Docufictions Gary D.

Rhodes, John Parris Springer, 2014-10-01 Through most of the 20th century the distinction between the fictional narrative film and the documentary was vigorously maintained. The documentary tradition developed side by side with but in the shadow of the more commercially successful feature film. In the latter part of the century however the two forms merged on occasion and mockumentaries fictional works in a documentary format and docudramas reality based works in a fictional format became part of the film and television landscape. The 18 essays here examine the relationships between narrative fiction films and documentary filmmaking focusing on how each influenced the other and how the two were merged in such diverse films and shows as *Citizen Kane*, *M A S H*, *This Is Spinal Tap* and *Destination Moon*. Topics include the docudrama in early cinema, the industrial film as faux documentary, the fear evoked in 1950s science fiction films, the selling of reality in mockumentaries and reality television and documentary forms. The essays provide a foundation for significant rethinking of film history and criticism offering the first significant discussion of two emerging and increasingly important genres. Instructors considering this book for use in a course may request an examination copy here.

The Haunted Smile Lawrence J. Epstein, 2008-08-05 Lawrence Epstein's *The Haunted Smile* tackles a subject both poignant and delightful: the story of Jewish comedians in America. For the past century and more American comedy has drawn its strength and soul from the comic genius of Jewish performers and writers. An incomplete listing of names makes the point: The Marx Brothers, Jack Benny, Fanny Brice, George Burns, Milton Berle, Jackie Mason, Joan Rivers, Rodney Dangerfield, Mel Brooks, Alan King, Mort Sahl, Buddy Hackett, Woody Allen, Lenny Bruce, Andy Kaufman, Richard Belzer, Jerry Seinfeld. These men and women among others form the canon of Jewish American comedy. In the words of the *Detroit Jewish News*, *The Haunted Smile* offers us a deep and subtle understanding of how Jewish culture and American openness gave birth to a new style of entertainment. Often the best way to illuminate a point is to recount some of these comedians' own brilliant routines and Epstein uses the comedian's work to great effect making for a book that is both a thoughtful work of history and a great deal of fun.

Matthew D. Dinan, Paul E. Kirkland, Denise Schaeffer, Natalie Taylor, 2021-05-04 This volume presents a series of essays in honor of noted scholar of political theory Mary P Nichols. The essays reflect Nichols' pathbreaking work in ancient Greek political thought as well as her influential treatments of works of literature and film in conversation with political theory. Part I: Conversations Concerning Love and Friendship features essays about the philosophical meaning of human connection and affection. Part II: Conversations Between Politics and Poetry looks at the political significance of art and the ways in which political rule can be understood to be artistic or poetic. Part III: Conversations from Tragedy to Comedy considers whether the human need for community is something to be lamented or celebrated. Broad in scope and interdisciplinary in approach, the essays in this volume address authors such as Plato, Aristotle, Shakespeare, Machiavelli, Mary Wollstonecraft, G. W. F. Hegel, Jane Austen, Henry James, William Faulkner, Albert Camus, J. R. R. Tolkien, and Aleksander Solzhenitsyn, as well as the films of Woody Allen and Whit Stillman. *Ethics Goes to the Movies* Christopher Falzon, 2018-12-07 Movies hold a mirror up to us

