Recovery Spiral A Pagan Path To Healing:

The Recovery Spiral Cynthia Jane Collins, 2004 Employing an eclectic mix of ancient wisdom modern psychology and creative spiritual empowerment to help readers recover from trauma and destructive behaviour from drug abuse to sexual issues to overspending this book interweaves principles from her last one Building a Magical Relationship with a 12 step programme for recovery and healing This groundbreaking work will help those readers who cannot find help in standard 12 step recovery literature which does little to aid those who do not practice a traditional religion *Healer Zorodzai*

Dube, 2020-12-31 This book explores the established field of healing narratives in the New Testament by focusing on the remembered tradition regarding Jesus healings and comparing them with those of other healers such as Asclepius A sub theme to the book is to investigate the reception of Jesus as healer in various African communities The book exposes the various healing methods employed by Jesus such as exorcism touch and the use of spittle Like any other healing performances that reflect the healthcare system of a given culture Jesus healings were holistic healing the bodily pain restoring households and combatting stigmatisation and marginalisation The book demonstrates Jesus healing activities as shalom performances that seek to re establish peace in all its social dimensions With regard to the reception of Jesus as healer in the African context the book elaborates the sacrificial lamb motif and the need for restoring a relationship with God All the contributions in the book present a unique and original perspective in understanding Jesus as healer from an African healthcare system **The Pagan In Recovery: The Twelve Steps From A Pagan Perspective** Deirdre A.

Hebert, 2011-06-11 The Twelve Steps developed by Alcoholics Anonymous are powerful tools to transform the lives of people who struggle with addiction co dependency and compulsive behaviors Unfortunately Pagans in recovery are likely to struggle with the Christian assumptions and language found in many of these programs This book is intended to support a Pagan s participation in any Twelve Step program by showing that the effectiveness and relevance of these tools does not depend on a specific religious or spiritual tradition This book attempts to bridge the gap between the Christian and Pagan understanding of the Twelve Steps while remaining faithful to the original Twelve Step process The Pagan in Recovery is the result of Deirdre Hebert s ability to live her Pagan faith in the midst of a program with a deeply Christian heritage and demonstrates that anyone of any faith can experience freedom from addictions compulsive or co dependent behaviors through this process **Forthcoming Books** Rose Arny, 2003-12 Becoming an Ally, 3rd Edition Anne

pillow in a grey industrial estate when it dawned on her that maybe this was a slightly unusual way of processing grief It wasn't the first time she had done something a little odd to try and make sense of things There was the time she sobbed along to Elton John with a room full of strangers Or the very special experience of trying to enact the spirit of a deer in a school hall She's tried Reiki reflexology BodyTalk shamanic healing past life regression breathwork guided visualization dreamwork magick ritual disastrous gong baths and meditation her journey has been long and twisting but eventually it led to real understanding and real healing This book is about acknowledging our trauma looking at what it actually is and feeling our feelings Interviews with practitioners and experts delve deeper into what alternative therapies offer Ultimately Anna hopes to trigger much needed conversations about emotional health and the non mainstream ways we can communicate with ourselves and others Content warning suicide child illness depression bereavement explicit medical detail **The Spiral of Healing** Meagan Pugh,2011-01 *Mrs Darley's Pagan Healing Wisdom* Carole Carlton,2011-06 Carole Carlton explores healing through the five senses of touch smell taste hearing and sight Peppered with the ever magickal Pagan wisdom from Mrs Darley Carole's enigmatic next door neighbour whilst living on the wild and remote Bodmin Moor in Cornwall this title will take you on a Pagan path to healing **The Spiral Dance** Starhawk,2011-09-13 The twentieth anniversary edition of *The Spiral Dance* celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride develop their inner power and integrate mind body and spirit Starhawk's brilliant comprehensive overview of the growth suppression and modern day re emergence of Wicca as a Goddess worshipping religion has left an indelible mark on the feminist spiritual consciousness In a new introduction Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years and she reflects on the ways in which these changes have influenced and enhanced her original ideas In the face of an ever changing world this invaluable spiritual guidebook is more relevant than ever
