easy for readers to quickly locate a map and text on virtually any portion of the campaign Readers will maneuver with Confederate and Union armies in the Shenandoah Valley march with General McDowell's Federals to the plains of Manassas and fight blow by blow through the battle up to its stunning climax on Henry House Hill and the final retreat from the battlefield all the way to Washington The smaller but important Battle of Ball's Bluff is also covered in the same fashion as is the skirmish at Lewinsville Serious students will appreciate the extensive and authoritative endnotes bibliography and complete orders of battle They will also want to bring the book along on their trips to the battlefields Perfect for the easy chair or for walking hallowed ground *The Maps of First Bull Run* is a seminal work that like his earlier *Gettysburg* study belongs on the bookshelf of every serious and casual student of the Civil War About the

Author Bradley M Gottfried Ph D is the President of the College of Southern Maryland An avid Civil War historian Dr Gottfried is the author of five books including *Brigades of Gettysburg The Union and Confederate Brigades at the Battle of Gettysburg* 2002 and *The Maps of Gettysburg* 2007 He is currently working with co editor Theodore P Savas on a *Gettysburg Campaign encyclopedia* *Willow Run* Randy Hotton and Michael W.R. Davis,2016 A pictorial history of Willow Run a relative unknown location that became the world s most famous bomber factory during World War II In May 1940 Pres Franklin D Roosevelt called for the production of 50 000 military airplanes He then drafted the president of General Motors William Knudsen to mobilize industry in the United States The automotive companies were called upon to produce a massive fleet of bombers as well as tanks trucks guns and engines By the Willow Run a sleepy little creek near Ypsilanti Michigan Ford Motor Company built the world s most famous bomber factory which was the ultimate manifestation of the automotive industry s role in building armaments during World War II By the spring of 1944 Willow Run was producing a four engine B 24 bomber each hour on an assembly line *Last Run of the Whisperer* Calvin J. Boal,2011-06-03 *Last Run of the Whisperer* is a historical fiction novel based upon the Revolutionary War records of William Waterman of Norwich Connecticut colony The author has taken the information that William Waterman has provided to us through his own account of his service in the American Revolution when he petitioned the United States Congress in 1832 for a pension for said service The author has taken the information provided by William Waterman and completed extensive research on the battles and areas of service that our hero served in embellishing and expounded upon this information to develop an exciting and accurate historical story surrounding our hero William Waterman William Waterman himself in his petition to the United States Congress identifies one severe wound received in said service at the battle of White Plain in the colony of New York above New York City This wound by itself could have cost our hero his life That he survived this wound and the numerous other battles and action that he undoubtedly saw was extraordinary Although William Waterman lists a number of battles and theatres of war he saw service in he does not describe the details of these battles The author takes his literary liberty upon researching these battles and events to interject our hero into the battles That William Waterman is involved in each and every one of these battles or theatres of war in based upon William Waterman s own account Upon his completion of service in the Continental army William Waterman listed his next service as a privateer that is as a licensed pirate The author has taken the liberty to believe that William Waterman engaged as a privateer in the cause of the upstart Americans and prayed upon British shipping as he makes no mention of serving the British in his petition to the United States Congress and infact lists his service as a privateer in his petition for his pension indicating that all of his papers and records of his service in the Continental army were lost when the ship he was engaged on as a privateer was sunk leading to his subsequent imprisonment by the British on the prison ship *Jersey* Our hero William Waterman also does not identify the name of the ship on which he was engaged as a privateer Again the author takes his literary liberty to name the privateer ship and thus we

have the Last Run of the Whisperer During the course of our adventure William Waterman loses his boyhood friend to the cause of the American Revolution learns that his father is fighting against him on the side of the British loses his first love to another man while he is imprisoned and eventually finds the girl he is to marry while hiding from the British William Waterman finds peace and contentment spending his life after the war living in the Green Mountains of Vermont *The New York Times Index*, 1914 The Routledge Handbook of Modern Economic History Robert M. Whaples, Randall E. Parker, 2013-01-17 The Routledge Handbook of Modern Economic History aims to introduce readers to important approaches and findings of economic historians who study the modern world Its short chapters reflect the most up to date research and are written by well known economic historians who are authorities on their subjects Modern economic history blends two approaches Cliometrics which focuses on measuring economic variables and explicitly testing theories about the historical performance and development of the economy and the New Institutional Economics which focuses on how social cultural legal and organizational norms and rules shape economic outcomes and their evolution Part 1 of the Handbook introduces these approaches and other important methodological issues for economic history The most fundamental shift in the economic history of the world began about two and a half centuries ago when eons of slow economic change and faltering economic growth gave way to sustained rapid economic expansion Part 2 examines this theme and the primary forces economic historians have linked to economic growth stagnation and fluctuations including technological change entrepreneurship competition the biological environment war financial panics and business cycles Part 3 examines the evolution of broad sectors that typify a modern economy including agriculture banking transportation health care housing and entertainment It begins by examining an equally important sector of the economy which scholars have increasingly analyzed using economic tools religion Part 4 focuses on the work force and human outcomes including inequality labor markets unions education immigration slavery urbanization and the evolving economic roles of women and African Americans The text will be of great value to those taking economic history courses as well as a reference book useful to professional practitioners policy makers and the public America Moved Booth Tarkington, 2015-02-27 America Moved Booth Tarkington s Memoirs of Time and Place 1869 1928 brings together for the first time all of the autobiographical writings of Booth Tarkington one of the most successful and best loved writers in American history These are the memoirs of one of America s greatest literary figures and one of the keenest interpreters of American manners and mores During his lifetime Tarkington was immensely popular From 1902 to 1932 nine of his books were top ten bestsellers The Magnificent Ambersons and Alice Adams won Pulitzer Prizes and Tarkington s Penrod stories became widely recognized as young adult classics America Moved demonstrates that Tarkington s writing and powers of social observation stand the test of time Written in a genial easygoing style America Moved gently but consistently interrogates the values of the new commercial industrial age especially its obsessions with speed growth and efficiency The humane skepticism Tarkington directs in these

pages toward the automobile sprawl and the cult of Progress identifies him as a voice quite at home in the twenty first century America Moved will delight readers with an enjoyable eyewitness account of the vast social and cultural changes that transformed America between the Civil War and the Great Depression The Black Diamond ,1927 *Terrestria (Stone Bridge Run) Planned Unit Development, Camden County* ,1979
