Hoosier Public Enemy John Beineke, 2014 During the bleak days of the Great Depression news of economic hardship often took a backseat to articles on the exploits of an outlaw from Indiana John Dillinger For a period of fourteen months during 1933 and 1934 Dillinger became the most famous bandit in American history and no criminal since has matched him for his celebrity and notoriety Dillinger won public attention not only for his robberies but his many escapes from the law The escapes he made from jails or tight spots when it seemed law officials had him cornered became the stuff of legends While the public would never admit that they wanted the bad guy to win many could not help but root for the man who appeared to be an underdog Although his crime wave took place in the last century the name Dillinger has never left the public imagination

Public Enemy No. 1 - Innovation Sebastian Heinz, 2025-05-30 Innovation secures our future yet is

systematically obstructed Why do so many promising ideas fail not because the market rejects them but because of power games greed and ignorance Why are ground breaking technologies and ideas sidelined diminished or actively opposed And what does it really take to bring an innovation to life **Public Enemy No 1** Innovation is a raw revealing journey through the political financial and human minefield that surrounds real world innovation drawn from 12 years experience inside the shark tank of the energy transition industry With unflinching honesty sharp storytelling and real operational insight this book explores the patterns fallacies roadblocks and strategies that separate success from failure There s no master plan but there is a playbook A must read for doers dreamers founders and anyone who wants to understand why innovation has become the most dangerous threat to the establishment Uncomfortable Courageous Inspiring **Public Enemy Number 2** Anthony HOROWITZ,1987 *Inside Obama's Brain* Sasha Abramsky,2009-12-01 Never has the world needed strong and wise American leadership more than it does now Abramsky s eminently readable description of Obama s personal gifts makes it clear that he is remarkably suited to be the president the moment requires Former New York Governor Mario M Cuomo From the moment he burst onto the national political scene Barack Obama has fascinated people more than any politician in decades Many biographers have already retold his story but no previous book truly explains how his mind works what passions drive him or what makes him such an effective leader This concise profile explores the ideas inspirations and experiences that have shaped the president It quotes a wide network of sources including many who broke long standing vows of silence to offer their candid and surprising observations Award winning journalist Sasha Abramsky interviewed close to one hundred of Obama s current and former friends colleagues classmates teachers staff mentors basketball buddies fellow Chicago activists media consultants editors and even his next door neighbors from Hyde Park These people each know a part of Obama s life and career which the author blends the pieces into a uniquely detailed analysis Abramsky explains the origins of Obama s extraordinary poise focus and self confidence his powerful storytelling and speaking skills and his empathetic listening style He shows why Obama s experiences as a community organizer are widely misunderstood and more influential than many people realize And he explores how Obama found a unique way to bridge America s racial divides No previous book has delved so deeply into the events and people that helped make Barack Obama the man he is today

Bugged Sarah Albee,2014-04-15 The creators of Poop Happened share an irreverent fact filled chronicle of the rivalry between the human and insect worlds that draws on myriad disciplines to explain the varying roles that bugs have played in building and toppling empires as well as the bug stories behind infamous disasters Simultaneous **Out of the Cold** Michael R.
