## **Reconstructed Yankee:**

Reconstructed Yankee Jack Maples, 2004 *Reconstructed Yankee* is a fictional biography based on the life of freeman and Afro Confederate Silas Chandler and is woven into actual historical events It examines the most forgotten and maligned soldiers of America s Civil War Caleb Parker a Free Person Of Color living in the Confederacy and his best friend Tom Parker whose father once owned and freed Caleb s father join the Union militia to avoid forced enrollment in the Confederate army Yankee atrocities and personal tragedies lead them to change loyalties and they spend the bloodiest months of the war as Confederates After experiencing gruesome battle Caleb decides to abandon war and death Returning to North Carolina Caleb fears for his family s safety and he moves north where his hopes for the freedoms promised by emancipation are crushed Caleb s story looks at the mixed blessings of the first years of emancipation and the conflicts that followed Maples causes the reader to re think why and for what the common man fought and to re examine the issues of race in nineteenth century America

The New York Yankees in Popular Culture David Krell, 2019-05-17 How did Reggie Jackson go from superstar to icon Why did Joe DiMaggio s nickname change from Deadpan Joe to Joltin Joe How did Seinfeld affect public perception of George Steinbrenner The New York Yankees dominance on the baseball diamond has been lauded analyzed and chronicled Yet the team s broader impact on popular culture has been largely overlooked until now From Ruth s called shot to the Reggie candy bar this collection of new essays offers untold histories new interpretations and fresh analyses of baseball s most successful franchise Contributors explore the Yankee mystique in film television theater music and advertising

**The Wonder Team** Leo Trachtenberg, 1995 Details events leading to the 1927 World Series when the New York Yankees including Babe Ruth Lou Gehrig and Waite Hoyt became baseball s best team ever Draws on interviews with everyone connected to the team from players and management to batboys and relates stories concerning players personalities skills and hijinks on and off the field Includes 1927 statistics and biographical sketches of management players and staff plus bandw photos Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR

African American Southerners in Slavery, Civil War and Reconstruction Claude H. Nolen, 2005-08-29 This work documents the many roles filled by Southern blacks in the last decades of slavery the Civil War years and the following period of Reconstruction African Americans suffered and resisted bondage in virtually every aspect of their lives but persevered through centuries of brutality to their present place at the center of American life Utilizing statements made by former slaves and other sources close to them the author takes a close look at the culture and lifestyle of this proud people in the final decades of slavery their experiences of being in the military and fighting in the Civil War and the active role taken by the Southern blacks during Reconstruction

The First Reconstruction Van Gosse, 2021-01-05 It may be difficult to imagine that a consequential black electoral politics evolved in the United States before the Civil War for as of 1860 the overwhelming majority of African Americans remained in bondage Yet free black men many of them escaped slaves steadily increased their influence in

electoral politics over the course of the early American republic. Despite efforts to disfranchise them, black men voted across much of the North sometimes in numbers sufficient to swing elections. In this meticulously researched book, Van Gosse offers a sweeping reappraisal of the formative era of American democracy from the Constitution's ratification through Abraham Lincoln's election, chronicling the rise of an organized, visible black politics focused on the quest for citizenship, the vote, and power within the free states. Full of untold stories and thorough examinations of political battles, this book traces a First Reconstruction of black political activism following emancipation in the North. From Portland, Maine, and New Bedford, Massachusetts, to Brooklyn and Cleveland, black men operated as voting blocs, denouncing the notion that skin color could define citizenship. *I-80/Macombs Dam Interchange, Reconstruction*, 1974 **Swinging '73** Matthew Silverman, 2013-03-21 Interest and attendance were dropping and football was ascending. Stuck in a rut, baseball was dying. Then Steinbrenner bought the Yankees a second division club with wife-swapping pitchers leaving the House. That Ruth Built not with a slam but a simper. He vowed not to interfere, but soon changing his mind. Across town, Tom Seaver led the Mets' stellar pitching line up, and iconic outfielder Willie Mays was preparing to say goodbye. For months, the Mets under Yogi Berra couldn't get it right. Meanwhile, the A's were breaking a ban on facial hair while maverick owner Charlie Finley was fighting to keep them underpaid. But beneath the mutt-on-chops and mayhem lay another world. Elvis commanded a larger audience than the Apollo landings. A Dodge Dart cost 2,800; gas was a quarter per gallon. A fiscal crisis loomed. Vietnam had ended; the vice president resigned; and Watergate had taken over. It was one of the most exciting years in the game's history: the first with the designated hitter and the last before arbitration and free agency. The two World Series opponents went head-to-head above the baby steps of a dynasty that soon dwarfed both league champions. It was a turbulent time for the country, and the game, neither of which would ever be the same again. *Yank*, 1943 Andrew Johnson and Reconstruction Eric L. McKittrick, 1988 Describes America at the start of Reconstruction and identifies President Andrew Johnson as one of the reasons it proceeded with such difficulty. **Reconstructing the Campus** Michael David Cohen, 2012 The Civil War transformed American life. Not only did thousands of men die on battlefields and millions of slaves become free, cultural institutions reshaped themselves in the context of the war and its aftermath. The first book to examine the Civil War's immediate and long-term impact on higher education, *Reconstructing the Campus* begins by tracing college communities' responses to the secession crisis and the outbreak of war. Students made supplies for the armies or left campus to fight. Professors joined the war effort or struggled to keep colleges open. The Union and Confederacy even took over some campuses for military use. Then moving beyond 1865, the book explores the war's long-term effects on colleges. Michael David Cohen argues that the Civil War and the political and social conditions the war created prompted major reforms, including the establishment of a new federal role in education. Reminded by the war of the importance of a well-trained military, Congress began providing resources to colleges that offered military courses and other practical curricula. Congress also, as part of a

