conflicts of jurisdiction Choice of Law and Choice of Forum in Transnational Transfer of Technology Transactions Stanislaw Soltyski The objective of this course on Choice of Law and Choice of Forum in Transnational Transfer of Technology Transactions by Stanislaw Soltyski professor of the University Mickiewicz in Poznan is twofold First of all he analyses recent legal developments in the relevant fields on the basis of examples drawn from the systems of developed and developing countries The second objective of this course is to identify real socio economic rationales behind conflicting legal solutions Professor Soltyski devotes the first chapter to choice of laws and notably to its limitations and the second chapter to the choice of forum The Juridical Basis of a New International Order Rafael Caldera In his lecture given in The Hague on July 8th 1896 Rafael Caldera former president of Venezuela develops the topic of the juridical basis of a new international order that while promoting social justice will guarantee peace **Recueil Des Cours** ,1995-06-06 The Academy is an institution for the study and teaching of public and private international law and related subjects Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law The courses deal with the theoretical and practical aspects of the subject including legislation and case law All courses at the Academy are in principle published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law Contents The International Court of Justice Viewed from the Bench 1976 1993 by S ODA Judge and former Vice President of the International Court of Justice International Cooperation and Protection of Children with Regard to Intercountry Adoption by J H A VAN LOON First Secretary of the Hague Conference on Private International Law To access the abstract texts for this volume please click here [Recueil Des Cours, 1989-V](#) Académie de droit international de La Haye,1990-11-01 *Recueil Des Cours - Collected Courses, 1985-IV* Antonio Truyol y Serra,1992-10-23 The Academy is an institution for the study and teaching of Public and Private International Law and related subjects Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law The courses deal with the theoretical and practical aspects of the subject including legislation and case law All courses at the Academy are in principle published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law Volume 173 contains Theorie du droit international public Cours general par A TRUYOL Y SERRA professeur a l Universite de Madrid juge au Tribunal constitutionnel d Espagne **Collected courses of the Hague Academy of International Law** Hague Academy of International Law,1995 **Recueil Des Cours** Académie de Droit International de la Ha,1996-06-03 The Academy is an institution for the study and teaching of public and private international law and related subjects Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law The courses deal with the theoretical and practical aspects of the subject including legislation and case law All courses at the Academy are in principle published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law This volume contains Contributing to Progressive