portraying the complexities of human reality through their characters and stories. And they vividly illustrate moral theories that address questions about how we are to live and what sort of people we ought to be. In this book, Christopher Falzon uses movies to provide a rich survey of moral positions as they have emerged through history. These include the ethics of the ancient world, medieval ethics, Enlightenment and Kantian ethics, existentialist ethics, and the ethics of the other. Each theory is explained in detail using a number of examples from the book's wide selection of movies. The discussion draws on a range of recent and not so recent films from Hollywood blockbusters to art house cinema. **Key Features** In addition to covering thinkers one would expect in an introduction to ethics (e.g., Plato, Aristotle, Kant), the book discusses less canonical figures in detail as well (e.g., Marcuse, Foucault, Habermas). Similarly, the book examines both major ethical theories (e.g., Kantianism, utilitarianism, virtue ethics) and theories too often glossed over in introductory texts (e.g., Stoicism, Epicureanism, Habermas's discourse ethics, and Nietzschean ethics). A wide range of movies are discussed from Hollywood blockbusters and classics like *The Dark Knight*, *Casablanca*, and *Dirty Harry* to lesser known films like *Force Majeure* and *Under the Skin*. At the end of each chapter, a focus on two feature films is included with a plot summary and interpretations of several key scenes with a time marker indicating when in the film the scenes occur. A Filmography includes all movies discussed in the book, and a Glossary covers key philosophical terms and figures, both with corresponding page numbers. **Howard Fast** Gerald

Sorin, 2021-12-22 A biography of the Jewish American left wing author of *Spartacus* that explores his identity, his work, and his politics. Howard Fast's life from a rough and tumble Jewish New York street kid to the rich and famous author of close to one hundred books rivals the Horatio Alger myth. Author of bestsellers such as *Citizen Tom Paine*, *Freedom Road*, *My Glorious Brothers*, and *Spartacus*, Fast joined the American Communist Party in 1943 and remained a loyal member until 1957, despite being imprisoned for contempt of Congress. Gerald Sorin illuminates the connections among Fast's Jewishness, his writings, and his left wing politics, and explains Fast's attraction to the Party and the reasons he stayed in it as long as he did.

Recounting the story of his private and public life with its adventure and risk love and pain struggle failure and success Sorin also addresses questions such as the relationship between modern Jewish identity and radical movements the consequences of political myopia and the complex interaction of art popular culture and politics in twentieth century America A notable study of a thorny protagonist whose life has much to reveal about the times in which he lived and about the interplay of political belief personal identity art and ambition Publishers Weekly Sorin has written a heavily researched critical biography of Fast The volume s strength is its explication and analysis of the complex social and political context of Fast s activism and creative work Sorin s lengthy critique of Fast s adherence to Communism long after most American writers and intellectuals had abandoned the party and his shameful public silence on Stalin s crimes and Soviet anti-Semitism are of significant import Recommended Choice An intriguing biography not least for its examination of how Fast interwove his political activism his Jewishness and his art during the heyday of McCarthyism Recommended Recorder Melbourne

The Facts of Reconstruction Eric Anderson, Alfred A. Moss, Jr., 1991-05-01 Thirty years after the publication of John Hope Franklin s influential interpretative essay *Reconstruction After the Civil War* ten distinguished scholars have contributed to a new appraisal of Reconstruction scholarship Recognizing Professor Franklin s major contributions to the study of the Reconstruction era their work of analysis and review has been dedicated to him Although most of the contributors studied with John Hope Franklin *The Facts of Reconstruction* is not a festschrift at least not the conventional sense The book does not offer a comprehensive assessment of Franklin s remarkably wide ranging work in southern and Afro American history but instead engages his influential interpretation of Reconstruction The essays in *The Facts of Reconstruction* focus upon questions raised in *Reconstruction After the Civil War* Was southern white intransigence the decisive influence in Presidential Reconstruction What as the role of violence in southern redemption How successful were the educational experiments of the Reconstruction era Why did southern Republicans fail to build an effective coalition capable of surviving the pressure of racism In addition several essays discuss questions not directly addressed in Franklin s book since his pathbreaking work indirectly stimulated study in a variety of new areas For example contributors to *The Facts of Reconstruction* examine the ante bellum origins of Reconstruction evaluate the development of racial segregation during the late nineteenth century analyze the political and legal ideas behind the Reconstruction debates and study the prospering minority among blacks Representing a variety of perspectives the authors have sought to follow John Hope Franklin s admonition that Reconstruction should not be used as a mirror of ourselves If they have succeeded this book in honor of a profound scholar and inspiring teacher will provoke new discussion about the facts of Reconstruction
