Reclaiming Capital Democratic Initiatives Community Development:

Reclaiming Capital Christopher Gunn, Hazel Gunn, 2018-08-06 Towns without nationally advertised fast food restaurants often eagerly await the day when the golden arches sprout next door to the local car dealership But what really happens to a community with the arrival of the uni burger Christopher Gunn and Hazel Dayton Gunn demonstrate that perhaps three quarters of the money a community spends at its burger emporium will leave the area Poor communities remain poor they assert because local capital tends to be drained off to financial centers corporate accounts and stockholders portfolios In keeping with ecologists injunction to think globally and act locally this imaginative book documents ways in which communities have counteracted constraints of the capitalist economic system and succeeded in promoting democratic control of their resources Taking as one example the local impact of a new McDonald s restaurant Gunn and Gunn first illustrate how capital potentially available for community development may be identified They then explore a variety of alternative institutions credit unions nonprofit corporations and consumers and workers cooperatives among others that serve to attract and retain resources foster growth and extend public control over the development process The authors also consider how grassroots activism for social change may be integrated with more conventional political practice *Reclaiming Capital* will be a vital resource for activists elected officials and others concerned with urban and regional planning *Reclaiming Capital* Christopher Eaton Gunn, Hazel Dayton Gunn, 1991 Social surplus Alternative institutions of accumulation gaining financial resources Alternative institutions of accumulation building assets in the community Constraining capital Creating public assets Collective action communities and social change *Radical Political Economy: A Concise Introduction* Charles A. Barone, 2015-03-26 This straightforward introduction to radical political economy strikes a balance between breadth and depth and was written for the beginning student and others interested in a relatively short text on radical economics

Lewis Mumford and the Ecological Region Mark Luccarelli, 1997-03-01 Well known for his column in The New Yorker Lewis Mumford is widely regarded as the foremost urban critic of this century Through historical and theoretical perspectives author Mark Luccarelli traces the development of Mumford s thought on regional planning focusing on his pioneering concept of an ecologically based region and shows how he attempted to turn his ideas into reality through the Regional Planning Association of America RPAA This informative book also demonstrates how Mumford s ideas remain extraordinarily relevant and valuable to today s urban problems

Re/presenting Class J. K. Gibson-Graham, Stephen Resnick, Richard Wolff, Julie Graham, Katherine Gibson, 2001-06-15 Twelve theoretical and historical essays emanate from a novel shared poststructuralist conception of political economy **A Postcapitalist Politics** J. K. Gibson-Graham, Is there life after capitalism In this creatively argued follow up to their book *The End of Capitalism As We Knew It* J K Gibson Graham offer already existing alternatives to a global capitalist order and outline strategies for building alternative economies *A Postcapitalist Politics* reveals a prolific landscape of economic diversity one that is not exclusively or predominantly capitalist

and examines the challenges and successes of alternative economic interventions Gibson Graham bring together political economy feminist poststructuralism and economic activism to foreground the ethical decisions as opposed to structural imperatives that construct economic development pathways Marshalling empirical evidence from local economic projects and action research in the United States Australia and Asia they produce a distinctive political imaginary with three intersecting moments a politics of language of the subject and of collective action In the face of an almost universal sense of surrender to capitalist globalization this book demonstrates that postcapitalist subjects economies and communities can be fostered The authors describe a politics of possibility that can build different economies in place and over space They urge us to confront the forces that stand in the way of economic experimentation and to explore different ways of moving from theory to action J K Gibson Graham is the pen name of Katherine Gibson and Julie Graham feminist economic geographers who work respectively at the Australian National University in Canberra and the University of Massachusetts Amherst **Getting**

Past Capitalism Cynthia Kaufman,2012-08-24 Getting Past Capitalism begins with a critique of the impacts of capitalism on human society and the environment It looks in new ways at what capitalism is and at how it is reproduced That investigation opens the door to fresh ways of looking at how to challenge it Cynthia Kaufman looks at some fundamental questions about how capitalism comes to look like a system that is unbeatable and how people come to have desires that work to reinforce capitalism Kaufman uses this analysis to develop ideas about how to challenge capitalism She argues that rather than looking for the fulcrum point in a system that will make it able to be overthrown we should try to understand what kinds of practices open more spaces for stopping the reproduction of capitalist processes and what kinds of structures need to be developed to make capitalism a less important part of our world Getting Past Capitalism includes a critique of capitalism and presentation of alternatives to capitalism many of which already exist It explores strategies for developing and strengthening those alternatives **The University as Urban Developer: Case Studies and Analysis** David C. Perry,Wim Wiewel,2015-02-24

