The Problem of Pleasure Dominic Erdozain,2010 The book combines intellectual cultural and social history to address a major area of encounter between Christianity and British culture the world of leisure This book traces the rise and fall of the evangelical movement the powerhouse of Victorian religion via its preoccupation with pleasure Victorian evangelicalism demonstrated an ability to excite the affections but also a corresponding suspicion of worldly pleasures Suspicion developed into hostility and a movement premised on freedom became coercive and alienating The crisis of Victorian religion began It is generally held that the mid Victorian turn to recreation and sport solved the problem justifying God to the people through cricket cycling and football This book argues otherwise that the problem of pleasure was inflamed by the ecclesiastical remedy The problem of overdrawn boundaries between church and world gave way to a new and subtle confusion of gospel and culture Historians have praised the mood of engagement but the costs were profound In fact sport became the perfect vehicle for that humanistic unmystical morality that defines the secularity of the twentieth century Secularisation did not wait for the Dionysian rebellions of the 1960s it emerged almost a hundred years earlier in the Victorian transformation of religion into ethics Central to the process was the problem of pleasure DOMINIC ERDOZAIN is Lecturer in the History of Christianity King s College London

across the British Isles but is more akin to the casual deposition of coins in a wishing well coins are deposited in the tree in exchange for wishes good luck or future fortune Ceri Houlbrook contributes to the debate on the historic relationships between religion ritual and popular magic in British contexts from 1700 to the present *Sport and Recreation in Canadian History* Carly Adams,2021 Sport and Recreation in Canadian History is a comprehensive textbook which provides an examination of events documents and pivotal moments that contributed to the development of sport in Canada Content ranges from indigenous recreation and the integration of British culture It moves to the emergence of organized sport and national sport organizations and their impact on how sport is viewed across the country Amateur and professional sport is covered in detail and finally the globalization of Canadian sport and its expansion and position on the international stage

Soul Recreation Tom Schwanda,2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian s intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of rapture and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition **The Nation and Athenaeum** ,1926 *The Oxford Handbook of Nineteenth-Century Christian Thought* Joel Rasmussen,Judith
