Petsworth Parish, Gloucester County, Virginia, 1677-1793 Churchill Gibson Chamberlayne,2009-06 More than a half century ago C G Chamberlayne under the sponsorship of the Virginia State Library transcribed edited and indexed a number of original Virginia parish vestry books four of which are reprinted here While the dates of coverage and lengths of the volumes vary they are nonetheless similar in terms of scope and content Each volume contains the oldest known records pertaining to that parish in most cases beginning only a few years following the parish s date of formation Mr Chamberlayne begins each vestry book with an Introduction that pieces together the formation of the parish and important milestones in its history from published and original sources Facsimilies of pages from the original vestry books maps and photographs help to put each volume into greater context moreover Appended to the vestry books are brief lists of the various parish ministers with an indication of their earliest date of service as found in the records The transcriptions themselves ranging from about 250 to more than 600 pages of text relate to the following issues growing out of the business affairs of colonial parish vestries namely payments to persons for services rendered to the parish oaths and lists of oath takers news of the arrival of

ministers the appointment of church wardens issues related to indentured servants lists of tithables payment of salaries and other obligations the formation of parish precincts with the names of the families apportioned therein the warding of children and so on In each case these four scarce collections of colonial church records establish the existence of thousands of Virginia inhabitants each of whom is easily found in the index or indexes at the back of the book Colonial Churches in the Original Colony of Virginia ,1908 The 1997 Genealogy Annual Thomas Jay Kemp,1999 The Genealogy Annual is a comprehensive bibliography of the year s genealogies handbooks and source materials It is divided into three main sections p liFAMILY HISTORIES licites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book p liGUIDES AND HANDBOOKS liincludes reference and how to books for doing research on specific record groups or areas of the U S or the world p liGENEALOGICAL SOURCES BY STATE liconsists of entries for genealogical data organized alphabetically by state and then by city or county p The Genealogy Annual the core reference book of published local histories and genealogies makes finding the latest information easy Because the information is compiled annually it is always up to date No other book offers as many citations as The Genealogy Annual all works are included You can be assured that fees were not required to be listed **Maryland and Virginia Colonials** Sharon J.