general expansion of the federal bureaucracy that accompanied the war created the Department of Education to collect and publish data on education For the first time the U S government both influenced curricula and monitored institutions The war posed special challenges to Southern colleges Often bereft of students and sometimes physically damaged they needed to rebuild Some took the opportunity to redesign themselves into the first Southern universities They also admitted new types of students including the poor women and sometimes formerly enslaved blacks Thus while the Civil War did great harm it also stimulated growth helping especially in the South to create our modern system of higher education

**The Civil War and Reconstruction** William L. Barney, 2010-04-10 The Civil War was the most devastating event in U S history in which over half a million Americans paid for their beliefs with their lives The heroic battles harrowing marches and military genius of generals on both sides still inspire books movies and the imaginations of Civil War buffs Less obvious are the economic political social and cultural repercussions of the war which continue to influence American life Reconstruction and the end of slavery brought deep seated problems to the reunited nation This single volume encyclopedia includes 245 entries on all facets of the conflicted era It features articles on Battles and campaigns Gettysburg Shiloh Sherman s March to the Sea Culture music photography religion Economic affairs cost of the war gold Richmond Bread Riot Foreign affairs France Great Britain Laird rams Health and welfare disease medicine prisons Ideologies federalism free labor ideology Legislative landmarks 14th Amendment Fugitive Slave Act of 1850 Wade Davis bill Military terms strategy and weaponry cavalry rifles tactics Minorities black suffrage emancipation Native Americans Political events and organizations Constitutional Union party election of 1860 fire eaters Prominent individuals Clara Barton Frederick Douglass Robert E Lee Abraham Lincoln Walt Whitman Social reform abolitionism women s rights movement Women nurses women in the war individual women More than 200 black and white illustrations including over a dozen maps complement the entries A list of selected Civil War museums and historic sites suggestions for further reading recommended websites and a chronology of the war round out this essential resource Oxford s Student Companions to American History are state of the art references for school and home specifically designed and written for ages 12 through adult Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

Reconstruction beyond 150 Orville Vernon Burton, J. Brent Morris, 2023-08-21 No period of United States history is more important and still less understood than Reconstruction Now at the sesquicentennial of the Reconstruction era Vernon Burton and Brent Morris bring together the best new scholarship on the critical years after the Civil War and before the onset of Jim Crow synthesizing social political economic and cultural approaches to understanding this crucial period Reconstruction was the most progressive period in United States history Although marred by frequent violence and tragedy it

