Reckless Heart:

Reckless Heart Brighton Walsh,2023-09-08 Turns out the gorgeous stranger I had a one night stand with is not only my sister s best friend but also my new employee Worse I shared a whole lot more with Avery than one mind blowing night I told her my deepest darkest secret Despite my constant worry that she ll let the truth slip to my family I can t stay away from her And when we re tossed together for an out of town trip and forced to share a room with only one bed the chemistry between us finally explodes again I have no problem making her see stars or breaking the bed The trouble is the longer our secret relationship goes on the more I want to keep her But she s eight years my junior the sunshine to my grump and I know her free spirit wants more than the small town of Starlight Cove can offer I have no doubt no one will ever give her more pleasure than I will but I refuse to hold her back Even if that means letting her go when her three month contract is up

A Reckless Heart Amy Clipston, 2012-05-13 Bestselling author Amy Clipston Amish Homestead series presents a YA tie in to her popular Kauffman Amish Bakery books with *Reckless Heart* which follows a member of the Bontrager family as she deals with a mistake that could destroy her standing in the community. One wild night. One big secret. When Amish teen Lydia Bontrager stumbles home drunk after a forbidden party, it opens up a world of guilt. Part of her wonders why she agreed to go to that barn after the youth gathering, but the other half knows to avoid the tensions at home. Lydia's youngest sister is deathly ill, causing a strain on her parents and added expectation on her to be the good daughter and care for the household in addition to working as a teacher's assistant and helping part time at her grandmother's bakery. Adding to the stress as Lydia feels even more restless and confused. Joshua, the only boy she's ever loved, becomes increasingly distant. When an English boy moves in nearby, Lydia finds someone who understands her, but her community is convinced it is proof she's becoming too reckless. With her sister's worsening condition, a splintering relationship with Joshua, and her own growing questions over what is right, Lydia could lose everything that she's ever held close. *A Reckless Heart* directly connects to Amy Clipston's bestselling Kauffman Amish Bakery series but can be read as a standalone novel. It will appeal to fans of Amish and cozy fiction, contains the universal themes of coming of age and dealing with societal pressure that are true for any teenager.

Friendship in the Middle Ages and Early Modern Age Albrecht Classen, Marilyn Sandidge, 2011-03-29 Although it seems that erotic love generally was the prevailing topic in the medieval world and the Early Modern Age, parallel to this the Ciceronian ideal of friendship also dominated the public discourse, as this collection of essays demonstrates. Following an extensive introduction, the individual contributions explore the functions and the character of friendship from Late Antiquity (Augustine) to the 17th century. They show the spectrum of variety in which this topic appeared, not only in literature but also in politics and even in painting.
