Recreating Japanese Women, 1600-1945 Gail Lee Bernstein, 1991-07-09 In thirteen wide ranging essays scholars and students of Asian and women s studies will find a vivid exploration of how female roles and feminine identity have evolved over 350 years from the Tokugawa era to the end of World War II Starting from the premise that gender is not a biological given but is socially constructed and culturally transmitted the authors describe the forces of change in the construction of female gender and explore the gap between the ideal of womanhood and the reality of Japanese women s lives Most of all the contributors speak to the diversity that has characterized women s experience in Japan This is an imaginative pioneering work offering an interdisciplinary approach that will encourage a reconsideration of the paradigms of women s history hitherto rooted in the Western experience

Stewardship Peter Block, 1993 Block s widely awaited new book shows how the spirit of partnership and service can be made part of every business government agency and nonprofit institution The author of The Empowered Manager unveils radical new models of stewardship for organizations and individuals within organizations

Counseling and Motivational Interviewing in Speech-Language Pathology Jerry Hoepner, 2024-06-01 Written as a helpful guide for speech language pathologists and students Counseling and Motivational Interviewing in Speech Language Pathology provides a solid base in theoretical foundations while prioritizing skill development and practical applications of counseling in speech language pathology Now more than ever there is a burgeoning need for speech language pathologists to incorporate counseling into their everyday practice However most practitioners currently lack the training and knowledge necessary to fulfill that role Counseling and Motivational Interviewing in Speech Language Pathology seeks to remedy that by providing techniques and tools for counseling across the lifespan and practice settings The book is divided into two main parts Chapters 1 through 4 cover the foundational principles of motivational interviewing including several self assessment tools to support learners in the process Chapters 5 through 8 address specific counseling techniques and topics providing readers with practical examples of how to properly counsel individuals with communication cognition and swallowing disorders What s included in Counseling and Motivational Interviewing in Speech Language Pathology Sample dialogues between clinicians and clients Case examples thinking exercises and potential assignments for readers to apply the knowledge and skills addressed in the book A chapter dedicated to communicatively accessible structured interview approaches eliciting and monitoring collaborative goals and screening for other mental health concerns Counseling and Motivational Interviewing in Speech Language Pathology is an approachable guide that will address the issues of scope of practice while proving why speech language pathologists are uniquely suited to provide counseling

Employee Ownership and Employee Attitudes Douglas Kruse, 1984

Work Engendered Ava Baron, 2018-05-31 In tobacco fields auto and radio factories cigarmakers tenements textile mills print shops insurance companies restaurants and bars notions of masculinity and femininity have helped shape the development of work and the working class The fourteen original essays brought

together here shed new light on the importance of gender for economic and class analysis and for the study of men as well as women workers After an introduction by Ava Baron addressing current problems in conceptualizing gender and work chapters by leading historians consider how gender has colored relations of power and hierarchy between employers and workers men and boys whites and blacks native born Americans and immigrants as well as between men and women in North America from the 1830s to the 1970s Individual essays explore a spectrum of topics including union bureaucratization protective legislation and consumer organizing They examine how workers concerns about gender identity influenced their job choices the ways in which they thought about and performed their work and the strategies they adopted toward employers and other workers Taken together the essays illuminate the plasticity of gender as men and women contest its meaning and its implications for class relations Anyone interested in labor history women s history and the sociology of work or gender will want to read this pathbreaking book

Labour Disrupted Andries Bezuidenhout, Janet Cherry, Nomkhosi Xulu-Gama, Mondli Hlatshwayo, Aisha Lorgat, Babalwa Magoqwana, John Mashayamombe, Mpho Mmadi, Siphelo Ngcwangu, Sandla Nomvete, Jantjie Xaba, Lucien van der Walt, Edward Webster, 2023-10 Labour Disrupted reflects on the past and the future of labour primarily in South Africa but also globally It focuses on how South Africa s lockdown during the Covid 19 pandemic further exposed key contradictions and challenges that labour movements face The contributions include a diverse range of topics currently engaged with by those actively engaged in the field of labour movement Essays by academics and activists tackle thorny issues from redefining democracy in South Africa to experiences of inclusiveness or lack thereof in workplace environments by women young people migrant workers LGBTI people and people living with disabilities The volume addresses contemporary issues related to the use of technology and the impact of the fourth industrial revolution on the youth and the working class and the challenges of skills development and restructuring in the workplace Publisher

Textbook Of Occupational Medicine Practice (Fourth Edition) David Soo Quee Koh, Tar-ching Aw, 2017-08-22 The text is generally very readable the scientific quality of the content is above reproach and the content is very comprehensive within the confines of the size of the actual book In my opinion the book meets the needs of the varied targeted audience and I would regard it as good value for money I would consider the book useful for occupational practitioners particularly those in training who would gain a global perspective on many of the issues of occupational medicine Journal of Occupational Medicine This fourth edition continues to provide a link between occupational health and clinical practice It covers target organ systems that can be affected by hazardous exposures in workplaces and it focuses on the clinical presentations investigations and management of affected individuals We have retained consideration of some special issues relevant to occupational medicine practice in this new edition The main emphasis continues to be prevention of disease and early detection of health effects This edition of the book has been updated to include new materials topics and references We have retained a few of the previous case studies and illustrations and introduced several new ones There are

new chapters on audit and evidence based practice and on occupational cancer We trust that this edition addresses many of the recommendations that were provided by readers of the previous edition We have again asked international experts to author many of the chapters Some of the authors are from Asia and others from the US UK the Middle East and Australia All the authors will have either clinical or academic experience in occupational medicine practice The book will be of interest to medical practitioners especially those in primary care and doctors intending to pursue a career in occupational medicine It would also be relevant for non medical health and safety professionals wanting to know more about health effects resulting from occupational exposures Other groups who may find this edition useful as a ready reference are medical students occupational health nurses or clinical specialists in fields such as dermatology respiratory medicine or toxicology The book is targeted at all those who are interested in the interaction between work and health and how occupational diseases and work related disorders may present Related Link s [Research Anthology on Human Resource Practices for the Modern](#)