Integrating topics in urban development real estate higher education administration urban design and campus landscape architecture this is the first book to explore the role of the university as developer Accessible and clearly written and including contributions from authorities in a wide range of related areas it offers a rich array of case studies and analyses that clarify the important roles that universities play in the growth and development of cities The cases describe a host of university practices community responses and policy initiatives surrounding university real estate development Through a careful blending of academic analysis and practical hands on administrative and political information the book charts new ground in the study of the university and the city **Economic Representations** David F Ruccio,2008-05-16 Why is there

such a proliferation of economic discourses in literary theory cultural studies anti sweatshop debates popular music and other areas outside the official discipline of economics How is the economy represented in different ways by economists and non economists In this volume scholars from a wide variety of disciplines and countries **Integrated Activism** Alexis

Zeigler,2013-08-13 How do peak oil climate change and the limits of growth affect abortion rights income equality and civil liberty In this impassioned treatise author and activist Alexis Zeigler reveals the hidden connections between ecology economics politics and social justice and shows us how to use these connections to effect real long lasting change Most activist movements says Zeigler suffer from a kind of tunnel vision in which the true causes and resulting side effects of the desired change are left unexamined rendering the movements shortsighted and unaware of their own long term fallout We cannot effectively address our problems in isolation or with ecological blinders on Instead we must integrate our activism and ensure that all strategies and actions take into account the historically demonstrated fact that a society s environmental resources ultimately define its level of freedom fairness and financial equity Packed with surprising facts and eye opening arguments Integrated Activism is a must read not only for every serious activist but also for anyone looking for a solid creditable philosophy and approach to building a fairer freer more sustainable future *Going Local* Michael Shuman,2013-06-17 National drug chains squeeze local pharmacies out of business while corporate downsizing ships jobs overseas All across America communities large and small are losing control of their economies to outside interests *Going Local* shows how some cities and towns are fighting back Refusing to be overcome by Wal Marts and layoffs they are taking over abandoned factories switching to local produce and manufactured goods and pushing banks to loan money to local citizens Shuman details how dozens of communities are recapturing their own economies with these new strategies investing not in outsiders but in locally owned businesses **Japanese Auto Transplants in the Heartland** Robert Perrucci, No detailed description available for Japanese Auto Transplants in The Heartland **Political Economy and Contemporary Capitalism** Ron P. Baiman,Heather Boushey,Dawn Saunders,2015-02-12 This volume covers the theoretical method macroeconomics microeconomics international trade and finance development and policy of economic theory It incorporates various alternative approaches as well as a broad spectrum of policy issues **Methods For Identifying Local Import Substitution Opportunities To Foster Sustainable Regional Economies** David Elvin,2008-05-15 Why does buying local make so much economic sense for regions What are the biases and strengths of using a traditional economic base approach to regional economic analysis versus industry cluster analysis This engaging book explores answers using the Pioneer Valley of Western Massachusetts as a testing ground Great for regional planners in food systems economic development transportation industrial development and more **The New Citizenship** Craig A Rimmerman,2018-05-04 Why do so many Americans fail to participate in their communities affairs What role should the citizenry play in our political system In addressing these concerns this revised and updated text evaluates the dilemma of participation civility and stability at a time when civic indifference is a national problem In addition to outlining the sources of this indifference The New Citizenship suggests ways in which Americans can conquer their apathy toward government In this fourth edition author and Dilemmas in American Politics series editor Craig A Rimmerman provides new material on ACORN the 2008 presidential election the

Obama presidency and the impact of these recent events for college students and their conceptions of participation and citizenship

