Women at the Crossroads Chana Bracha Siegelbaum,2010 Women at the Crossroads A Woman s Perspective on the Weekly Torah Portion comprises 53 essays pertaining to women based on each of the weekly Torah Portions throughout the year Rebbetzin Chana Bracha Siegelbaum discusses in depth the characters and dilemmas of the women in the Torah that are relevant to the issues which women encounter today The author explores the underlying values of laws and rituals that pertain to women by examining the inherent nature of women as presented in the Torah Based on the intricacies of the Torah text she shows the beauty and depth of the role of women as portrayed in the Torah and teaches the importance of women

and their immense influence on society as prime movers of history The book is divided into five chapters corresponding to the five books of the Torah Each chapter is divided into sections according to each Torah portion In addition it includes a comprehensive and useful compilation of biographies of the commentaries quoted in the book Expounding the Torah text through methodical research of Midrash Talmud and traditional commentators such as Rashi and the Ramban placed side by side with Chassidic masters like the Me or v Shemesh and modern commentators including Rabbi Aryeh Kaplan Rebbetzin Chana Bracha Siegelbaum weaves together the strands that make up the tapestry of life for the contemporary woman Rather than paying homage to the external competitive masculine world the author demonstrates how Jewish women of today may look inwards to the women in the Torah for guidance in choosing their priorities in life **Davening Zalman**

Schachter-Shalomi, Joel Segel, 2012 This fresh approach to prayer is for all who wish to appreciate the power of prayer s poetry and song jump into its ceremonies and rituals and join the age old conversation that Jews have had with God Reb Zalman one of the most important Jewish spiritual teachers in contemporary American Judaism offers you new ways to pray new channels for communicating with God and new opportunities to open your heart to God s response **Philo's**

Scriptures: Citations from the Prophets and Writings Naomi Cohen, 2007-11-30 It is indeed remarkable that although Philo has quoted extensively from the Pentateuch his works contain no more than forty six references to the Prophets and Writings The author provides a convincing explanation for every one of these citations It corroborates the thesis that Philo availed himself of lexicographic aids and midrashic material and further that even when the language of their composition was Hebrew Aramaic that he used them in Greek translation It identifies a circle engaged in esoteric philosophic allegorization of Scriptures with which Philo associated and it finds that the specific quotations from the Prophets point to the existence already in the 1st century CE of a traditional Haftarah Cycle The book fills a long felt lacuna From One End of the Earth to the Other Jeremy I. Pfeffer, 2008-09-01 Recounts the history of the London Bet Din from 1805 to 1855 as

revealed by the Pinkas record and relates the stories of Jewish convict transportees and their families *Truths Desired by God* Meir Tamari, 2011 With the mounting interest in traditional Jewish texts classes abound in Chumash Talmud Tehillim and the Megillot Yet the books of Nevi im through which a major part of Judaism s special message is transmitted have been largely overlooked Using the weekly haftarah as his entry renowned author Dr Meir Tamari tackles this challenge offering original insights and bringing together commentators from the span of Jewish history **Onkelos on the Torah:**

Ba-midbar Israel Drazin, Stanley M. Wagner, 2006 Onkelos On the Torah is a unique and remarkable translation and English commentary of the Targum Onkelos the first and only rabbinically authorized translation of the Torah The Book of Leviticus the first of this five volume set to be published is a deluxe edition which contains the Hebrew Massoretic text a vocalized text of Onkelos and Rashi Haphtarot in Hebrew with an English translation from the Aramaic Targumim a scholarly appendix and a Beyond the Text exploration of biblical themes **Inside the Torah** Rabbi Charna S. Klein, 2020-08-26 God gave the

Torah to Moses and our ancestors at Mount Sinai thousands of years ago and we've been studying it ever since Rabbi Charna S Klein continues the tradition in this scholarly work interpreting the Torah's fifty-four chapters in *Inside the Torah*. Klein presents interpretations from ancient Sages to modern commentators and adds original rabbinic interpretations on important topics such as creation, evolution, societal development, gender, sexual diversity, and more. The author also applies scientific lenses including cultural, archeological, physical, and medical anthropology to explicate hidden meanings in the Biblical text. Meant for Jews and non-Jews, the book is a significant contribution on the interpretation of the Torah from the perspectives of Chassidus and the Jewish mystical tradition of Kabbalah, its concepts, structures, and meaning. Rabbi Klein encourages the Jewish people as inheritors of the Mosaic tradition to connect with God and repair ourselves and the world. Awaken, know, delve deep, and reach high to make yourself a vessel for good.
