E Durkheim

Rectification Of Eros Green Integer Bks:

Rectification of Eros Samuel Abraham Eisenstein, 2000 In this baffling playful and erotic new fiction transformation is the key to all possibilities Joe and his Labrador retriever Jezebel secretly ship themselves to Havana hoping to start anew while escaping one of Joe's old girlfriends All hell breaks loose as Joe and Jezebel come to be important figures in the battle cry against world domination by the crafty murderous Cat Woman To Do Gertrude Stein, 2000 To Do is an alphabet book meant originally for children in which Stein planned an orderly progression through the alphabet with four names for each letter But things quickly developed and by the time she reached H Henriette de Dactyl all manner of weird and wonderful ideas had crept in When Stein completed this charming book friends and editors thought it inappropriate for children because of its lack of episode Stein refused to alter it however and it remained unpublished until 1957 My Tired Father Gellu Naum, 1999 First published in Romania in 1972 My Tired Father is an autobiographical collage an assisted cut up In words and diction lifted from old books and popular magazines Naum demonstrates that desire is a constructive principle and that the spirit of Surrealism is not reducible to a period style of rhetoric Born in Bucharest in 1915 Gellu Naum was a central figure in Romanian Surrealism before the Second World War Translated by James Brook who has translated works by Guy Debord Benjamin Peret Henri Michaux Victor Serge and Sebastian Reichmann *Hercules, Richelieu and Nostradamus* Paul Snoek, 2000 The first volume published in English of a great Flemish poet of the 20th century **Gold Fools** Gilbert Sorrentino, 2001 The most recent novel by the noted American novelist Gilbert Sorrentino **Meeting at the Milestone** Sigurd Hoel, 2002 In this moving and profound novel Hoel explores patriotism and treason through the major character's memories of the Resistance movement in Nazi occupied Norway during World War II At the dark centre of the work are questions of why certain individuals turn against their own country their own values their very selves Hoel who was himself active in the Resistance has created a complex web of fact and fiction in which the good Norwegians and the traitors are not always easily distinguishable **Sand** Dennis Phillips, 2002 The ninth collection of poetry by Los Angeles author Dennis Phillips **Zuntig** Tom LaFarge, 2001 Tom LaFarge's novel explores the terrain of his acclaimed *The Crimson Bears* and *A Hundred Doors* He tells the story of a tribe of matriarchal apes that inhabit the Swamp at the mouth of the river Flood The childless matriarch has a niece Zuntig who aspires to succeed her but is overreached About to be drowned with a bag of bones about her neck Zuntig is transformed time and again encountering different selves and worlds from the Biljub desert the snow tunnels of Hyver and the arctic ocean to the Pig Opera of Bargeton A wonderful fantasy in the manner of J R Tolkien's *Lord of the Rings* cycle Tom LaFarge lives in New York with his wife Wendy Walker **Suites** Federico García Lorca, 2001 Suites is one of the most charming and melodious of all of Lorca's poem series Written early in his career most of these poems remained unpublished during his lifetime and were later reassembled from notebooks The first appearance of this work in English was in a small chapbook entitled Suites and in the *Collected Poems* of 1988 but the current edition of

Selected Verse contains only a fraction of this important series This is the first complete single volume edition of this great work The Exterminating Angel Luis Buñuel, Luis Alcoriza, 2003 An aristocrat called Nobile invites several society friends to his house after the opera But even as the dinner preparations are underway servants feel compelled to leave Despite threats of dismissal the footman also leaves and as other guests arrive other servants escape Dinner is served and hours pass but the guests do not leave Finally each refusing to be the first to leave the party distrust sets in and the guests turn on their host blaming him for their self induced captivity One of Bunuel s most sardonically humorous and visually stunning works

Antilyrik & Other Poems Vítězslav Nezval, 2001 Vitezslav Nezval 1900 58 was an active participant in the European avant garde between the two world wars In the 20s he was the founding figure of poetism a movement of poets and artists centred in Prague Like other major innovators he worked through a prolific sweep of modes and genres and formed an alliance with Andre Breton and his Paris circle in the 1930s founding the first surrealist group and magazine outside France This collection brings together for the first time a sampling of Nezval s major works from the 20s and 30 s *Suicide Circus* Alekseï Kruchenykh, 2001 The first English language translation of one of the great poets of Russian Futurism

Demonology Kelly Stuart, 2003 A fantastic and yet credible play on gender **Pedra Canga** Tereza Albues, 2001 A major new novel by Brazilian writer Tereza Albues **Arcanum 17** André Breton, 2004 Considered radical at the time Breton s ideas today seem almost prescient yet breathtaking in their passionate underlying belief in the indestructibility of life and the freedom of the human spirit Breton wrote Arcanum 17 during a trip to the Gaspé Peninsula in Quebec in the months after D Day in 1944 when the allied troops were liberating Occupied Europe Using the huge Perce Rock its impermanence its slow motion crumbling its singular beauty as his central metaphor Breton considers issues of love loss aggression war pacifism and feminism **Selected Poems** Else Lasker-Schüler, 2002 A new collection of poetry revised from the original collection published by the Jewish Publication Society **The Peripheral Space of Photography** Murat Nemet-Nejat, 2003 This profound short essay by Turkish born poet and translator Murat Nemet Nejat explores what separates photography from other artistic media He argues that photographic seeing is not a plastic experience but a meditative one built around a relationship between image and words Through a critique of photographs in the Metropolitan Museum of Art exhibition of 1993 he shows repeatedly how the focal points in photographs are often their mistakes blurs over or under exposure etc and spatially exists in their peripheries Two Plays Armand Gatti, 2002 Written more than 20 years apart the two plays of this volume reflect the author s theatrical preoccupations his processes and approaches to writing and his ever present dialogue between History and personal history Translated from the French by Teresa Meadows Jillson and Emmanuel Deleage With an introduction by Jill Meadows **Radio Dialogs** Arno Schmidt, 1999 *The Sea Below My Window* Ole Sarvig, 2003 A woman awakens in a strange room with the sea roaring below She has no idea where she is and even worse who she is As she slowly gains consciousness and tries to piece things together she does not get far

She does not understand the language of the country she is in or its currency She knows only that something is terribly wrong and that she is in mortal fear of something she cannot identify Is the eerie quality of everything about her only an illusion Danish writer Sarvig serves up a metaphysical tale of mystery in the vein of Graham Greene

Uncover the mysteries within Crafted by is enigmatic creation, Embark on a Mystery with **Rectification Of Eros Green Integer Bks** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
