The Concept of Justice in Islam Safraz Bacchus, 2014-10-20 The book is laid out to outline the Islamic standpoint on justice and it s high standard This manuscript will attempt to clarify a major misconception that has gained widespread acceptance in some academic circles The misconception is that the Muslim judge judges blindly according to a rigid set of outdated laws without giving due consideration to what is in the best interest of either the public or in upholding the rights of a person Finally it will seek to demonstrate how the ethical standards that govern the conduct and office of the qadi reinforces the public trust and confidence in the Islamic judicial system as a whole Given that the Islamic judiciary does not have the powers of the sword or the purse powers that are reserved for the executive and the legislative branches of government respect is said to be the greatest strength of the institution itself Islamic law requires a Muslim judge hakim or qadi to conform to the highest ethical standards both in their personal conduct and in issuing rulings that are just and seen to be just

Understanding Islamic Law Hisham M. Ramadan, 2006-04-27 Ramadan brings together essays to explain the history of Islamic law and its role in the contemporary world

Felony Murder Guyora Binder, 2012-05-09 The felony murder doctrine is one of the most widely criticized features of American criminal law Legal scholars almost unanimously condemn it as irrational concluding that it imposes punishment without fault and presumes guilt without proof Despite this the law persists in almost every U S jurisdiction Felony Murder is the first book on this controversial legal doctrine It shows that felony murder liability rests on a simple and powerful idea that the guilt incurred in attacking or endangering others depends on one s reasons for doing so Inflicting harm is wrong and doing so for a bad motive such as robbery rape or arson aggravates that wrong In presenting this idea Guyora Binder criticizes prevailing academic theories of criminal intent for trying to purge criminal law of moral judgment Ultimately Binder shows that felony murder law has been and should remain limited by its justifying aims

Manufacturing Phobias Hisham Ramadan, Jeff Shantz, 2016-01-01 Fear is a powerful emotion and a formidable spur to action a source of worry and when it is manipulated a source of injustice Manufacturing Phobias demonstrates how economic and political elites mobilize fears of terrorism crime migration invasion and infection to twist political and social policy and advance their own agendas The contributors to the collection experts in criminology law sociology and politics explain how and why social phobias are created by pundits politicians and the media and how they target the most vulnerable in our society Emphasizing how social phobias reflect the interests of those with political economic and cultural power this work challenges the idea that society s anxieties are merely expressions of individual psychology Manufacturing Phobias will be a clarion call for anyone concerned

about the disturbing consequences of our culture of fear **Reconstructing Justice** Franklin Stier,1996-05-15 In this lively and persuasive critique Franklin Stier doesn't simply describe problems with the American trial system he proposes reforms He offers a detailed blueprint of how to improve our basic adversarial system while blunting its excesses and inequities Stier points out that the jury system was originally intended to diffuse the power of the government but criticizes the method by which jurors are selected patronized and manipulated Among his suggestions eliminate peremptory challenges give jurors the authority and judges the responsibility to ask questions of witnesses and use neutral expert witnesses *Minnesota Statutes Annotated* Minnesota,1946 **PEOPLE OF THE STATE OF MICHIGAN V RICHARD LEE BAILEY, 451 MICH 657 (1996)** ,1996 101017 **California.
