Psycho Ethical Aspects Of Abhidhamma:

The Psycho-ethical Aspects of Abhidhamma Rina Sircar,1999 The Psycho Ethical Aspects of Abhidhamma brings the essence of Buddhist psychology called Abhidhamma to the Western world using the related portions of the Pali Buddhist literature Rina Sircar utilizes parables stories and concepts that are current to Western thought to emphasize and clarify the understanding of the value and efficacy of the Buddha's teaching as an introduction to those interested in Abhidhamma He presents concepts related to the main ideas of Western psychology such as personality which relates closely to the Buddhist definition of self Buddhism calls any static unchanging definition of self an illusion and deception that leads to fear and pain Rather the self is understood as mentality and materiality that can be validated through the meditation practice on the thirty two parts of the body that can lead to a direct experience of the self and can even heal illnesses The author describes how this spiritual process leads to the understanding of Who am I and What am I Its goal is to perfect the constantly changing person into the arahat as the wheel of existence turns into the wheel of truth by following a path of purification and deliverance

The Web of Buddhist Wisdom Frits Koster,2015 Long before people in the West started to study the workings of the human mind Buddhism was trying to understand body and mind through introspection and meditation This knowledge has grown to be a very thorough and detailed classification and analysis of mental and physical phenomena This refined study is known as the Abhidhamma literally Higher Teachings In Southeast Asia students normally spend more than seven years studying these teachings Frits Koster has lived as a Buddhist monk in Thailand and Burma where he had the privilege to study parts of the Abhidhamma In The Web of Buddhist Wisdom he explains important themes such as consciousness mental concomitants physicality and the experience of Enlightenment in a clear and accessible way In addition he addresses the law of kamma the process of dying and rebirth the four Noble Truths and the value of the Abhidhamma The Web of Buddhist Wisdom which is illustrated with drawings by Fop Smit offers a rich and accessible guide for anyone who is interested in the working of the human mind It offers a clear and simple acquaintance with the world of the Abhidhamma and an old yet very accurate mirror of our existence

Minding What Matters Robert Langan,2006-06 Minding What Matters interweaves beautifully written expositions of Buddhist topics and compelling fictional dialogues between a patient and psychotherapist With vivid immediacy and a sense of playfulness Langan shows how any one of us can intimately explore the full possibilities of our own minds This unique book offers in Robert Coles words an entrancing vision of what it is possible to do and to be Book jacket

A Comprehensive Manual of Abhidhamma Anuruddha,2000 Abhidhamma has the fearsome reputation of being somewhat juiceless to a beginner I was delighted to find that in the introductory chapter Bhikkhu Bodhi gives his explanation of the four fold ultimate realities in a very clear calm exact and expressive way He brings to the subject a distinctively passionate voice and profound care and respect for the unfathomable wisdom of the Buddha This is a brilliant gem of a guidebook and will lead the reader to new dimensions of the wisdom of the Buddha Book jacket