was a revolutionary era that offered hope opportunity and against all odds a new birth of freedom for all Americans Even though many of the gains of Reconstruction were rolled back and replaced with a repressive social and legal regime for African Americans the radical spark was never fully extinguished Its spirit fanned back into flame with the Civil Rights Movement of the 1950s and 1960s and its ramifications remain palpable to this day **Shea Stadium Remembered** Matthew Silverman,2019-01-15 Few remember that Shea Stadium and indeed the Mets baseball club itself arose out of a dispute between two oversized egos New York City official Robert Moses and Brooklyn Dodgers owner Walter O Malley While O Malley wanted complete control over a new stadium and all of its concessions in Brooklyn Moses insisted that the stadium be built by the city in Queens and leased to the Dodgers The impasse led to the Dodgers following the Giants out to the West Coast where The City of Los Angeles granted O Malley all of the concessions he had sought in New York With now no National League team in the New York area the National League office awarded a new franchise to the city in 1960 on conditional that it fund and build a new stadium which the Mets and later the AFL Jets would lease The stadium was named in honor of William Shea the person most responsible for returning National League baseball to New York Over its forty four year existence Shea Stadium witnessed a colorful cavalcade of sporting and entertainment events all detailed in this lively skimable tribute to a memorable New York landmark It s all here the memorable games the unforgettable characters such as Tom Seaver Joe Willie Namath and Seinfeld buddy Keith Hernandez and even the solemn moments such as when Shea was used as a staging area for first responders after 9 11 By the time of its demolition in 2008 the Mets had played more games at Shea than the Dodgers had ever played at Ebbets Field and the stadium had hosted seven National League Championship Series four World Series three Jets playoff games and the American Football League Championship game in 1968 **Land Resource Management Plan for the Challis National Forest** ,1987 **Taking on the Yankees** Henry D. Fetter,2003 The New York Yankees have without question dominated the sport of baseball as no team ever has Tracing the rise of this championship franchise from the early 1900s to the present Taking on the Yankees examines the Bronx Bombers rise by contrasting them with their three greatest National League rivals the New York Giants the St Louis Cardinals and the Brooklyn Dodgers Alongside the story of the Yankees success Henry D Fetter chronicles baseball s growth from a fledgling sport into America s national pastime and eventually into a multi billion dollar industry The result is an exceptional and unique history of the Yankees and a compelling portrayal of one hundred years of major league baseball Fetter has written a new afterword for the paperback edition **Reconstruction** Kenneth M. Stamp,Leon F. Litwack,1969-11-01 This anthology which brings together some of the most important research and writing on Reconstruction during the past three decades represents what historians today generally accept as an accurate portrait of the period Twenty three articles and book excerpts by the leading scholars in the field are grouped under five headings Lincoln Johnson and Reconstruction The Radical Republicans The Freedmen Radical Reconstruction in the South and The Collapse of Reconstruction The emphasis

here is on recent scholarship in which many of the older concepts about Reconstruction have been challenged and brought back into clearer perspective but some work dating back to the thirties by such scholars as W E B Du Bois and Horace Mann Bond is also included Other contributors include C Vann Woodward Richard N Current Eric L McKittrick LaWanda and John H Cox Stanley Coben Howard Jay Graham James M McPherson Willie Lee Rose Joel Williamson David Donald Thomas B Alexander Allen W Trelease Louis R Harlan Vernon L Wharton Jack B Scroggs and W R Brock **CMJ New Music Monthly**, 1995-09 CMJ New Music Monthly the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with interviews reviews and special features Each magazine comes with a CD of 15 24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc **100 Things Yankees Fans Should Know & Do Before They Die** David Fischer, 2018-04-15 Most Yankees fans have taken in a game or two at Yankee Stadium have seen highlights of stars like Mickey Mantle and Joe DiMaggio and can tell the story of Babe Ruth's called shot home run in 1932 But only real fans know who designed the team's iconic NY logo have spent time at the Babe Ruth Museum or have visited the site of the Yankees original home ballpark 100 Things Yankees Fans Should Know Do Before They Die is the ultimate resource for true fans of the Bronx Bombers Whether your favorite player is Lou Gehrig Derek Jeter or even Aaron Judge these are the 100 things all fans need to know and do in their lifetime In this revised and updated edition featuring Judge and the Yankees exciting next generation author David Fischer has collected every essential piece of Yankees knowledge and trivia as well as must do activities and ranks them all from 1 to 100 providing an entertaining and easy to follow checklist as you progress on your way to fan superstardom 100 Things Yankees Fans Should Know and Do Before They Die Consultant on Nuclear Proliferation Issues Formerly Special Consultant to Director of International Atomic Energy Agency David Fischer, 2012-02 Being a Yankees fan is about more than watching the team win multiple World Series and this book helps fans get the most out of it Taking 110 years of Yankees history the book distills it to the absolute best and most compelling moments identifying the personalities events and facts every Yankees fan should know without hesitation Numbers with huge import such as 3 7 and 56 nicknames such as Babe Iron Man and Yankee Clipper plus memorable moments singular achievements and signature calls all highlight the list Experiences are another important part of the fabric of being a fan so the book also includes things Yankees fans should actually see and do before they join Mickey Mantle and others at the Pearly Gates From taking in a brew at the best Yankees bars across the country to visiting the Babe Ruth Museum in Baltimore and enjoying the highlights of the new Yankee Stadium this book contains numerous tips and suggestions for enjoying all aspects of being a Yankees fan The Yankee Encyclopedia Walter LeConte, Mark Gallagher, 2003