The Small-Mart Revolution Michael H Shuman, 2007-08-20 Defenders of massive multinational chains like Wal Mart and Fortune 500 big business argue that like it or not there is no alternative Their huge scale and international reach they claim make them more efficient and profitable better able to deliver value and an uncontested boon for the job market According to the big boys locally owned small businesses are simply quaint remnants of the past unable to compete in the global economy But in *em The Small Mart Revolution* Michael Shuman shows that the benefits these mega stores and huge corporations supposedly deliver to communities are illusory Crunch the numbers and you ll find that locally owned businesses turn out to be much more reliable generators of good jobs economic growth tax dollars community wealth charitable contributions social stability and political participation Unlike their global competitors they do this without massive tax breaks and subsidies that often put local economies in a permanent hole Plus contrary to popular belief local businesses are competitive with the multinationals and gaining ground every day Shuman highlights numerous trends that are making the old bigger is better economies of scale argument obsolete and he describes a variety of innovative strategies these businesses are using to successfully compete with their over sized competitors He also shows how consumers investors and policymakers can support their own communities by going local The Small Mart Revolution offers a robust alternative to go go globalization one that nurtures the creative capacities of local businesses and enables communities everywhere to thrive

Labour Participatory Economy S. Mahalingam, 1993

Markets and Power Eric A. Schutz, 2016-07-01 In what ways do the actions and economic behavior of today s multinational corporations resemble the functioning and processes of the old command economics of the Soviet Union By ignoring questions about power relations in markets mainstream neoclassically oriented economists conclude that there are no significant power structures operating in market systems to control allocation and distribution This book argues to the contrary that there are fundamental and systemic power structures monopoly access to information or finance employer power etc at work in market economies which affects their ability to achieve real competition in much the same way as state controlled command economies hinder business activities Thus for example the biggest firms at the hubs of financial networks wield a kind of shaping power upon large numbers of relatively autonomous firms not only upon those that belong to the networks but also on the many firms outside them that are also affected

San Antonio Char Miller, 2018-10-04 This is the first general history of San Antonio Texas the seventh largest city in the nation Its past is complex and ranges across 300 years from the community s origins as a tiny Spanish frontier town to its contemporary status as a vital American mega city Site of some of the most violent struggles between warring empires and people historians believe San Antonio may be the most fought over city in U S history it is perhaps most celebrated for the iconic 1836 Battle of the Alamo The city is also home to four beautifully restored Spanish missions which in 2015 UNESCO designated a World Heritage Site and have become integral to San Antonio s robust tourist economy along

with the fabled River Walk This study weaves together a series of environmental social political and cultural pressures that have shaped life in the Alamo City over the last three centuries Residents have long fought to protect and utilize water and other resources even as they have struggled to achieve equal rights and build a more open and democratic society Activists from all sectors of this multicultural city have believed deeply in its promise even though they have had to push hard to secure and expand its potential Their efforts were every bit as intense in the nineteenth and twentieth centuries as they have been in the twenty first Written for a general audience but with a scholarly attention to detail and nuance San Antonio A Tricentennial History immerses readers in the city s fascinating and fraught past The Small-Mart Revolution (Volume 2 of 2) (EasyRead Super Large 18pt Edition) ,

Unveiling the Magic of Words: A Report on "**Reclaiming Capital Democratic Initiatives Community Development**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Reclaiming Capital Democratic Initiatives Community Development**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Reclaiming Capital Democratic Initiatives Community Development Introduction

In today's digital age, the availability of Reclaiming Capital Democratic Initiatives Community Development books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reclaiming Capital Democratic Initiatives Community Development books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reclaiming Capital Democratic Initiatives Community Development books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reclaiming Capital Democratic Initiatives Community Development versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reclaiming Capital Democratic Initiatives Community Development books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reclaiming Capital Democratic Initiatives Community Development books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reclaiming Capital Democratic Initiatives Community Development books and manuals is Open Library. Open Library is an

initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reclaiming Capital Democratic Initiatives Community Development books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reclaiming Capital Democratic Initiatives Community Development books and manuals for download and embark on your journey of knowledge?

FAQs About Reclaiming Capital Democratic Initiatives Community Development Books

1. Where can I buy Reclaiming Capital Democratic Initiatives Community Development books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
