## **Reconstruction Binding The Wounds Perspectives On History Econo Clad:**

*Reconstruction* Cheryl Edwards, 1970 This compelling anthology of primary sources describing the period of post Civil War reconstruction focuses on problems facing the freed slaves carpetbaggers Presidential policy and Radical Republicans social and economic problems in the South Black Codes the KKK and the move to impeach President Andrew Johnson Primary sources include President Lincoln s Ten Percent Plan an account from a former slave owner a journal of a teacher working for the Freedman s Bureau a portion of Booker T Washington s Up From Slavery Congressional hearings about abuses by the KKK historic illustrations and more Amendments to the Constitution regarding slavery and civil rights are also discussed Perspectives on Reconstruction Thomas Streissguth, 2017 Offers 12 different views on post Civil War America Each page explores what happened during Reconstruction and how it affected different people and includes interesting sidebars questions to consider and historical images Provided by publisher *Reconstruction*, 2008 Reconstruction People and Perspectives is a fascinating collection of essays and documents that illuminates the experiences of ordinary Americans across all levels of society in the southern United States during Reconstruction Reconstruction People and Perspectives describes in vivid detail the experiences of a diverse group of people caught up in the Civil War s aftermath in the South Chapters focus on Civil War veterans former slaveholders farmers and city residents Northerners in the South and African American men and women both those who stayed in the South and those who migrated It also reports on groups similar studies often overlook such as Native Americans and white women Looking at Reconstruction from a social historian s point of view this revealing work adds a much needed new voice to studies of the era **Reconstructions : New Perspectives on Postbellum America** Institute for Southern Studies and Associate Professor of History University of South Carolina Thomas J. Brown Associate Director, 2006-10-16 The pivotal era of Reconstruction has inspired an outstanding historical literature In the half century after W E B DuBois published *Black Reconstruction in America* 1935 a host of thoughtful and energetic authors helped to dismantle racist stereotypes about the aftermath of emancipation and Union victory in the Civil War The resolution of long running interpretive debates shifted the issues at stake in Reconstruction scholarship but the topic has remained a vital venue for original exploration of the American past In *Reconstructions New Perspectives on the Postbellum United States* eight rising historians survey the latest generation of work and point to promising directions for future research They show that the field is opening out to address a wider range of adjustments to the experiences and effects of Civil War Increased interest in cultural history now enriches understandings traditionally centered on social and political history Attention to gender has joined a focus on labor as a powerful strategy for analyzing negotiations over private and public authority The contributors suggest that Reconstruction historiography might further thrive by strengthening connections to such subjects as western history legal history and diplomatic history and by redefining the chronological boundaries of the postwar period The essays provide more than a variety of attractive vantage points for fresh examination of

a major phase of American history By identifying the most exciting recent approaches to a theme previously studied so ably the collection illuminates the creative process in scholarly historical literature     *Reconstruction* ,2008
