MacArthur, 1994 In a society that is hostile to anyone who declares absolutes that tolerates faith in any form that values emotion over reason and trendiness over conviction it s no suprise that many American chuches have lost their ability to discern between biblical truth and doctrinal error John MacArthur attempts to set them straight A Reckless Faith , 2011

A Faith Untamed April W Gardner, He breached her city chained her king Neither her faith nor her heart is as easily conquered Jerusalem 587 BC Liora once a noblewoman of Jerusalem is now bound to General Nebuzaradan the Butcher of Babylon who captured her city and now strips the Temple bare of wealth and dignity Though her future seems sealed a rash vow he made to Yahweh keeps him at a distance Just when she believes the worst is past a rebel from the hills seeks her out and an ambitious Babylonian prince arrives with designs for the Ark While the rebel wants her aid and the prince wants her knowledge Nebuzaradan simply wants her As Jerusalem burns Liora is thrust into the dangerous political games between prince and general rebel and the people of her heart In a world of destruction and intrigue Liora is once again a tool in the

hands of power hungry men only her untamable faith in Yahweh will guide her through **A Desperate Faith** Jo Kadlec, 2010-06-01 Why did Jesus spend forty days on earth after his death when he could have returned home to the majesty of heaven And out of all the people on the planet at that time who could have helped him get a major religious movement off the ground why did he seek out those who had run the other way when he was crucified In this fascinating book Jo Kadlec shows readers how the disciples who saw Jesus after his death were changed from sometimes bumbling scaredy cats to pillars of the Christian faith She invites readers to experience their own transformation in every part of life relationships jobs finances family and more as they come to a new understanding and appreciation of the basis of the faith the bodily resurrection of Jesus Christ **Modes of Faith** Theodore Ziolkowski, 2011-08-22 In the decades surrounding World War I religious belief receded in the face of radical new ideas such as Marxism modern science Nietzschean philosophy and critical theology Modes of Faith addresses both this decline of religious belief and the new modes of secular faith that took religion's place in the minds of many writers and poets Theodore Ziolkowski here examines the motives for this embrace of the secular locating new modes of faith in art escapist travel socialism politicized myth and utopian visions James Joyce he reveals turned to art as an escape while Hermann Hesse made a pilgrimage to India in search of enlightenment Other writers such as Roger Martin du Gard and Thomas Mann sought temporary solace in communism or myth And H G Wells Ziolkowski argues took refuge in utopian dreams projected in another dimension altogether Rooted in innovative and careful comparative reading of the work of writers from France England Germany Italy and Russia Modes of Faith is a critical masterpiece by a distinguished literary scholar that offers an abundance of insight to anyone interested in the human compulsion to believe in forces that transcend the individual **Faith for a Lifetime** Stella Parker, 2017-08-24 Experience teaches has proven to be a true statement throughout my lifetime The greatest and most profound experience happened when I was twelve years old I came to know Jesus as my Lord and Savior That was the beginning of my faith journey and it continues today Every life experience taught a vital lesson and established faith as the bedrock of my existence Faith for a Lifetime contains true stories of faith miracles and answered prayers Hopefully reading this book will inspire you to seek God's presence and experience the guiding power of the Holy Spirit Nothing is so trivial or so difficult that we cannot share it with Him It is God's good pleasure to be involved in our life every day and in every circumstance that touches our life Life consists of joys and sorrows good times and challenging times but every experience has a purpose and shapes us into a vessel of honor if we submit our lives to Him or a vessel of dishonor if we choose not to trust Him The quest of life is to seek and find our destiny and purpose for being here It can be found by faith in God His Word and hearing His voice Faith grows as we use it May yours last a lifetime *Faith* Theo Hobson, 2014-12-05 In Faith the theologian Theo Hobson explores the notion of faith and the role it plays in our lives He unpacks the concept to ask whether faith is dependent on religion or whether it is also a general secular phenomenon In exploring this question Hobson ranges widely over theology philosophy

politics and psychology and engages with the writings of Christian and atheist thinkers alike The book begins by considering attitudes to faith in recent works of atheism Hobson shows how Richard Dawkins and other writers while attacking faith in one sense have exhibited faith in another The book goes on to explore the wider meaning of faith including our faith in free market capitalism the part faith plays in democratic politics and the role faith has in our psychological well being To understand the role of faith in modernity Hobson argues we must attend to the specifically Christian concept of faith Hobson then returns to the religious meaning of faith by exploring the account of faith in the Bible and charting the tension between faith and reason in Christian thought The final chapter takes an autobiographical turn and relates how the author came to take faith seriously and to question what Christians are meant to have faith in From the Old Testament story of Abraham to the visionary poetry of W B Yeats from the polemics of Luther to the rhetoric of Barack Obama the author presents us with a fresh and illuminating meditation on the nature of faith In doing so he reveals how trust and faith the religious and secular are utterly entwined and how the attraction of religious faith outweighs the intellectual difficulties it presents *The Good Fight of Faith* Alan Vincent,2011-07-28 Here is a book that will build your faith give you confidence and restore hope for yourself and everyone in your life You will learn how to put your faith in God and God alone every minute of every day For the average Christian in the United States faith is not part of daily life It is possible to live for months relying on credit cards medical professionals insurance the government etc rather than placing faith in God Rarely do we cast ourselves upon God in naked desperation When faith is fully understood and properly developed it assures great victories over the evil one and all of his forces I say to you If you have faith as a mustard seed you will say to this mountain Move from here to there and it will move and nothing will be impossible for you Matthew 17 20 The devoted purpose of this book is to arm you with faith that moves mountains mountains of stress disappointment loneliness burdens and sadness Faith ushers in peace and joy unspeakable **Understanding Biblical Faith** M. Alan Miller PhD,2023-03-15 Sadly faith as described in the Bible is seldom taught or preached but is key to both salvation and the spiritual walk of all believers This book is an exhaustive look at the doctrine of faith and is designed to dispel and replace faulty notions and teach it from the ground up Walking by faith requires the believer to not only have faith knowledge but to exercise it accurately Enjoy **THE WEAPONS AND ARMOUR OF OUR WARFARE** GODSWORD GODSWILL ONU, *Teachings of my heart - Elder Cleopa Ilie* Archimandrite Cleopa Ilie, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com> 2023 01 book inventory vladimir djambov talmach.html **African Spirituality, Politics, and Knowledge Systems** Toyin Falola,2022-03-10 Focusing on the three leading religious traditions in Africa African Traditional Religion Islam and Christianity this book shows how belief in the supremacy of sacred words compels actions and influences practices in contemporary Africa Sacred words are taken to mean holy texts as in divination the Quran and the Bible Toyin Falola
